### **POLICE UNITY TOUR KICKS OFF MAY 9TH**

By: Edir Coronado

May 15th through the 21st marks National Police Week this year and the Long Hill Township PBA is participating in the annual Police Unity Tour, a bicycle ride that spans from New Jersey to Washington D.C.

Led by detective Matt Newschwander, he and his fellow officers; Aaron Buerstetta, Dolores LoPresti, and Melissa Sugalski, will embark on a journey of over 200 miles, to represent those officers who have fallen in the line of duty and honor their sacrifices.

The Police Unity Tour was founded in May of 1997 by Officer Patrick P. Montuore of the Florham Park Police Department. The bike tour began with 18 riders on a four-

day expedition to the National Law Enforcement Officers Memorial in Washington, D.C and has since expanded to nine chapters with over 1,900 members.

Long Hill Township community members have a chance to show their appreciation for the individuals that patrol their streets and keep them safe by logging on to policeunitytour.com and sponsoring either a team or individual officers.

Show your support May 9th, as officers depart from The Hanover Marriott, Whippany, NJ to Somerset, NJ; Somerset, NJ to Wilmington, DE, May 10th; to Annapolis, May 11th; and finally arriving in Washington D.C. May 12th.

### **ROBOWARRIORS IMPRESSIVE IN COMPETITION**

Submitted by Dave Schlingloff

The WHRHS Robotics Team, the RoboWarriors, in their three-team alliance, placed second in the FIRST Robotics Mid-Atlantic Mt. Olive Event on March 5th and 6th. Individually, the team finished 17th out of 39 teams representing local New Jersey and Pennsylvania area high schools.

FIRST, which stands for "For Inspiration and Recognition of Science and Technology," is a not-for-profit charity organization based in Manchester New Hampshire founded in 1989 to inspire young people's interest and participation in science and technology. The FIRST Robotics Competition (FRC) is one of several programs run by FIRST. FRC, dubbed a "varsity sport for the mind," combines the excitement of sport with the rigors of science and technology. Under strict rules, limited resources, and time limits, teams of 25 students or more are challenged to raise funds, design a team "brand," hone teamwork skills, and build and program a robot to perform prescribed tasks against a field of competitors. It is as close to "real world" engineering as a student can get. Professional mentors volunteer their time and

talents to guide each team.

The WHRHS Robotics Team 41, the RoboWarriors, had another outstanding performance on April 14th through the 16th at the Mid-Atlantic Regional Championship at Lehigh University, making it to the quarterfinal round. This excellent showing is a combination of their second place finish at the Mt. Olive District Event and first place at the Montgomery Event.

During the competition at Lehigh, Team 41 had a strong performance in their 12 qualifying matches with a very impressive 10 wins and 2 losses. Going into the playoff round, they were the 8th ranked team out of 60 at the competition. Being in the top 8 put them in a position to choose the other 2 teams that would form their 3team alliance. They were, however, chosen by a higher ranked team in the top 8 and decided to accept that team's offer to join them. Their alliance was defeated in the quarterfinals in 2 tough matches. The RoboWarriors did end the competition on a high note when they learned that their overall performance gave them a ranking of 16th. Photo Credit: Sharon Sheridan Hausman

### **LONG HILL FIRST RESPONDERS RECEIVE DONATION OF EQUIPMENT TO SAVE PETS' LIVES**

The Long Hill First Aid Squad has a new lifesaving tool, specially designed oxygen masks for pets. The masks were donated through Canine Saves. This project of the Canine Company is to provide masks to first responders in communities where the company's clients live.

Bob English, Captain of the Long Hill First Aid Squad, requested the masks after learning about the project. Each set of masks comes in three sizes to fit many pets, from small mammals like rabbits up through giant-breed dogs. They connect to the standard oxygen tanks that rescue teams carry.

"Over the years Long Hill Township has had a number of house fires where pets have been rescued. I hope we never have to use these canine oxygen masks, but I know we will," said Captain English.

So far this year, Canine Company has donated more than 40 sets of masks to 18 fire departments and first aid squads across New Jersey including those in neighboring towns like Bernardsville, Basking Ridge, Martinsville, North Plainfield, and Stirling.

"At Canine Company, we offer products and services to help pet parents keep their pets healthy, safe, and happy at home: we believe in community outreach that does the same," said Renee Coughlin, of Canine Company. "We hope to donate to first responders in other towns where our clients live."

The company provides at-home pet care products and services including the Invisible Fence(r) brand pet containment systems and Manners obedience training to pet parents across New Jersey, New York, and the New England

### WHRHS NEWS 2016 NATIONAL MERIT AND PRESIDENTIAL SCHOLARS

Six seniors named National Merit Finalists at Watchung Hills Regional High School; two students nominated as U.S. Presidential Scholars

Six seniors at Watchung Hills Regional High School (WHRHS) have been named National Merit Finalists. They are: Claire Yuxuan Chen, Emily K. Kim, Kunwoo Park, Eric Zhu and Henry Zhu, all of Warren Township, and Isis M. Zhang of Stirling.

In addition, two of the seniors have been nominated also as U.S. Presidential Scholars, Claire Yuxuan Chen and Isis M. Zhang.

#### **National Merit**

The National Merit Program named some 1,600 National Merit semifinalists across the country in September, and typically, about 90 percent of the semifinalists go on to be selected as finalists. All six semifinalists at WHRHS have now been named finalists.

The semifinalists qualified as a result of scores in the PSAT NMSQT (Preliminary Scholastic Aptitude Test National Merit Scholarship Qualifying Test), taken during the fall of junior year. In addition, other factors are considered, such as classroom work as verified by an official school transcript, and SAT (Scholastic Aptitude Test) scores.

The selection of some 7,400 National Merit Scholarship winners, will take place this spring. Scholarship offers will be mailed to winners at their home address and confidential notification will be sent to their principals.

#### **U.S. Presidential Scholars**

The U.S. Presidential Scholars Program, which was started by Executive Order of President Lyndon B. Johnson in 1964, to recognize some of the nation's most distinguished graduating seniors. It was expanded in 1979 by President
