MOUNTAINSIDE RESCUE SQUAD OPEN HOUSE CELEBRATION

By: Edir Coronado

The Mountainside Rescue Squad held their annual EMS Week Open House event on May 21st. The open house allows community members to meet the men and women who volunteer their time to serve Mountainside residents and the surrounding towns. This year the open house event celebrated two of their member's scholarly achievement. Eric Pastore and Lucy Fromtling both graduated college this year.

Eric Pastore, who is also Chief of the Mountainside Rescue Squad, graduated from Rutgers University in Newark, earning his Bachelor's degree in psychology. Pastore is not only Chief at the Mountainside Rescue Squad, but is also a paid EMT at other organizations. At the moment he expressed "I am undecided on what I want to do in the future," but he plans to continue to volunteer his time with the Rescue Squad.

Lucy Fromtling recently graduated from Rutgers's Biomedical and Health Sciences with a Master's of Science Physicians Assistance Studies. Fromtling has been an EMT for 6 years and has used the valuable experience she gained with the Rescue Squad as a stepping stone to her ultimate goal, Physician's assistant. Fromtling said, "I love the squad" and while she was attending Rutgers University she still volunteered her time, even though they warned her that course load would take up most of her time.

Mountainside Rescue Squad is made up entirely of volunteers and is funded only by

donations and grants. Volunteers like Marty Roden, Senior EMT, who enjoys the work the squad does. He expressed "you see people on their worse days and it feels good to help them out." He admits that "it can be a stressful job," but he finds solace that he is working with members that are like family.

If you would like more information about the Squad please visit www.ems22.com, or call the non-emergency telephone: 908-233-6338.

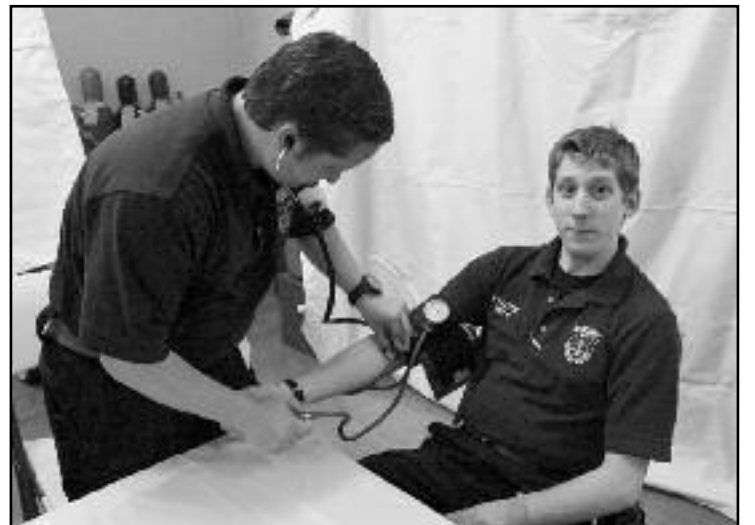

Tax deductible donations can be mailed to: Mountainside Rescue Squad, 1399 Route 22 East, Mountainside, NJ 07092.

DAYS OF REALIZATION

The students of Governor Livingston High School recently participated in the "Days of Realization" program. Every 15 minutes, someone in the United States dies as the result of an alcohol related traffic collision. Due to this startling fact, several TREND students at GLHS organized this two-day program.

On the first day, students were taken from their classrooms and an announcement was made over the loudspeaker announcing their death. Their faces were painted white and they were returned to class; however, they were not allowed to speak for the remainder of the day. After school, the 26 students and three staff members who suffered this fate were taken to an undisclosed location for the night. Here, they participated in activities and heard from a guest speaker, who tragically killed her friend as a result of an alcohol-related accident.

During their time away, students and staff members were asked to write letters to their loved ones, saying what they would not have gotten to say if this were in fact a real situation. The next day, in an assembly program for the junior and senior students, specific members of this group

shared their letters with the student body. In addition, Maria Esteves of the Union County Prosecutor's Office shared the heartbreaking story of losing her 9-year old daughter due to the actions of a drunk driver.

The program was a simulation of the impact that traffic fatalities have on a community of people. We hope that this program will help students realize the true risks of reckless behavior and understand the dangers of driving under the influence.

This program was driven by GLHS students with assistance and guidance provided by Mr. Robert Segear, Berkeley Heights Student Assistance Counselor. Also assisting and providing leadership were School Resource Officers, Officer Edward Gaffney of the Berkeley Heights Police Department and Detective Shaun Bendik of the Mountainside Police Department. The program was completely supported through numerous donations by the generous people and businesses of Berkeley Heights and Mountainside, as well as by the Berkeley Heights and Mountainside Municipal Alliances.

SELECT CHOIR PERFORMS AT CITIFIELD

On Friday, April 29th, the Deerfield Select Chorus, from the Mountainside School District, performed the National Anthem at a NY Mets game under the direction of Deerfield music teacher, Jared Rosenblum. This is the third year that the chorus has performed at CitiField. The staff from the Mets commented that they were "blown away" by the sound of the chorus and couldn't believe that such young students could produce such a beautiful sound. The crowd at the game cheered loudly when the anthem was over.

The students were very excited about performing at the game. It is such a unique opportunity to sing in front of thousands of screaming fans. This is only one of the many performance opportunities that the Deerfield Select Choir provides the students. A few of the members of the select choir also performed for

the General Assembly at the United Nations earlier this year. This was a once in a lifetime opportunity. The children sang an original song that was written for them called, We All See The Stars. Other performance venues included Madison Square Garden and Radio City Music Hall.

Students in grades 5-8 are eligible to audition for Select Choir. To audition, students sing 30 measures of a song of their choice, and are tested on their ability to match pitch.

Many of the students in Select Choir are in 5th grade and look forward to continuing in the program as well as the school musical. Many of the 8th grade students would like to continue performing in high school and would like to go on to a professional career in music and acting.

TOUR OF MOUNTAINSIDE'S GARDEN TO BENEFIT HISTORICAL SOCIETY

Saturday, June 11th is the date for the Mountainside Restoration Committee's "Tour of Mountainside's Gardens." A rain date of June 12th is planned. The Committee has lined up 6 unique private home gardens, which will be decked out in late-Spring splendor.

The tour runs from 10 a.m. to 4 p.m. with a special Garden Tour lunch planned at Mountainside's Public House restaurant, which will open only for tour guests from 12-4 p.m. Garden fans can start touring in the morning and lunch afterward, or lunch first and tour gardens in the afternoon.

One of the meticulously manicured gardens located in the Orchard section of Mountainside reflects a true love of gardening in the hands-on gardener homeowners. As a member of the Rake & Hoe Garden Club, this homeowner takes great pride in her backyard garden, which will feature an "Afternoon Tea" theme. Visitors will be delighted at the hard work and dedication put into all these gardens over the years.

Other homes on the tour are uniquely themed and will feature a garden wedding theme, Fortunoff's patio furniture display, a hidden pool

garden, a backyard vegetable garden, a professional gardener's garden, raffle, photo display, and refreshments.

Advance tickets for Mountainside's Garden Tour are \$45 for Tour and Lunch or \$30 for Tour only and can be purchased online at mountainsidehistory.org or at Christ offers Flower & Gift Shop located at 860 Mountain Avenue in Mountainside. Limited tickets will also be sold on the day of the tour at each Garden Tour location for \$35 for tour and \$15 for lunch.

Proceeds from the tour and lunch will be used by the Mountainside Restoration Committee for restoration and maintenance of the historic Hetfield and Levi Cory houses.

The Mountainside Restoration Committee (aka, Mountainside Historic Committee) is a 501(c)(3) registered not-for-profit committee of volunteers governed by the Borough of Mountainside whose purpose is to restore and maintain the Deacon Andrew Hetfield House and Levi Cory House and collect and save historic information and items from destruction.

3 MOUNT SAINT MARY ACADEMY STUDENTS PUBLISHED IN CREATIVE WRITING ANTHOLOGY

Ms. Duffy Dillinger, an art teacher at Mount Saint Mary Academy in Watchung, announced that three students have submitted winning artwork which has been published in the Creative Writing Anthology, a component of the Somerset County Teen Arts Festival program. The artwork was created by Stephanie Fish of Morristown (senior), Therese Ruane of Mountainside (sophomore), and Silvana Truppi of Annandale

(junior). "Several students submitted artwork for the anthology," said Ms. Dillinger. "I appreciate that they all have passion for what they do and were willing to create work outside of class, in their spare time. Silvana's, Therese's and Stephanie's drawings appealed to the editors of the Anthology. It is a lovely, bound book and I am proud to see their art within it!" Pictured above: Ms. Dillinger and Silvana Truppi.

THERESE RUANE OF MOUNTAINSIDE HAS HER SIGHTS SET ON ANIMATION

It wasn't until high school that Therese Ruane started to realize that the passion she had for animation was more than just a childhood hobby.

Most recently, Therese's artwork has been published in the 2016 Creative Writing

Anthology, which is part of the Somerset County Teen Arts Festival, and her mixed media piece, "Allure," captured a gold medal at the Somerset County Teen Arts Exhibition on May 11th. Her artwork will be displayed at the county's gallery in Somerville this summer.

A sophomore at Mount Saint Mary Academy (MSMA) in Watchung, Therese said, "Since I was a little kid, I copied my favorite cartoons like Pokémon and Ed Edd n Eddy. When I was good enough to draw them freehand, I started to realize that I wanted to become a cartoonist."

Research, practice, video games, and learning from her peers who were also talented in art helped fuel Therese's interest in animation. MSMA art department chairperson Donna M. Abrams and art teacher Duffy Dillinger also provided inspiration for the Mountainside resident.

"My father bought me my first Wacom tablet when I was in the eighth grade which was the first time I was able to digitally draw," she explained.

"My parents, who are totally supportive, always asked me (when I told them that I wanted to be an artist), 'What can we do to help you

accomplish that dream?'" shared Therese.

After watching the Cartoon Network, Nicktoons, and Disney channels, Therese began to develop her own style of animation which she describes as both realistic and cartoony. She broadened her horizons and created outside of her comfort zone when she learned Photoshop skills that went beyond simply adjusting photographs. This year, she also came to appreciate drawing and mixed media, sketching faces and anatomy.

"I'm being taught to take what you see around me and to create what I want; to put my own style into it," said Therese.

"I found Therese to be skillful and creative as a Graphic Art I student," said Mrs. Abrams. "Her motivation led her to co-found and develop mini projects for this year's Graphic Art Club."

It isn't uncommon to find Therese and her brother, Matthew, a student at The Academy for Information Technology in Scotch Plains, collaborating excitedly every day on the cartoon they hope to pitch to the Cartoon Network. Their sister, Mary, a junior at MSMA, always offers constructive advice to the duo as they create their masterpieces.

"We are always developing characters and writing scripts. We have about 30 characters so far," she said.

When she graduates from MSMA, Therese hopes to attend one of the top design schools such as the California Institute of the Arts, the School of Visual Arts in New York City, or Savannah College of Art and Design.

Therese is the daughter of Mr. Kevin Ruane and Mrs. Lisa Ruane.

CAP CADET PROGRAM IS OPEN TO STUDENTS

On May 14, 2016, teenagers from ages 12 to 18 participated in the Joint Base McGuire-Dix-Lakehurst Open House Air Show as part of the Civil Air Patrol Cadet Program for middle school and high school students.

CAP members provided STEM demonstrations, aircraft static displays, event program sales, and some had the honor of escorting distinguished visitors to the Center Stage. In addition, CAP members provided flight orientation training on computer

simulators to young visitors that stopped by the CAP booth.

Children also had the chance to pose in the CAP F-16 model. During this event, CAP members answered many questions from the public about the CAP youth program in areas such as Science, Technology, Engineering, and Math activities (STEM), Cyber Security activities, Robotics competitions, the Orientation Flight program, basic customs, courtesies, drills, and much more.

The Civil Air Patrol Capt. "Bud" Jackson Squadron is open to the youth of Union County (west area) and Morris County (south east area). Cadets meet every Tuesday from 7:00PM to 9:00PM at the Chatham High School in room L10. The CAP cadet program is open to students from ages 12 to 18 years old.

For more information about the Civil Air Patrol Cadet Program, please contact Mary Romany at 732-424-6484
