CALLING ON VETS TO JOIN IN MEMORIAL DAY PARADE

Submitted by Councilwoman Deanna Andre

On Monday, May 30th, Mountainside will sponsor a Memorial Day Ceremony followed by a parade honoring those who have died in our nation's service.

The ceremony will take place at 11:30 am at the Veterans flagpole monument on Constitution Plaza (between the Fire House & Library). Upon conclusion of the ceremony, Veterans, Scouts, Rescue Squad, Fire Department, Police and community groups will parade toward Deerfield School. The parade will proceed from Constitution Plaza up to Bridle Path to Wood Valley Road to Central Ave. ending in Deerfield School parking lot. It is expected to end at 12:30 pm.

The Grand Marshall of Mountainside's parade will be William (Bill) Madden. Bill served in the U.S. Navy during WWII (1944-1946). Bill was a Signalman 3rd Class assigned to the USS Terry, a Naval Destroyer. Bill served in the South Pacific sailing from Pearl Harbor towards Japan in preparation for the invasion of Japan. As a Signalman, Bill had a 'bird's eye' view of the Japanese Instrument of Surrender ceremony aboard the USS Missouri that formalized the surrender of the Empire of Japan, marking the end of World War II. He was awarded WWII Victory Medal and the

Asiatic-Pacific Campaign Medal.

Bill is a 30+ year member of the Mountainside VFW Post 10136 and served as the Post Commander during his tenure. Bill has been a Springfield resident for 48 years. Bill is a widower and has two (2) daughters and one (1) son, five (5) grandchildren and five (5) great-grandchildren. Bill is an active member of Our Lady of Lourdes Church in Mountainside.

The Mountainside Memorial Day Parade Committee is comprised of individuals representing the VFW, Mayor and Borough Council, Boy Scouts, Cub Scouts, Girl Scouts, Fire Department and Rescue Squad and others. These groups came together to bring a fitting Memorial Day event to the town of Mountainside as an honor to our own brave citizens who have fought and sacrificed in wars so that we can enjoy the many freedoms that Mountainsiders enjoy. The Committee hopes that citizens come out in force to show their appreciation for our Veterans as we memorialize our heroes in this way.

For further information about the parade, please contact Deanna Andre at (908) 244-4111.

FARM STAND TO OPEN IN MOUNTAINSIDE

Mountainside residents might have noticed a new building going up on Mountain Avenue next door to Vine Republic. Husband and wife, and long-time Mountainside residents, Tom and Heather Murphy saw the potential in the land and to also fill a community need. When the opportunity presented itself to buy the lot, it had not been utilized for many years. "Coincidentally, when the land was used, it was used by a previous owner for personal farming," says Heather Murphy.

Heather (Prince) Murphy herself is from a farming family. Her parents, Micky and Donna Prince of Springfield, NJ, once owned Prince's Farm on S. Springfield Avenue. The Prince Family served the community of Springfield for four generations. From a young age until her late teens, Heather was always working at Mrs. Prince's Stand. The farm stand was started by her great-grandmother as a way to bring their farm-fresh produce directly to families in the local community. It is with that same community spirit that Prince's Farm Stand of Mountainside will now bring quality, freshly-grown, local produce closer to Mountainside residents and to other communities in the area. They are hoping to be opened in mid-June.

GOVERNOR LIVINGSTON ENVIRONMENTAL CLASS AWARDED \$2,000 SUSTAINABILITY GRANT

Sustainable Jersey announced that the Governor Livingston Environmental Class, taught by Lara Mendenhall, has been awarded a \$2,000 Sustainable Jersey for Schools capacity-building grant funded by the PSEG Foundation. Four \$10,000 grants and thirty \$2,000 grants were distributed to fund a variety of projects including food composting, outdoor classrooms, sustainability education, rainwater collection, recycling and more.

"The students, faculty, and administration at Governor Livingston High School are excited and honored to be chosen to receive a PSEG Sustainable Jersey for School Grant. This Grant will help fund GL students as they conduct action research and develop sustainability initiatives for the school that they have developed. Students have formulated ideas, designed research methodologies, and carried out independent investigations geared around the sustainability of our school and community. Thank you for your support in empowering our students to make real changes in how our school impacts the world in which we live and study." —Lara Mendenhall, Governor Livingston High School Science Teacher

"The grants create an opportunity for teachers, administrators and their respective communities to shape the future of their students and schools for years to come," said Donna Drewes, who co-directs Sustainable Jersey with Randall Solomon. She extended her congratulations to all of the schools and districts that received grants. "Grant funding will build capacity as schools embark on sustainability projects making today's real winners the students," Drewes said.

The PSEG Foundation has contributed over one million dollars in funding to the Sustainable Jersey Small Grants Program. "Our long standing partnership with Sustainable Jersey has helped to empower schools to develop projects that provide students with the opportunity to learn more about sustainability, protecting the environment and STEM education," said Ellen Lambert, president of the PSEG Foundation.

Proposals were evaluated by an independent Blue Ribbon Selection Committee. The Sustainable Jersey for Schools grants are intended to help school districts and schools make progress toward a sustainable future in general, and specifically toward Sustainable Jersey for Schools certification. Currently 161 districts and 427 schools have registered to work toward Sustainable Jersey for Schools certification.

BRAWLHOUSE'S WORLD CHAMPION COMPETES IN ABU DHABI WORLD PRO TOURNAMENT

Mountainside View • Page 5 • May 2016

ABOUT BRAWLHOUSE

Mountainside's own, Vitor "Shaolin" Ribeiro, in his latest match, defeated his opponent in an impressive two minutes and twenty-one seconds with an aggressive chokehold.

Ribeiro, a Brazilian Jiu-Jitsu practitioner and mixed martial artist who lives with his wife Janaina and three children; Henrique 9, Eduardo 6, and Vicky 5, began his journey in the early 1990's in Rio de Janeiro, Brazil. After losing a schoolyard fight at 14 years old, Ribeiro enrolled in the famous BJJ school Nova Uniao. His talent was noticed by the coaches right away, and within 3 years, Victor won his first World Championship and placed second in both the Pan Am Games and the Brazilian Nationals.

The nickname "Shaolin" arose when Ribeiro was training in his teens and would sit in the Lotus Flower position pretending to meditate like a Buddhist monk to lure his training partners.

He currently holds a professional MMA record of 20 wins and 5 losses. Ribeiro's list of accomplishments includes; former Brazilian Jiu Jitsu World Champion; a Black Belt earned at 18 years of age, a record breaking achievement at the time; four time CBJJ Mundials (Brazilian Jiu-Jitsu World Championship) winner, once as a purple belt in 1996, and three consecutive times as a black belt (1999, 2000, and 2001); competed in the ADCC World Championship, one of the most prestigious no GI grappling competitions in the world in 2000 and 2003.

Ribeiro considered one of the best lightweights in MMA history, fought in several organizations all over the world, including Shooto Japan, Shooto Hawaii, Rumble on the

Rock (Hawaii), Cage Rage (England), and K-1 HERO'S (Japan). He has held the Shooto welterweight (154 lb.) title, as well as the Cage Rage World lightweight championship. Recently FIGHT magazine named Ribeiro as one of the competitors they'd like to see on the Brazilian team, if MMA makes it into the Olympic games. His reputation as a world class competitor is outshined by his reputation as a coach. He represents a lifetime of effort and commitment toward the sport of Jiu-jitsu.

TOUR OF MOUNTAINSIDE'S GARDEN TO BENEFIT HISTORICAL SOCIETY

Saturday, June 11th is the date for the Mountainside Restoration Committee's "Tour of Mountainside's Gardens." A rain date of June 12th is planned. The Committee has lined up 6 unique private home gardens, which will be decked out in late-Spring splendor. The tour runs from 10 a.m. to 4 p.m. with a special Garden Tour lunch planned at Mountainside's Public House restaurant, which will open only for tour guests from 12-4 p.m. Garden fans can start touring in the morning and lunch afterward, or lunch first and tour gardens in the afternoon.

One of the meticulously manicured gardens located in the Orchard section of Mountainside reflects a true love of gardening in the hands-on gardener homeowners. As a member of the Rake & Hoe Garden Club, this homeowner takes great pride in her backyard garden, which will feature an "Afternoon Tea" theme. Visitors will be delighted at the hard work and dedication put into all these gardens over the years.

Other homes on the tour are uniquely themed and will feature a garden wedding theme, Fortunoff's patio furniture display, a hidden pool

garden, a backyard vegetable garden, a professional gardener's garden, raffle, photo display, and refreshments.

Advance tickets for Mountainside's Garden Tour are \$45 for Tour and Lunch or \$30 for Tour only and can be purchased online at mountainsidehistory.org or at Christ offers Flower & Gift Shop located at 860 Mountain Avenue in Mountainside. Limited tickets will also be sold on the day of the tour at each Garden Tour location for \$35 for tour and \$15 for lunch.

Proceeds from the tour and lunch will be used by the Mountainside Restoration Committee for restoration and maintenance of the historic Hetfield and Levi Cory houses. The Mountainside Restoration Committee (aka, Mountainside Historic Committee) is a 501(c)(3) registered not-for-profit committee of volunteers governed by the Borough of Mountainside whose purpose is to restore and maintain the Deacon Andrew Hetfield House and Levi Cory House and collect and save historic information and items from destruction. "Gardens in the Spring". Celebrating the liveliness of the Spring season, acclaimed international concert violinist, David Podles, will return to the Library to showcase composers who pay homage to this romantic, playful and exciting time of the year. Travel with him through the gardens of blooming flowers, listening to the lilt of the lark and perhaps the buzzing of the bumblebee! Allow Mr. Podles to evoke the veritable rapture that Spring creates in all of us! This program covers folk, classical and jazz genres.

DEERFIELD NATURE SCAVENGER HUNT AND COMMUNITY CLEAN UP

In celebration of Earth Day, the fifth graders in Miss Whitacre's and Mrs. Kinney's science classes at Deerfield School took part in a nature scavenger hunt and community clean up activity. For the scavenger hunt, students searched for several items in nature including something red, something

with holes in it, and something soft. In addition, students (wearing gloves) collected any garbage that they came across. The students collected more than four bags of garbage on the property of Deerfield School!

LEAD TESTING CONDUCTED DEEMS WATER SAFE TO DRINK

In light of recent concerns about elevated levels of lead in drinking water in New Jersey and across the nation, the Mountainside School District obtained the services of RAMM Environmental Services, Inc. to test the water in both schools in the district. The assessment was done on March 24, 2016. RAMM determined that the drinking water in the school district is safe and poses no health hazard to building

occupants.

Water quality sampling functions were performed by RAMM at both the Deerfield and Beechwood Schools to determine the quality of drinking water for lead content. According to the United States Environmental Protection Agency (USEPA) Guidelines and the New Jersey Department of Environmental Protection (NJDEP) the threshold for safe drinking water is

15 ppb (parts per billion) or less.

At Beechwood School lead in drinking water measurements were collected in three different locations in the building. At Deerfield School measurements were collected in eleven different locations. All samples had less than 3.0 ppb except one at Deerfield which measured 3.9 ppb. All measurements were far below the guideline of 15ppb. These results substantiate that the drinking water is safe in the Mountainside School District.
