CLARK VOLUNTEER EMERGENCY SQUAD

The Clark Volunteer Emergency Squad was formed on December 7, 1941 and is preparing to celebrate its 75th anniversary. The organization was founded to provide emergency medical services to the residents of Clark and the surrounding communities. In addition to providing EMS coverage, the organization participates in community outreach and promotes proactive habits such as regular exercise and healthy diets to prevent medical emergencies. Recent activities in support of EMS Week 2016 included an open house, first aid demonstrations, CPR training, blood pressure screenings and vials of life information (program that allows individuals to have their complete medical information ready in their home for emergency personnel to reference during an emergency).

The organization regularly provides standby coverage at community events such as the July 4th Fireworks display, high school football games, 5k runs, UNICO Italian American Feast and others. The membership is made up of different categories (e.g. active riding, cadets, drivers, honorary) to address the overall needs of the organization and to provide the best service to the community. Riding members receive continuing education to maintain certifications and stay current with EMS practices.

A great way to help the organization and the community is to become a volunteer. Individuals can submit an application on our website at www.clarkems.org. For those who are unable to volunteer as a riding member, additional areas of support are also available.

The organization's primary source of funding is donations from the community with support also provided by the Township. Donations are used to fund all aspects of the squad's operations including, but not limited to, the purchase of medical supplies, purchase and upkeep of ambulances, uniforms, training, building utilities and insurance. The squad's annual fund drive was recently mailed to all residents and businesses in Clark. We encourage all to donate to help the organization maintain its history of providing high-quality emergency medical services to the community.

The Clark Volunteer Emergency Squad is a registered New Jersey Charity (reg. No. CH1606700). In the memo section of your check write "public purposes" to qualify your donation as 100% tax-deductible under the 501(c)(3) status of our organization.

Donations can be mailed to Clark EMS, 875 Raritan Road, Clark, New Jersey, 07066. Any questions please call our non-emergency number (732)-388-0001.

We thank you for your support.

Sincerely,

Men and Women of the Clark Volunteer Emergency Squad

In April students from Arthur L. Johnson High School competed at a regional academic competition organized by The New Jersey Science League. Students compete by taking tests in subject areas that reflect their current course enrollment this school year. Students participate as part of a team where the performance of all of the test takers from a school is used to calculate a team score.

For the first time in school history, Arthur L. Johnson took first place in every subject in which it had teams participating. Those subjects are and the students who competed therein are:

- Environmental Science:
Saga Elsehely, Emma Knutson, Maryann Majosiej, and Gregory Zukowski
- Biology I:
Andrew Lakkis, Kayla Kowalenko,

- and Robert Prussack
 - Chemistry I:
Brandon Kennedy, Kelsey Marques, David Piskaldo, and Brooke Vaccaro
 - Chemistry II:
Zachary Chieco, Nicholas Makosiej, Stephanie Patriarcs, and Georgia Stavarkis
 - Physics I:
Jen Casalino, Hart Tecson, and Eric Velasquez
 - Physics II:
Andrew Kamichoff, Konrad Kosiek, and Stefani Scalia
- Arthur L. Johnson, along with the remainder of the Clark Public Schools and Clark Community, is incredibly proud of the outstanding academic achievements of these students.

PRESCHOOLERS HONOR THEIR SPECIAL PERSON

Each year we acknowledge those special people in our lives on Mother's Day and Father's Day. Celebrating and honoring our families serves as an important learning experience and opportunity to acknowledge and appreciate the many caring adults who are in our lives. To honor the special people in our lives, the Clark Preschool children invited "one special person" for tea. Mothers, fathers, grandparents, aunts and uncles joined their preschooler for morning refreshments. The children crafted cards and presented them to their special person. Enclosed in the card was a tea bag with the sentiment, "a cup of tea to say thank you for all the things you've done and wishes that today will bring you happiness and fun."

It was a happy day and the special guests were overflowed with emotion. It was a time for the children to let the special person in their life that they are loved and always appreciated.

CARL H. KUMPF MIDDLE SCHOOL CAREER DAY

The sixth grade team at Carl H. Kumpf Middle School hosted a Career Day on May 17th. The objective of the program was to introduce students to a variety of career opportunities. Sixteen parents and community members volunteered to speak about their professions. The presenters, including a doctor, veterinarian, reporter, fashion designer, and aircraft rescue firefighter among many others, made the day a tremendous success. The volunteers addressed such topics as how they entered the profession and the education required.

"It's great to see the middle school working with the students to get them thinking about their careers. The event was a great success and a credit to the sixth grade team of teachers and

administrators. It was easy to see that the kids were engaged and enthusiastic and I think they got a sense of the wealth of opportunities that will be available for them. It is never too early to talk to our kids about their career paths," stated Mr. Cistaro, sixth grade parent and presenter.

Students attended six 20-minute sessions based on their top three choices. Many of the speakers brought in hands-on activities making it an interactive learning environment. Additionally, as part of each session, students were given an opportunity to have some of their questions answered. The day culminated in a resume writing activity in which students applied what they learned throughout the day.

Ms. Casale-Broski, sixth grade team leader,

stated, "It was exciting to see the students conducting experiments with our chemist and learning what a day in the life of a police officer was like, among other things. The Career Day was both interesting and inspiring. As teachers, we always try to bring our students new and exciting ways to learn. This Career Day was the physical representation of that mission."

Mr. Rodriguez, sixth grade teacher, also commented, "This was a great day for our sixth grade students. It really encouraged them to think about their goals for the future. It was also important for them to see how what they learn in the classroom extends into the real world. The sixth grade team was glad to be able to bring such a valuable learning experience to our students."

HEHNLY SCHOOL'S BREAKFAST BUNCH STARTS THE DAY LEARNING

Hehnly School's Breakfast Bunch met recently to hear Hehnly parent, Mrs. Cardoso, a pharmacist, discuss various aspects in the pharmaceutical industry. The discussion was mainly focused on pediatric pharmacy and included several interactive components, one of which where students were able to replicate "drawing up medicine doses." In addition, the Breakfast Bunch participants also created capsules using powdered sugar, to gain an understanding of how a pharmacist creates prescription medicine.

Mrs. Cardoso also discussed the importance of paying attention to the directions on usage for both prescription and over the counter medicines. The learning continued when students compared and contrasted many types of medicines and candies, noticing how similar many medicines look to the sugary treats. Each member of the Breakfast Bunch received a poster to display in their homes with the Poison Control number on it.

"We were so happy Mrs. Cardoso came in to discuss with our students this important topic," explained Cindy Tarello, Teacher for Literacy Enrichment and Gifted and Talented. "Mrs.

Cardoso is a pharmacist with Pharma-Care and we are so fortunate that she is part of the Hehnly Community."

The Breakfast Bunch meets monthly prior to the beginning of school. Each meeting is focused on a topic that engages students in learning and helps to expand their knowledge base.

NATALIE MCBRIDE WINS UNION COUNTY POETRY CONTEST

(above) Natalie McBride, a sixth grader, at Carl H. Kumpf Middle School won third place in the 2016 Union County Arbor Day Poetry Contest. Her poem “Trees” was written in honor of Arbor Day to show the importance of trees and explain the crucial role they play in our environment. She was honored at an awards ceremony where her poem was featured. Ms. Casale, Natalie’s teacher, stated, “Natalie’s poem was very well-written. It not only captured the beauty of trees, but it also explained their importance to us. Our school is extremely proud of her achievement.”
