A NIGHT AT THE RACES BENEFITS BRAIN INJURY FUND APRIL 30TH AT THE KNIGHTS OF COLUMBUS

The The Sean Reilly Traumatic Brain Injury Fund will host it's annual fundraiser, 'A NIGHT AT THE RACES', on Saturday, April 30th at the Knights of Columbus, Summit. Join us for a fun night of video horse racing, DJ, delicious light fare and fabulous prizes!

On January 27, 2009, Sean P. Reilly, a Summit High graduate, passed away at the age of 25 from complications attributable to a Traumatic Brain Injury (TBI) that he sustained nearly 5 years earlier while studying abroad in Europe. During his 5 years as a minimally conscious TBI patient, Sean and his family experienced firsthand all of the challenges and pitfalls associated with funding and reimbursement for TBI related healthcare. And so, after Sean's passing, his parents Susan and Bill founded the Sean Reilly TBI Fund to address and bridge the funding shortfalls.

All proceeds from this event will go directly to supplemental therapies and rehabilitative equipment for patients at New Jersey's leading TBI rehabilitation centers such as the JFK Johnson Rehabilitation Institute's Center for Head Injuries, especially its Extended Recovery Unit in Edison, New Jersey. The Fund also partners with the Brain Injury Alliance of NJ, funding the needs of statewide TBI patients and their families.

We invite everyone to join in on the fun on April, 30th.

Tickets are \$75 per person, \$50 for persons age 35 and under and can be purchased on the Fund's website, www.seanreillytbifund.org, or at the door the night of the event. Checks can also be sent directly to The Sean Reilly TBI Fund, 2 Devon Rd., Summit, NJ 07901. Please specify number attending and contact information. For more information or to contact us, please go to the website.

(right) Bill and Susan Reilly hand over the keys to a brand new adaptive transport van to the JFK Hartwyck team. For many patients, this van has provided the first opportunity to visit family outside of the facility.

PUT THE 'PUB' IN PUBLIC GARDEN WINE TASTING IN TUSCANY? JUST SAY YES! FRIDAY, APRIL 8, 7:00 – 9:30 PM

If you're a lover of everything Italian, and especially if you love Tuscany, then join Reeves-Reed Arboretum on Friday, April 8, from 7 to 9:30 pm, for the next Put the 'Pub' in Public Garden, as we continue our oenophile's tour of the world with Tenuta Torciano Winery. Located in San Gimignano, Italy, and founded in 1720, Tenuto Torciano brings three centuries of winemaking expertise to the table. Sample select vintages, showcasing the range and styles from throughout the region, as well as the art and passion of winemaking, chosen by sommelier Max Niccoli and winemaker Pierluigi Giachi. Wine is Tuscany's lifeblood, and a wine without a soul is just a beverage.

Taken on their own, these wines will please even the most discerning of palates. But add to the festivities a selection of delicacies harmoniously prepared by E.V.O.'s executive chef, Alexander Gomes, and this will be an evening not to be missed!

Put the 'Pub' in Public Garden is a fundraiser

for the Reeves-Reed Arboretum. Admission to the evening's flavorful festivities is \$50 per person. Current RRA members will receive a 10% discount on this event. Reservations are requested. Please call Doreen Schindler at 908-273-8787 x 1010, or d.schindler@reeves-reedarboretum.org to purchase your tickets. You may also sign up on line at <http://www.reeves-reedarboretum.org/>. RSVP by April 4. Not yet a member or need to renew, now's the time!

Celebrating over 40 years as an historic public garden, education resource, and non-profit conservancy, Reeves-Reed Arboretum engages, educates and enriches the public through horticulture and environmental education, and the care and utilization of the gardens and estate. Open 7 days a week from dawn till dusk, the Arboretum is listed on both the National and New Jersey State Historic Registers.

11 CRITICAL HOME INSPECTION TRAPS TO BE AWARE OF WEEKS BEFORE LISTING YOUR HOME FOR SALE

Summit NJ - According to industry experts, there are over 33 physical problems that will come under scrutiny during a home inspection when your home is for sale. A new report has been prepared which identifies the eleven most common of these problems, and what you should know about them before you list your home for sale.

Whether you own an old home or a brand new one, there are a number of things that can fall short of requirements during a home inspection. If not identified and dealt with, any of these 11 items could cost you dearly in terms of repair. That's why it's critical that you read this report before you list your home. If you wait until the building inspector flags these issues for you, you will almost certainly experience costly delays in the close of your home sale or, worse, turn prospective buyers away altogether. In most cases, you can make a reasonable pre-inspection yourself if you know what you're looking for, and knowing what you're looking for can help you prevent little problems from growing into costly and unmanageable ones.

To help homesellers deal with this issue before their homes are listed, a free report entitled "11 Things You Need to Know to Pass Your Home Inspection" has been compiled which explains the issues involved.

To hear a brief recorded message about how to 1-888-243-5861 and enter 3006. You can call any time, 24 hours a day, 7 days a week.

Get your free special report NOW to learn how to ensure a home inspection doesn't cost you the sale of your home.

The Book Sale is about to begin! The annual Summit College Club (SCC) Book Sale will be held from April 19 through 24, 2016, at the American Legion Hall, 257 Elkwood Avenue, next to the library in New Providence.

About 40,000 gently used books will be displayed, all of them sorted into twenty five categories: "History," "Fiction" (by the author's last name), "Children," "Teens," "Cook Books," "Foreign Language," "Biographies," "Art," "Sports" and "Parenting" are just some of the categories. There are sections for CDs, DVDs, and LPs, as well.

The first day of the sale is aimed at book dealers and has a \$20 admission charge. On the next five days, Wednesday through Sunday, April 20 through 24, there is no admission charge, and tens of thousands of books are sold, the vast majority of them for fifty cents, a dollar, or two dollars.

The Book Sale will be open on Wednesday and Thursday from 10 am to 9 pm; on Friday and Saturday from 10 am to 6 pm; and on Sunday, the last day of the sale, from 10 am to 3 pm. Sunday is "Bag Day": Customers may fill an entire shopping bag with books of their choice for just \$5 a bag.

All the proceeds from the massive sale go toward funding scholarships for deserving local high school girls.

"One of the reasons this sale is so popular," commented Marylou Motto, an SCC member, "is that it's local. People in Summit, New Providence, Berkeley Heights, and the surrounding communities save us their books each year. Other people in those communities (and far beyond!) then buy the books for very little money. It's recycling at its best—and all the

profits go to a worthy cause."

SCC collects the books at Westy Self Storage, 15 River Road, Chatham. Donors may continue to bring books there during the day until April 7. "All our work is made possible by the generosity of Westy's," comments Lynne Rogerson, this year's Book Sale chair. SCC members spend hundreds of hours setting up the sale, moving the books, and sorting them all one by one.

The Summit College Club is a branch of the American Association of University Women (AAUW), an organization that promotes equity for all women and girls through advocacy, education, philanthropy, and research. Membership is open to all women and men holding the associate degree or higher.

To volunteer for the sale or for more information about donating books, please e-mail summitcollegeclub@yahoo.com or call 908-464-2540. For further information about membership or an application form, email jimles59@verizon.net.

GATES AVENUE KNITTERS & CROCHETERS CELEBRATE THEIR 16TH YEAR

The Gates Avenue Knitters & Crocheters are a group of women and men who have been meeting for 15 years. We started with 5 women who live on Gates Avenue in Gillette and have grown to a roster of more than 50 from Warren, Bridgewater, Summit, Basking Ridge and other communities in the area. We now meet at the Long Hill Township Public Library on Valley Road in Gillette on the 2nd and 4th Wednesday of each month at 7pm.

We work on our own projects as well as create hats, blankets, scarves and mittens for numerous charities in Central New Jersey. We donate to the

Market Street Mission in Morristown, the Community Food Bank's Kids Resource Program in Hillside and St. Joseph Social Service Center in Elizabeth. We have also donated hats to the Long Hill Township Library, for sale, which have amounted to thousands of dollars over the years to sponsor programs. In 2015 we raised more than \$600 for the library.

We invite people of all levels, from beginners to skilled, and encourage those who would like to learn to join us. We freely share our knowledge and experience. For more information, please email GAKnitters@gmail.com

COMMUNITY PROGRAMS RECOGNIZED BY NJRPA

Summit Community Programs was recently recognized by the New Jersey Recreation and Parks Association with three separate awards presented during the Annual NJRPA Conference held last week in Atlantic City.

DCP Brand Manager, Sophie H. Mannaerts and DCP Board Presiding Officer, James Colucci proudly took home the Agency Showcase Award in Digital Media Promotion for their work on Shark Diddy TV. Each segment of Diddy TV

covers a different SFAC safety topic, educating patrons on proper use of life jackets, general pool safety rules, and more.

Accepting the Daniel M. Gasalberti Recreation Programming Award was DCP Programmer, David Guida for his work on Paddleboarding at the SFAC. David developed and implemented the Paddleboarding Program in the summer of 2015, welcoming members and non-members to participate alongside trained instructors from

Summertime Surf and Paddle School of Belmar, NJ. This highly successful program will continue into the upcoming SFAC season.

The final and most coveted award of the night, the Fay S. Mathewson Crystal Award, was also presented to James Colucci, this time recognizing him as a "Friend of Recreation, Parks, and Conservation."

Through the years, James has exemplified an exceptional level of dedication to the DCP, volunteering his time at all events and fundraising efforts. James has also devoted his professional services to the DCP, capturing the SFAC and all DCP parks and facilities with HD and Aerial Photography.

Overall, it was a proud night for Summit Community Programs at the 2016 NJRPA Conference. All three awards are now on display at the Community Center, 100 Morris Avenue.

More information on the DCP's award-winning programs, facilities, and staff can be found at summitcommunityprograms.com.

ANNUAL BABY SHOWER TO HELP FAMILIES IN NEED

The Christ Child Society of Summit is hosting its 10th Annual Baby Shower on Thursday, April 7, 2016 at St. Teresa of Avila, Memorial Hall at St. Teresa of Avila 306 Morris Ave. Summit, NJ. The Christ Child Society of Summit provides bundles of essential clothing, or layettes, to babies at Overlook and Morristown Hospital free pediatric clinics. Since their first baby shower in 2007, they have touched well over 1,400 babies in the community by providing them with essential clothing. In addition, through the efforts of the "Knitting Angels," a hand-knit or sewn item completes each package. These bundles help babies and their families with limited resources get off to a happy and healthy start. Every Christ Child Society chapter in the country provides layettes to needy newborns in their area. The layettes are the signature and founding project of the National Christ Child Society.

Baby Shower Co-Chairs Sheila Schlageter and Julie Vlass welcome all to celebrate the coming of Spring and new life with a Mass at 11:30 am followed by a lovely lunch catered by What a Dish. A donation of new layette items such as outfits, pajamas, receiving blankets, onesies in newborn and 3 month sizes or a monetary

donation of \$40 is kindly requested. Co-President Kathryn Colao remarks, "I love how each year our baby shower brings together our members and friends in the community to celebrate the advent of spring and to support the Christ Child layette program. The adorable baby clothes and donations we receive make our layettes extra special and help us serve local families in need in a meaningful way." For more information, to R.S.V.P or to become a member please visit www.christchildsummit.org.

The Summit Chapter of the Christ Child Society provides aid and supplies to at-risk children in Summit and neighboring towns. The Christ Child Society helps build better communities by partnering with others to serve children and families in need. Members assemble and deliver layettes (essential bundles of clothing) to newborns at local hospitals, and partners with Bridges Outreach to run an annual school supplies drive that provides essential supplies for elementary, middle and high school children in Summit. The Christ Child Society of Summit is a 501(c)(3) charitable organization. Your gift is tax deductible to the extent permitted by law.

Film: Wondrous Boccaccio

Friday, April 8, 12:30 PM

Set against the backdrop of a 14th century, black plague-stricken Florence, ten young men and women escape to a country estate where they spend their days telling stories of love, fate, and resurrection. From legendary Italian filmmaking brothers Paolo and Vittorio Taviani, directors of Caesar Must Die, Wondrous Boccaccio is a visual and poetic tribute to the stories that emerged from one of the darkest periods in Italian history, and the imaginations that quietly fueled them. Not rated. In Italian with English subtitles. 120 minutes.

Clara Barton

Tuesday, April 19, 7:30 PM

Clara Barton was born on December 25, 1821, in Massachusetts. In 1852 she founded one of the first free public schools in New Jersey. During the American Civil War, she headed for the front lines, taking supplies to wounded soldiers and earning the title "Angel of the Battlefield." She became a passionate supporter of the International Red Cross and established the first chapter of the American Red Cross.

Actor Pat Jordan of the American Historical Theatre has performed this program in venues throughout the United States giving voice to the stories of this courageous, inspirational woman.

This program is funded by the Horizons Speakers Bureau of the New Jersey Council for the Humanities, a state partner of the National Endowment for the Humanities. It is co-sponsored by the Summit Free Public Library and the Beacon Fire Chapter of the Daughters of the American Revolution.

SIX POLICE CHIEFS AND A LIEUTENANT DELIVER MEALS ON WHEELS

Across the nation during the month of March, local officials are taking part in Meals on Wheels America campaign to raise awareness for isolation and poor nutrition among older Americans. Five police chiefs and one lieutenant from Berkeley Heights, Mountainside, New Providence, Summit, and Springfield gathered

together at SAGE Eldercare on March 16 to deliver meals to residents in their respective towns.

"It is our 50th anniversary this year and is vitally important to the people we serve that law enforcement officials meet these individuals," stated Marianne Kranz, Director of Meals on

Wheels for SAGE. "The relationship and communication between local police departments and a community-based organization such as SAGE is critical so that older residents are looked after and protected. The annual "March For Meals" campaign established by Meals on Wheels America provides a great opportunity for us to enlist the help of local officials by visiting older residents, listening to their concerns and getting to know their circumstances.

In addition to local police chiefs, SAGE has enlisted the involvement of local elected officials, EMTs, and community groups. "It is vital for these decision-makers within the communities we serve to have an understanding of the homebound residents in their towns – often times, our volunteers are the only people checking in on them," added Kranz.

About fifteen times a year, SAGE has to turn to the police to do welfare checks on clients who don't respond, and about five times a year, a SAGE Meals on Wheels volunteer calls 911 when finding a client in need of immediate professional and/or medical assistance.

"Not only does SAGE rely on us to check on the safety and wellness of our older residents, but we also rely on SAGE's professional staff when we find someone who needs their assistance and services. Our partnership ensures that isolated older residents are getting the help they need," noted New Providence Police Chief Anthony D. Buccelli, Jr.

Attanasio, Mountainside Lieutenant Tom Murphy, and Springfield Police Chief John Cook. They delivered meals to older residents in the area on March 16 as part of the Meals on Wheels America's "March For Meals" annual campaign, which is coordinated by SAGE Eldercare.
