ISLAMIC CENTER OF UC OPEN HOUSE CELEBRATION

The Islamic Center of Union County (ICUC) located on Morris Avenue in Union, invited the community to an open house held on May 1, 2016. The theme of the event was “A bridge to meet and greet your Muslim neighbors”. The event was a resounding success with many public officials in attendance as well as Union Township service members who came out to support co-workers being honored for their service.

Community service members who were honored included Ashley Lupo, Union EMS; Vincent Amato, Union Fire Department; Anthony Cavello, Union Police Department; and Nancy Zuen, Union Board of Education.

After an opening prayer recited from the Quran, Imam Said El Qasabi stated “This center is a part of Union. We are a part of the same fabric. Our doors are open and all are welcome.”

Mayor Manuel Figueiredo stated in part “This is a wonderful event. We are here to learn a little bit about Islam... We have similarities.”

The ICUC was started by students attending Rutgers and NJIT in Newark in 1986 and moved to its current location at 2372 Morris Avenue, Union about five years ago. All of the center's board members are volunteers.

The ICUC offers free after school tutoring for Muslim and non-Muslim children, homework help and SAT training. A part of their mission is to promote friendly relations between Muslims and non-Muslims in the community.

Guests were treated to a buffet after the ceremony and mingled with the center's congregation. Tables were set up with booklets and board members were on hand to answer questions about Islam and the center.

ICUC President Dr. Wail Rasheed thanked those who attended. “This special day allows us the opportunity to come together as a collective whole and reminds us that we are a part of a great community and that enables us to build bridges between one another.

“Islam teaches me to respect all people and stand up for justice for all. I am here, and I have been here for generations – wanting the same things you do – the chance to pursue life, liberty and happiness. I am an

American. I am a Muslim. This is my faith. This is my voice. We have a civic obligation to protect our city, town, state and country at large.”

This ICUC welcomes your questions about Islam or Muslims. You can also take a tour of the local Mosque by appointment. To learn more visit icuc@icucnj.com or email icuc@icucnj.com.

UNION RESIDENTS JOIN FORCES TO CLEAN 10 PARKS DURING OPERATION CLEAN SWEEP

Township of Union – The Township of Union held its annual Operation Clean Sweep, Adopt-A-Park event in May, and welcomed more than 200 residents that took to the streets to clean local parks and recreation areas.

"It's always wonderful to see the community come together," said Mayor Manuel Figueiredo, "but it's even better when we come together with the same vision of investing in our community, and making it a better place for everyone to live."

After signing in at the Department of Public Works and obtaining their "Operation Clean Sweep" t-shirt, participants were then dispatched to different areas, pre-identified by the Department to remove graffiti and clean the Township of litter and debris.

"Maintaining our parks the way that we all enjoy them is a tough job," said Louis Ulrich, Superintendent of the Department of Public

works. "Events like these not only help protect our environment, but bring about a greater sense of appreciation and value for the spaces we all share and enjoy."

The event brought together various community organizations, Cub Scout groups and families that were looking for ways to get involved. In total, 10 parks were serviced and the event culminated with a picnic at Rabkin Cove where volunteers were treated to food, music and face painting.

"Operation Clean Sweep" is part of the Clean Communities Program, funded by a Clean Communities Grant. The NJ Clean Communities Program is a comprehensive, statewide litter-abatement program that has served NJ Residents and visitors for over 25 years.

Established by a joint resolution of Congress in 1962, National Police Week pays special recognition to those law enforcement officers who have lost their lives in the line of duty for the safety and protection of others.

BUBBLES 4 AUTISM 2016

April is designated as National Autism Awareness Month. It is a time to not only educate the community about autism, but to promote inclusion and acceptance about the disorder from classroom to beyond.

Battle Hill Elementary School, in Union Township, recognized the event for the fourth year in a row on April 28th. The occasion, which has become known as Bubble Day was highlighted when all Battle Hill students and staff gathered in the playground and blew bubbles at 10:00 am. The purpose of Bubble Day is to help children with Autism Spectrum Conditions (ASC), burst out of their bubble of isolation and raise awareness and understanding of autism in the community. Details about the event are available on their website at: www.faces4autism.org.

In addition to school principal, Mark Hoyt, and

Battle Hill PTA president, teachers and students, the event was attended by Union Police Officer Michael Boll, Annie Moses, Assistant Superintendent, Jeff Monge, Board of Education Member, Barbara LaMort, President of the Union Historical Society, Kim Conti, Director of Special Services, as well as Maureen Corbett, Theresa Matthews, and Robert Ghiretti, Elementary Supervisors. This was also "Take your child to work day" so many staff members' children had the opportunity to participate.

Prior to and during the event, staff and Student Council assisted in collecting donations. This year the school is also participating the "ribbon challenge" in which the participants formed a human ribbon. Donations to Faces 4 Autism totaled \$775. The event was coordinated by Alison Brehm, 4th grade teacher and Student Council Advisor.

WALL OF PAWS AT BATTLE HILL ELEMENTARY

Second grade students in Battle Hill Elementary school in Union expressed an interest in helping animals and raising money for that cause. Their teachers, Abby Polizzi and Alexandra Aiello, facilitated the effort and the result has been rewarding in many ways. Together, they set up a bulletin board named "Wall of Paws" at the main entrance to Battle Hill School. Students were asked to donate \$2 and submit an informational survey citing their animal's name and why they love their pet. So far, they have collected \$220 which will be donated to two local organizations: Home for Good Dog Rescue and Angel Paws Cat Rescue. These amazing organizations give helpless animals a second chance at life.

Home for Good Dog Rescue (HFGDR) is a 100% foster-based, non-profit dog rescue established in 2010 in Summit, New Jersey with offices in Berkeley Heights. They rescue dogs from shelters in South Carolina and Georgia, which are overflowing with unwanted dogs. They

transport the dogs to New Jersey where they are placed in loving foster homes while they await adoption into a suitable family. Adoptive families enter a contract that guarantees their adopted dog lives inside the home, is treated as a member of the family, and is seen for wellness examinations by a licensed veterinarian. More information can be found at www.homeforgooddogs.org.

Angel Paws is an all-volunteer based organization. 100% of the funds donated go towards the care of the animals, including veterinary care and supplies. Angel Paws has no outside funding.

They rely on the generosity of people who love animals and want alternatives to traditional shelter situations. More information can be found at www.angelpaws.org/donating.htm.

The "Wall of Paws" has brought joy to the entire student body; you will often catch students, staff, and families stopping to read about the animals in the lives of the students and why they love them so much!

SPRINGTIME HOME IMPROVEMENT SCAMS

Now is the time to start thinking about home repairs. This alert serves as a reminder that this is the time of year when unscrupulous people come out of their winter retirement and start operating throughout the Union County area offering to do your repairs for a very minimal fee. These people share one common goal, to take your money and run. The con starts when one knocks on your door and offers to do repairs around your home. These repairs could be roof coating/repair, fixing a fallen fence, asphalt paving/driveway sealing, house/barn painting, tree pruning/landscaping, and termite/pest control, just to name a few. They offer to do the work and charge you less than what a reputable local company would charge you. The idea of paying less money is always a welcoming thought, but you must remember that doing business with someone that is just passing through can prove to be a disastrous decision.

After receiving a deposit, or the full amount, you're told they are going to get the supplies and will return. Some take the money and never return. Those that do come back, usually provide extremely poor labor. For example: paint is watered down, paving material is applied very thin and will crumble and crack within a short time, insect spray is made up of nothing more than water and/or water and milk, roofing repair consists of spraying silver or black spray paint on the roof. These people have also been known to con their way into your homes on the pretense of using your phone, checking for leaks from the

roof, etc. While inside your home, they look for valuables, easy items to pocket and/or your personal information. Some work in pairs. While one of them has your attention, the other is working their way through your home taking what isn't theirs.

Always remember: There is no reason to ever let a stranger into your home. Don't do business with door-to-door contractors.

- Take the time to actually call the Union Police Department if you are not sure of who really is at your door at (908) 851-5000.
- Township of Union NJ Police Department Detectives offers these tips:
- Request proof of registration with the state Division of Consumer Affairs; all contractors are required to register with the state, even if they are based outside the state.
- Request proof of commercial general liability insurance. The state requires insurance coverage for a minimum of \$500,000.
- If they claim to be working in the area, ask for references.

All contractors are required to prominently display their registration number on advertisements, business documents, and place of business. New Jersey registered commercial vehicles must have the number displayed on the company vehicles. Any home improvement project for a purchase price exceeding \$500 must be in writing.

THE Y MAKING A DIFFERENCE 172 YEARS

Spirit of UNION • Page 9 • June 2016

June 6 marks the 172st anniversary of the Y - a global organization that began with a simple but powerful idea: a strong, supportive community can help people build healthier, happier lives. Since it's founding the Y has grown into one of the world's largest volunteer organizations, renowned for its commitment to helping people of every background reach their potential.

From its humble beginnings on June 6, 1844 in London by George Williams and 11 friends, the Y saw to and met the practical and spiritual needs of young men flocking to London during the Industrial Revolution. Since then, the Y has grown and changed, meeting the needs of children, families and adults in 10,000 communities in the U.S. and 119 countries around the globe. Along the way, the Y is responsible for a number of innovations that influenced history and are part of our daily lives.

For instance:

- Basketball and volleyball were both invented at the Y.

- Night school and English as a Second Language (ESL) classes began at the Y.
- The world's first indoor pool was at a Y, and the concept of group swim lessons started at the Y.
- The United Service Organizations (USO) was created with help from the Y, and the Peace Corps was patterned after a Y program.
- Father's Day was created at a Y.

For 116 years in Eastern Union County and Northern Middlesex County, The Gateway Family YMCA has been a leading nonprofit dedicated to strengthening the community through youth development, healthy living and social responsibility.

The Y has helped thousands of community members through child care, swim lessons, youth sports, LIVESTRONG at the YMCA, Diabetes Prevention, housing and social services programs.

STRIDES4STRENGTH: A WALK TO END DOMESTIC VIOLENCE

Join the YWCA Union County for the First Annual Strides4Strength: A Walk to End Domestic Violence on Sunday, June 12th from 9am-2pm. Every step raises awareness and all event proceeds support the YWCA Union County's Domestic Violence Programs. The event is free for children under 12 & furry friends. Register today at Strides4Strength.EventBrite.com.

The YWCA Union County, now 96 years old, has been providing services to survivors of domestic violence since 1978. The YWCA is the only agency in Union County that provides an emergency domestic violence shelter, in addition to supportive and transitional housing, counseling, legal advocacy and representation, children's services, 24 hour crisis intervention and more. All YWCA services are free and confidential.

Domestic violence is a crime that impacts people regardless of race, ethnicity, economic status, education, or religion; it is estimated to

impact 1 in every 3 women nationally, and 1 in every 7 men. It impacts more women than breast cancer, lung cancer and ovarian cancer combined.

Domestic violence breaks all barriers of race, ethnicity, religion, sexual orientation, gender and socioeconomic status. It is a crime that impacts our entire community. It is estimated that 1 in every 4 women will be effected by domestic violence in her life, which equals more than breast cancer, lung cancer, and ovarian cancer combined. Domestic violence is estimated to cost employers in the U.S. up to \$8.3 billion each year. An average of 3 women per day in the United States are killed as a result of domestic violence.

Register today at Strides4Strength.EventBrite.com. Interested in renting vendor space at the event? Please, contact us at tpackard@ywcaunioncounty.org for more information.

If you or anyone you know is experiencing domestic violence, call the 24-Hour Hotline at 908-355-HELP (4357).

RED CADILLAC IS MAY BUSINESS OF THE MONTH

Following their tradition of spotlighting local Township businesses, the Committee of the Township of Union named The Red Cadillac their May Business of the Month. Accepting the award were business owner Joe Montes and members of his family.

"The Red Cadillac not only has a reputation for providing great food, drink and comfort," said Mayor Manuel Figueiredo, "but they are valued community partners that are truly invested in seeing our Township thrive."

As part of the spotlight, each chosen business is presented with an award from the Committee and their business is highlighted as a part of their televised Committee Meeting.

Joe Montes and his family have a long history in the Union restaurant industry. Starting with Primos Restaurant in 1987 up until their most recent venture - The Red Cadillac.

Together with his wife and three children, Montes created The Red Cadillac concept in 2010.

In a time of crisis where there was a lack of jobs, financing, un-affordable mortgages etc. they decided that everyone needed a place that offered comfort, along with great food and drink.

To test their concept, they changed their signage to read "Mexican Food...Yes or No... Text Your Vote..." after 4 weeks they had their answer with a resounding 2011 votes in favor of their venture.

Since then, the Red Cadillac has served up their signature Mexican comfort every Wednesday through Sunday from 1:00 p.m. to 1:00 a.m. and have been the epitome of excellent community partners.

They support school activities and events, support local teams and charities and participate in organized events like "Taste of Union" and "Santa in Blue."

During Hurricane Sandy, due to their large Social Media presence, they were able to connect the community to what was going on

around town. They became a "Charging Station" for anyone in need of power and took initiative to relay important information to residents.

In their 6 years, the Red Cadillac has been recognized and supported by The New York Times and The Star Ledger; they were Voted #1 Mexican by New Jersey Monthly and have been featured on Good Day New York and Fox 5.

They are in current negotiations with N.J. based Lairds Bottling & Distillery Co. to bottle their homemade infused tequila.

CDC ANNOUNCES AUDITIONS FOR SONDHEIM'S ASSASSINS

The Cranford Dramatic Club Theatre announces auditions for a new, fresh, dark, and timely production of Assassins. A multiple Tony Award-winning theatrical tour-de-force, Assassins combines Stephen Sondheim's signature blend of intelligently stunning lyrics and beautiful music with a panoramic story of our nation's culture of celebrity and the violent means some will use to obtain it, embodied by America's four successful and five would-be presidential assassins. Bold, original, disturbing, and alarmingly funny, Assassins is perhaps the most controversial musical ever written.

Auditions will be June 13 - 7:30 p.m. and June 18th - 1:00 p.m. Callbacks by Invitation, will be June 18th 2:00 p.m. at CDC Theatre, 78 Winans Ave., Cranford, NJ. The show is set to run October 7-22, 2016.

Directed by Alan Van Antwerp, Musically Directed by Jack Bender, Choreographed by Megan Ferentinos.

Those auditioning are asked to prepare 32 bars of a song of their choosing. If you have a Sondheim song prepared and ready, that would be preferred but not required. Those who audition may be asked to read at the audition.

Additional information can be found by visiting www.cdctheatre.org.
