FIRE DEPT AND RED CROSS HOME FIRE SAFETY CAMPAIGN

On April 16, 2016 The Linden Fire Department in conjunction with The American Red Cross held a Home Fire Safety Campaign in parts of Linden's 5th and 8th wards. The Red Cross went door to door canvassing these wards informing residents of the free smoke detector install being offered. If the resident needed smoke detectors the Linden Fire Department, with off duty members from Linden's FMBA locals 34 & 234, would follow the Red Cross volunteers doing an evaluation of the home and installing what smoke detectors were necessary to make the home safe. The free detectors were donated through a Red Cross Home Fire Safety Campaign. The Fire death rate in homes with working smoke alarms is 51% less than the rate for a home without this protection. An estimated 890 lives could be saved each year if all homes had working smoke alarms. Properly installed and maintained smoke alarms save lives and protect against injury and loss due to fire. The free detectors being installed are sealed units with a 10 year battery, insuring that the detector is operational for years to come.

This was the 3rd install day held in Linden, the other 2 were in April and August of last year in parts of the 4th, 5th and 8th wards. In addition to the detectors, the Red Cross was passing out home safety information to residents and the Linden Fire Department was informing them of their File of Life Program. A program that gathers resident's pertinent medical information that is kept in their home to help expedite an ambulance call by making the information readily available to EMS workers. If residents were not home, missed the canvassing or are in a different ward and would like free detectors installed in their home, they can call Linden Fire Prevention (908) 474-4560 to set up a date for an install.

The day was a huge success, installing 112 detectors in 54 homes and canvassing 720 homes with fire safety information bringing the total for this campaign to close to 300 detectors installed in over 150 homes with close to 2000 homes canvassed. The day could not have been a success without the many volunteers from the Red Cross, Linden High School's Red Cross and ROTC programs doing the information canvassing and Linden's FMBA Locals 34 & 234 doing the detector installs.

"Hooked On Fishing - Not On Drugs" is a unique, nationally recognized program created by the Future Fisherman Foundation. In 2012, Governor Christie signed legislation establishing the statewide implementation of the HOFNOD program. The legislation provided initial funding through an appropriation of \$200,000 from the state's Drug Enforcement and Demand Reduction Fund.

The goal of New Jersey's program is to encourage school-aged children to avoid tobacco, drug and alcohol usage by providing alternative activities that involve learning to fish, appreciating aquatic and environmental resources, and developing positive life skills. The program will provide students with access to extracurricular outlets that utilize New Jersey's incredible outdoor recreational assets.

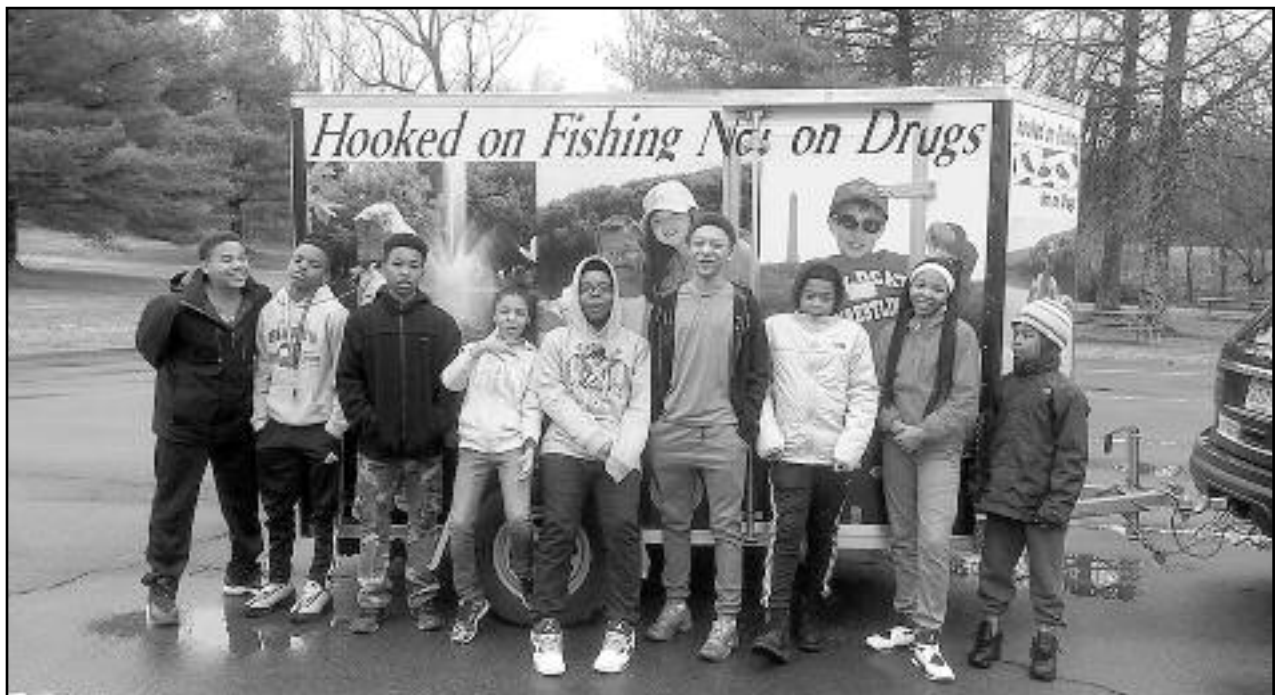

Councilwoman Cosby-Hurling is the visionary who sought the program through the NJ DFW and successfully completed a weekend training course so that Linden could host a program for the youth. Linden's Wilson Park Pond is stocked

with fish by the NJ Division of fish and Wildlife each spring, this is the official home of Team Linden, HOF NOD.

Cosby- Hurling praised the program stating, "The HOF NOD program was appealing to me because the state provides educational materials, some equipment and lots of hands-on opportunities for the HOF NOD teams. Linden has a pond in the center of town that is under-utilized!"

"We have children who have an interest in fishing and this is an opportunity to get them outdoors and away from technology at least for a little while."

The program will run until the beginning of August. Children age 10 – 17 can learn fishing skills, conservation and recycling and an anti-drug and alcohol lesson is incorporated into each team meeting. There are limited spaces still available for the 2016 season. Anyone interested in joining the team should call 908-718-7933 for more information.

(above) Some of the Linden team members visited the Pequest Trout Hatchery during Spring Break and learned about the breeding process and life of trout.

7 THINGS YOU MUST KNOW BEFORE PUTTING YOUR HOME UP FOR SALE

Linden NJ - A new report has just been released which reveals 7 costly mistakes that most homeowners make when selling their home, and a 9 Step System that can help you sell your home fast and for the most amount of money.

This industry report shows clearly how the traditional ways of selling homes have become increasingly less and less effective in today's market. The fact of the matter is that fully three quarters of homesellers don't get what they want for their homes and become disillusioned and - worse - financially disadvantaged when they put their homes on the market.

As this report uncovers, most homesellers make 7 deadly mistakes that cost them literally thousands of dollars. The good news is that each and every one of these mistakes is entirely preventable. In answer to this issue, industry insiders have prepared a free special report entitled "The 9 Step System to Get Your Home Sold Fast and For Top Dollar".

To order a FREE Special Report, visit www.njhomesellermistakes.com or to hear a brief recorded message about how to order your FREE copy of this report call toll-free 1-888-243-5861 and enter 1000. You can call any time, 24 hours a day, 7 days a week.

TWENTY YEARS OF RUSSIAN OLYMPIADA...

On Monday, March 21st 2016 nine LHS students of Russian had an opportunity to participate in the NJ Contest of Spoken Russian, held at Drew University, Madison, NJ. Our students won two gold, six silver, and one bronze medals.

The State Olympiada of Spoken Russian is a challenging, unique, and enjoyable event for all the students of varying levels, from 1 through 5, a Heritage Learner, and Native Speaker categories.

Throughout the years we have been able to establish a partnership with all New Jersey high schools that offer Russian as a foreign language.

For our excellent performance we have gained trust and respect from national institutions and organizations, such as ACTR and AATSEEL.

Our Russian program was also recognized by several American universities. Their doors are open for the students who plan to pursue a career in the field of the Russian language and literature. Because of our longtime relationship with Drew University and our excellent achievements, Professor Carol Ueland, the head of the Russian Language Department, is inviting our students to continue studying the language under her supervision

(above) At the April Linden Board of Education meeting, Dr. Danny A. Robertozzi, Board of Education member Jack Kolibas and the Linden Board of Education members recognized the Linden High School students of Russian.

LINDEN BAND PERFORMS ON DISNEY STAGE

Photos by Linden Public Schools

There's nothing more exciting, or more magical, than performing on a Disney stage in front of an international audience of thousands. The performance setting was beautiful, as warm temperatures, blue skies, and a gentle breeze provided a magical ambience for Linden students and audience members alike. On the weekend of April 16th, the Linden High School Marching Band performed in a parade down Main Street USA at Disney's Magic Kingdom as part of Disney's Magic Music Days.

Linden High School was selected from hundreds of applicants across the nation that submitted audition tapes reviewed by world-class performers, who evaluate and select schools for the opportunity to participate in Disney's Magic Music Days.

Once in the Magic Kingdom, Linden band students were taken on stage and behind the

scenes, where the Disney theme park became a vibrant "classroom" as they discover new techniques and pursue their passions, all while making memories that last a lifetime.

This one of the many prestigious venues the Linden High School band has performed in the United States. This was Linden High Schools eighth time participating as part of Disney's Magic Music Days program - it was a fitting encore to end yet another successful season of the award winning band.

The musicians departed just days after the National Association For Music Merchants (NAMM) named the entire Linden Public School district the 2016 "Best Communities for Music Education." Linden Public Schools is one of only 476 school districts across the USA to be selected for this award. This is the second consecutive year we've received the award.

LINDEN COUPLE CELEBRATES THEIR 52ND WEDDING ANNIVERSARY

By Edir Coronado

(above, and right) Wedding day, April 11, 1964

April 12th was a special day in Linden for Stanley Wolniak, who celebrated his 102nd birthday: what was more impressive was April 11th marked his 52nd wedding anniversary to Helen Wolniak, who is 94 years old. Stanley and Helen both emigrated to the U.S. around the same time: Helen in 1950 and Stanley in 1951. They met in Newark after being introduced by a mutual friend: several years later, in 1964, they married.

It is no mystery that this couple withstands the test of time having survived slavery and imprisonment in Germany; more recently the passing of her son Zenon Lapinski, who was 69

years old.

Through all of these trials and tribulations this couple still remains very active and independent. You can find Stanley working on his garden, reading about anything having to do with gardening, or his Polish paper. Helen enjoys baking her amazing stuffed cabbage and delicious cheesecake. She also loves to sew, crochet, and cross stitch: walk into their home and you will find many pieces she has worked on throughout the years.

Stanley and Helen prove that true love can last forever.

81ST ANNUAL MEETING OF THE LIA

The 81st Annual Meeting of the Linden Industrial Association (LIA) was held on April 21, 2016 at the Grand Banquet Hall in Linden. Guest speakers included Mayor Derek Armstead, City of Linden, and Nancy Burke, Marketing Manager for the Union County College Business Institute.

The purposes of the LIA are to promote the mutual interests of industries located or having interests in the City of Linden or surrounding municipalities and for such other beneficial purposes as may from time to time be recommended by the Board of Trustees.

Mayor Derek Armstead spoke of his family being in Linden for over 90 years. He stated "Linden has been known as a business friendly town, we want to keep that reputation. Linden is a town that will not survive without industry. The Linden Industrial Association drives our town and helps many families to survive in this town. They help keep this town great."

Nancy Burke spoke about New Jersey's efforts to align the state's workforce with the needs of employers. She gave a presentation on the Logistics and Distribution program offered at Union County College which was recently

awarded a \$900,000 grant from the state's Workforce Development Partnership Program to provide workforce development training. This is one of three Talent Development Centers created at institutions of higher education by the New Jersey Department of Labor and Workforce Development to serve as "centers for excellence", for providing workforce training and skill development focused on a specific, key industry in New Jersey.

The 2016 LIA "Business and Community Contribution" Awards were presented to Infineum USA, L.P. & Mathew Kurzius.

DONALD J. GIVENS NAMED 2016 OUTSTANDING SENIOR CITIZEN OF THE YEAR

Donald J. Givens, a lifelong resident of Linden has been chosen Linden's 40th Annual Outstanding Senior Citizen of the Year. This award is bestowed annually by the Linden Department of Public Property and Community Services Recreation Division upon the Senior Citizen who displayed the most exceptional service to the community.

Donald was born October 2, 1934. He is a proud graduate of Linden High School. Not long after graduation, he heard the calling of his country and joined the United States Air Force, where he served four years.

Returning home to Linden, he married his sweetheart, Geneva Davis. They were married for 51 years prior to her passing in 2006. Donald and Geneva have three sons, Donald Jr., Derek, and Tyrone. Donald is also the proud grandparent of 5 grandchildren and 6 great-grandchildren.

Donald is retired from Exxon Chemical Center where he worked for 25 years as a Senior Research Technician. He also served on the Union Bargaining Committee for 20 years.

Donald is currently serving as Clinician for the USA Boxing New Jersey Association. He is also the first African American to serve as president of the same. He is an inductee to the New Jersey Boxing Hall of Fame and the Linden Athletic Hall of Fame. He is also a certified National and International USA boxing coach.

Donald has always been youth oriented and serves as PAL POP Warner football coach and teaches karate and boxing to local youths and young adults. There is no greater satisfaction to

(above) Donald J. Givens

Donald then to watch a child develop into a disciplined well rounded young person who gets their education and goes on to bigger and better things in life.

Donald has also served as president and vice president of the New Jersey Association USA Boxing, president of the Third World Inc., president of the 4th Ward Democratic Club, and board member of the Linden PAL.

GOVERNOR'S EDUCATOR OF THE YEAR PROGRAM

The New Jersey Department of Education recognizes the outstanding contributions of teachers and leaders in many ways. This is a celebratory program that integrates the Teacher of the Year Program with the Governor's Teacher/Educational Services Professional Recognition Program, to continue to recognize

our state's best teachers and educational services professionals. This program highlights educational innovation, student achievement, the rewards of teaching, and the important services outside the classroom environment that lead to student success.

THANKS FOR SERVING OUR COUNTRY

The Linden High School NJROTC cadets are making friends in the community. LHS NJROTC cadets, after running laps during their weekly physical training exercises around the pond, line up to thank a local Korean War Veteran for his service. Linden Public Schools thank all that serve our country and are very appreciative of the sacrifices that are made on a continual basis.

MEMORIAL DAY 2016

A Veterans Epilogue to all the brave military personnel that have made the supreme Sacrifice.

By Ron Stefanowicz, Commander Linden Veterans Council

The question, sometimes politically-loaded, that is often asked of family members and war buddies of our Fallen Heroes.

“Was it worth it?”

Marine Corps General John Kelly recently offered a unique perspective. A veteran of Iraq and Afghanistan himself, General Kelly lost his youngest son, First Lieutenant Robert Kelly, while conducting combat operations in Helmand Province in 2010. General Kelly was asked if the loss was worth it by a reporter with National Public Radio. He said, quote:

“I think what I tell families now is the only person really that has a right to answer that question – was it worth it? – is the young man or woman that lost their life. And I believe what they would say is that they were doing what they wanted to do. They were where they wanted to be. So that’s the answer, I think, to that question. It’s not for us that survived to answer it. I think it’s for those young people to answer. And I think they do answer it with their actions and obviously their lives.”

In 2003 Army Private First Class Diego Rincon of Conyers, Georgia, wrote to his mother from Iraq: “Whether I make it or not, it’s all part of the plan. It can’t be changed, only completed. Mother will be the last word I’ll say. Your face will be the last picture that goes through my eyes...I just hope that you’re proud of what I’m doing and have faith in my decisions.”

PFC Rincon died soon after writing the letter.

The American Legion will always be proud of the selfless service of Robert Kelly, Diego Rincon and the more than one million men and women who have made the Supreme Sacrifice for the United States since our nation’s founding.

General Kelly is right. ‘Was it worth it?’ is the wrong question for us to answer. Instead, we should commit ourselves to “Make it Worth It.”

We should insist that America remain the land of the free. A land where patriotism trumps politics, where the American Flag is displayed proudly and frequently and where military veterans are society’s true celebrities.

We must NEVER forget the families of our fallen. Long after the battlefield guns have been silenced and the bombs stop exploding, the children of our fallen warriors will still be missing a parent. Spouses will be without their life partners. Parents will continue to grieve for their heroic sons and daughters that died way too early.

We need to be there for them, not just as members of The American Legion family – but as American citizens. Nobody can replace these fallen heroes – especially in the eyes of their families – but we can offer shoulders to cry on, assistance with educational expenses and assurances that their loved one’s sacrifice will not be forgotten.

While there is nothing unpatriotic about an auto race, a trip to the beach or a barbecue, we should reflect on the true meaning of Memorial Day. Let us remember that tyrannical regimes have been toppled and genocides stopped because Americans sacrificed life and limb. Let us remember that terrorist plots were foiled and

killers brought to justice because Americans were willing to pay a high price. Let us remember that without a U.S. military, the world would be a far more oppressive and darker place. Let us remember that freedom never had a greater friend than the American Soldier, Sailor, Airman, Marine and Coast Guardsman.

The Preamble to the Constitution of The American Legion charges our organization to “Preserve the memories and incidents of our association in the Great Wars.”

Lydia Bixby, a Boston widow, was believed to have lost five sons in service to the Union during the Civil War.

President Lincoln’s letter to the grieving mother was read on-screen by the actor portraying General George Marshall in the film Saving Private Ryan. The letter reads:

Dear Madam,

I have been shown in the files of the War Department a statement of the Adjutant General of Massachusetts that you are the mother of five sons who have died gloriously on the field of battle. I feel how weak and fruitless must be any word of mine which should attempt to beguile you from the grief of a loss so overwhelming. But I cannot refrain from tendering you the consolation that may be found in the thanks of the republic they died to save. I pray that our Heavenly Father may assuage the anguish of your bereavement, and leave you only the cherished memory of the loved and lost, and the solemn pride that must be yours to have laid so costly a sacrifice upon that altar of freedom.

Yours very sincerely and respectfully,

A. Lincoln

So while the “Was-It-Worth-It” question can only truly be answered by those who made the sacrifice, it is up to all of us to make it worth it.

LINDEN HIGH SCHOOL'S ANNUAL WASHINGTON TRIP WASHINGTON D.C.

Linden High School's National Honor Society took their annual trip to Washington D.C. on Wednesday, April 27. During their time in the capital, students had the opportunity to explore the history of the Lincoln Memorial, the Vietnam war and Korean War Memorials and the Washington Monument. In the afternoon, students were able to visit the various museums at the National Mall. Highlights included the Air and Space Museum, the Natural History Museum, and the Botanical Gardens. Students were also encouraged to join Mr. Mangel and Mrs. Goncalves at the National Archives where they could read the original copies of the Constitution, the Bill of Rights, Declaration of Independence, Emancipation Proclamation, and many more documents related to United States History.

LINDEN FIRE DEPARTMENT STEPPING UP TO THE CHALLENGE

The Linden Fire Department participated in the American Lung Association's Fight for Air Climb in NYC on April 9, 2016.

By joining the Fight For Air Climb, they helped to make a positive impact in the lives of those affected by lung disease. Participants raise funds to support the mission of the American Lung Association while training to climb the stairs of a skyscraper, stadium, or other landmark building. This year's NYC challenge was One Penn Plaza.

HIGH SCHOOL SPORTS SUCCESS CELEBRATED

HIGH SCHOOL CELEBRATES EARTH DAY

To celebrate Earth Day, members from the Linden High School National Honor Society visited School #5 to present the program "Trees Into Cartons ,Cartons Into Trees" to the Second Grade Students. They learned all about Earth Day, the importance of trees and recycling. They then assisted the students with planting tree saplings in recycled milk cartons filled with soil and some water. Each 2nd grader was then able to take their tree home to plant.
