## NEW PROVIDENCE MOM NAMED NJ MOTHER OF THE YEAR

Lisa Beck Ure was chosen to represent the state of New Jersey as Mother of the Year by American Mothers, Inc.

American Mothers, Inc. was founded in 1935 and is committed to valuing mothers through service and education. As the official sponsor of Mother's Day and the Mother of the Year®, American Mothers is the voice of 85 million mothers in America. Honoring the mission of the organization's founders Eleanor Roosevelt, Sara Delano Roosevelt, Mamie Eisenhower, JC Penney, and Norman Vincent Peale, American Mothers is dedicated to improving the lives of mothers and children in the US and around the world.

Lisa Beck Ure is currently a full-time mom. She was born and raised in Salt Lake City, Utah. While earning a bachelor's degree in elementary education from Brigham Young University she met her husband John.

The family first lived in Boston, MA. When John accepted a job in New Jersey in 2007, the couple could have chosen anywhere in the state to live. They chose New Providence and have lived here for 9 years since. Lisa recalls "It was so clear that New Providence is a wonderful place to raise a family. Every one we met was kind and welcoming to new people." They lived in their first New Providence home for 5 years while raising 3 children, and decided to buy a larger home in town as their family grew to include 7 children - Kate, Emma, Sarah, Jane, Madeline, Ella and Johnny.

Lisa is one of five children, her mother emigrated from Germany at age 8; her father was born and raised on a farm in Oregon. Lisa has extensive international experience. She served a full-time mission to the island of Kosrae (Micronesian Islands) where she taught family values and provided service for 18 months. She also participated in a study abroad program in Jerusalem, and a humanitarian aid mission to Kenya.

In April Lisa traveled to Washington, DC to accept her award. During her acceptance speech Lisa stated "I am humbled to be here representing the women of New Jersey and to be

among you devoted mothers."

The theme for the event was "Recognizing our strengths – serving others." During her acceptance speech Lisa stated, "What a beautifully fitting topic for this gathering. Isn't service what motherhood is all about? To set aside all consideration of personal gain and reach out with all of our strength, energy and all the love our hearts have to offer as we raise our precious children. I know the greatest service we render is within our own homes. Oh how each home desperately needs the nurturing touch of a mother, her encouraging words, her strength, her inspiration and the abundant love a mother has to offer."

Her speech focused on recognizing our strengths and serving others. She shared three ways we can teach our children about service: Show: May we show our children that some of our finest work comes through service to others; Teach: It is our sacred duty to teach our children to serve; and Create: Create and cultivate opportunities to serve as families.

## YE'S - NEW RESTAURANT OPENS IN WARREN

A new restaurant in Warren is reaching out to its neighbors in Green Brook to announce their opening. Ye's Asian Bistro opened its doors in February 2016. Owners, Kevin and Yan Dong offer a unique mix of Vietnamese and Chinese Cuisine for lunch and supper. Ye's is located at 41 Mountain Boulevard, Warren, NJ.

Balancing out the Vietnamese portion of the restaurant are several dishes from other traditions, like appetizers Peking Duck Steam Buns, Indian Pancake with Chicken Curry Dipping, and Hawaii Shrimp Rolls. There are also many spicy dishes like their Rock Shrimp Singapore Vermicelli and Mandarin Fish.

Ye's drink specials are a popular attraction. Their assortments of Bubble Teas are satisfying by themselves, but Yan explains it is common to drink them with a meal. They also offer a variety of Smoothies, fresh juices, flavored teas and coffee.

Prior to opening in Warren, Kevin owned and operated Arbor Asian Bistro in the SoHo Section of Manhattan for six years. They were living in Brooklyn at the time. They saw a listing for the vacant space and after visiting the location made plans to relocate. They were impressed by not

only the restaurant space but by the town itself. Kevin and Yan now live in Warren and look forward to becoming part of the community. They have two children, three and ten years old.

## NEW PROVIDENCE FIRE DEPARTMENT ASSIST TIGER SCOUTS WITH THEIR SAFETY BADGE

### COMMUNITY SERVICE ASSOCIATION 3RD ANNUAL PASTA DINNER

The Community Service Association of New Providence (CSA) held its 3rd Annual Pasta Dinner on April 3, at the DeCorso Community Center. Hundreds of guests came out to support the CSA, enjoying pasta and meatballs prepared and served by the New Providence Lions.

A highlight of the event was the big basket raffle, with more than 80 baskets up for grabs. With everything from toys to a digital camera to tablets to Giants tickets, there was something for everyone.

Investors Bank was a Platinum sponsor for the Pasta Dinner; Creative Wallcoverings & Interiors, DataOnline, and Prestige Diner were Gold sponsors. The annual Pasta Dinner is the CSA's main fundraising event of the year.

The Community Service Association of New Providence is a 501(c)(3) nonprofit organization that assists New Providence residents with financial needs, while respecting the dignity and anonymity of the assisted individuals and families. This could mean helping a family with medical bills, paying utility bills or rent, clothing assistance, transportation, and more. The CSA was established in 1954 and is believed by longtime members to be the first organization of its kind in the country. New Providence residents who would like to get involved are welcome to the CSA meetings on the second Wednesday of each month.

New Providence Fire Department hosted five future volunteers in their firehouse on Saturday, April 9. Fire Captain John Signorello, Fire Captain Vincent Wycko and Fire Captain Robert Mercado provided a full tour and fire safety tips to the Tiger Scouts from Den 15, Pack 263. The Tiger Scouts are working on their elective badge Safe and Smart. Captain Signorello allowed the boys to hold an oxygen tank on their back, sit inside the fire truck and work with a heat sensor. He also reviewed fire tips such as stop, drop

and roll and what to do in a fire emergency. The New Providence Fire Department keeps our community safe and is comprised of all volunteers. The New Providence Fire Department will consider volunteers as young as 16 years old giving them light duties around the firehouse. This is a great opportunity for a young individual looking to serve their community and expand their resume. Anyone who wants to volunteer can contact the NPFd directly via the website: <http://newprovfd.org/>.

## BEARING GRIEF- GRIEF SUPPORT WORKSHOPS

Have you lost someone dear and cannot seem to find your bearings? The Presbyterian Church at New Providence is offering a free six-week support group designed to provide insight and support during the grieving process. The Bearing Grief group will begin its workshops on Tuesday, May 17 through June 21 from 7pm to 9 pm.

# Do you suffer from Knee Pain?

## ADULT STEM CELL THERAPY *may be the answer.*

Breakthrough treatment  
uses your own stem cells  
to heal you Naturally!

### What is Adult Stem Cell Therapy?

Performance Rehabilitation & Integrated Medicine is a pioneer in the field of Adult Stem Cell Therapy. This emerging field of medicine uses a simple, in-office, medical procedure to obtain your own stem cells (not the controversial embryonic cells) and Platelet Rich Plasma (PRP) to rejuvenate and repair painful damaged joints, cartilage, tendons and ligaments. Adult Stem Cell / PRP Therapy is a proven, safe, non-surgical treatment for pain that can return you back to an active lifestyle again, NATURALLY!!

### You may be a candidate if:

- Your knee is "bone on bone" and you are considering knee replacement surgery.
- You have a meniscus tear.
- You have been diagnosed with arthritis.
- You have tried joint injections and/or physical therapy and still have pain.
- You have had surgery and still have pain.

### What makes Performance Rehabilitation & Integrated Medicine's approach so different?

Since 2011, Dr. Joseph Mejia of PR&IM has pioneered the use of adult stem cell therapy for the treatment of arthritis and many other orthopedic conditions. We were the first clinic in New Jersey to combine Adult Stem Cell Therapy, Platelet Rich Plasma Therapy (PRP) and Rehabilitation for the comprehensive treatment of joint pain.

### Adult Stem Cell / PRP Therapy is proven to:

- Aid in the Repair of Knee Cartilage and Meniscus
- Be Simpler Than Surgery
- Require No Lengthy Recovery
- Provide Effective Pain Relief

\*The Journal of Arthroscopic Surgery & Related Surgery, January 2016

**YES** - major insurances including Medicare will pay for most, if not all of PR&IM's services.

Here is an example of what our patients have to say ...

I had suffered with chronic pain for 15 months that kept me from enjoying my normal activities. I'd seen numerous physicians and none of them were able to alleviate the pain.

The Adult Stem Cell Therapy treatments at Performance Rehabilitation & Integrated Medicine changed all of that. I am finally able to return to doing the things that I love: boxing, working out, skiing, spending time with my son and just being active.

I am very happy with the quality of care that I received at PR&IM and with the positive results that I have achieved. - David E. Cassidy, Esq., Bridgewater, NJ

## INAUGURAL INSTALLATION OF THREE PUBLIC SCULPTURES

NP Public Art is thrilled to announce its inaugural installation of three public sculptures in New Providence, NJ. "Cycles of Joy" by Bob Hill is installed on the grounds of New Providence Memorial Public Library and two works by Tom Homes, "Cradle of Civilization" and "Spinning Fall" are installed in Centennial Park and at the corner of South Street and Central Avenue, respectively.

The NP Public Art committee was formed in November of 2015 and has been busy raising funds these past months. It is through the numerous contributions by residents that this inaugural installation is made possible. Two of the sculptures have been sponsored by Jim and Theresa Turner of New Providence. The committee is deeply grateful to the Turners for their generous contribution.

A great deal of effort has been put into choosing suitable works for public display and NPPA is pleased to have secured these three

wonderful sculptures by the two artists for a duration. Tom Holmes' sculptures will be on loan to New Providence for a period of two years. Bob Hill's "Cycles of Joy" will be on view for one year followed by another work by him for an additional year.

NP Public Art is grateful to have the support of the Borough of New Providence and its Department of Public Works and is indebted to the Downtown Improvement District for providing it with non-profit status. NPPA is also grateful to Murray Hill Inn for their support of the program and for allowing installation of work on their property.

Support of this program through private donations is essential to its continuation. All contributions to NP Public Art are tax deductible. For more information please contact NPPA Chair, Marjan Nirou Saniee via email [nppublicart@gmail.com](mailto:nppublicart@gmail.com) For updates on activities please follow NP Public Art on Facebook.

# HELP THE POLICE DEPARTMENT SOLVE CRIMES REGISTER YOUR SURVEILLANCE CAMERAS

Submitted by New Providence Police and New Providence Office of Emergency Management

We are committed to utilizing every resource to prevent and solve crimes and to protect citizens and their property. With many residents and businesses utilizing surveillance cameras, they may capture information that may help the police department solve crimes.

We are asking residents and businesses to voluntarily register their surveillance camera systems with us. By registering your camera system with the Police Department, officers and detectives will be able to identify what cameras may have captured criminal activity. You would

only be contacted by the Police Department if there is an incident within the vicinity of your camera system that may assist in the investigation.

# 5K RUN/1M WALK CASA RACES TO REACH FOSTER YOUTH

Lace up your sneakers, Cranford folks, and step up to change the life of an abused, neglected or abandoned union County child placed in foster care. It's easier than you think! On Saturday, May 14, 2016, CASA of union County will host its second annual Foster the Dream 5k Run and 1 Mile Walk right here at Oak Ridge Park to raise awareness of the need for community volunteers to serve as Court Appointed Special Advocates, and to raise funds to expand recruitment and training efforts.

Life in foster care — and the circumstances that led to it — is no walk in the park, but your walk or run in the park can change that! CASA of union County currently serves 155 of the 600 youth in care; your participation brings waiting foster youth closer to having a CASA volunteer of their own. Appointed by family judges, trained CASA volunteers serve foster youth by advocating in court and the community to ensure needs are being met and best interests are a priority. The judicial appointment means

advocates are authorized to speak with the youth's attorney, teachers, doctors, therapist, foster parents, caseworker and more, and then report findings to the judge.

The race course is uSATF-certified and awards are given to the first-place male and female finisher, as well as runners in age brackets.. The morning includes raffle prizes for the winning — tickets are \$5 — and such postrace sustenance as fruit, bagels and water aplenty.

Check-in and packet pick-up begins 7:30 am race day; the 1 mile walk begins at 9 am and the 5k run at 9:30 am. High-quality performance race shirts are guaranteed to all paid registrants through April 20. Registration is \$25 for the run and \$20 for the walk; \$5 more after April 15. Children under 10 are free.

Register at [www.fosterthedream.org](http://www.fosterthedream.org), taking the first steps toward changing the life of an abused, neglected or abandoned child. Contact Jen Mutch, race chair and CASA board member, at (917) 453-5415 or [jcdowntown@hotmail.com](mailto:jcdowntown@hotmail.com).

## TECHNOLOGY HAS GIVEN US THE ABILITY TO FIND OUT WHY YOU ARE STORING FAT AND HOW TO GET RID OF IT!

A "one-size-fits-all" weight loss program will only take you so far (and after many months of hunger and a boatload of cash).

**Targeting your specific hormone makeup** is the key to fast and effective weight loss. Our NRF Technology essentially takes your hormonal fingerprint to determine the exact ingredients you need to bring your body into an optimal state of fat burning. And beyond the initial weight loss, restoring balance with the system actually resets your metabolism and weight set point so that you **keep the weight off** after you lose it.
