ANNUAL SPRING FLING FUNDRAISER TO BENEFIT PBA

By: Edir Coronado

The Primrose School of Warren incorporated a twist to their annual Spring Fling fundraiser by adding inflatable obstacles to the race, that children and adults enjoyed. According to the Primrose School's event page, all net proceeds will be donated to the PBA, which helps support the Police Unity Tour; an annual bike tour to help commemorate officers who died in the line of duty.

Despite the ominous weather forecast, the event was a success, with tons of determined community members coming out to the East County Park to complete the 2k obstacle run. Warren Police Department couldn't be more excited to see the tremendous amount of support

they were receiving. Sergeant Matt Saum voiced, "Nice to see the community enjoying the county preserve," and Sergeant Robert Ferreiro expressed, "Excited to be part of such a great event, looking forward to next year."

Support for the fundraising event was also exhibited by business owners like Joe Amoroso, owner of Trainer Joe. "This is a great event, really promotes fitness and fun; it gets the kids out and moving," exclaimed Amoroso. Audrey Yeager from Gotta Dance made an appearance and she felt, "it was a beautiful day for the event, it really brings the community together." Gotta Dance has a close relationship with Primrose School, providing classes once a week, in the form of Jazz and Ballet.

A familial vibe flowed through the air as community members, business owners, and civil service associates came together for a worthy cause.

May 14th marked the 31st Annual Warren Fishing Derby at Dealman Nature Trail & Pond. An event made possible by the collaboration of the Warren Recreational Department, headed by Eleanor Murfitt; Warren PBA, Local # 235; and The Blue Ridge Outdoorsmen Club, headed by Joe Napple.

It was truly an event to remember and the community looks forward to attending annually, like father and daughter duo; David and MacKenzie Linton, "I come every year to fish," said MacKenzie. The Linton family have been coming faithfully, in fact, they can't seem to remember how long, "Five or six years, I don't know how many years we've been coming to this event," explained David.

Longtime participants like the Linton family are not the only fishing contestants that come out to partake in the yearly occurrence. Rich Seubert and his two boys are new in town and decided to try their luck in the pond. The Seubert family really enjoyed themselves, "It's a cool event, kids fishing, making memories," said Rich.

While the fishing competitors enjoyed themselves, behind the scenes Joe Napple and Eleanor Murfitt, who have been a part of the fishing derby since its conception, made sure operations ran smoothly. Napple and the Blue Ridge Outdoorsmen Club had a host of responsibilities including donating and cooking the meals; teaching the proper ways to fish; fixing broken fishing rods; handing out fishing rod loaners; and measuring the caught fish. Meanwhile Murfitt, their counterpart, made her rounds explaining the regulations, also teaching participants how to fish, and showing general support for all those in attendance.

Marry Ellen Florey and Betty Grosswerelr, two observers, were in disbelief at how much the event had grown and attributed the success to the

Blue Ridge Outdoorsmen Club and Eleanor Murfitt. Grosswerelr commented, "Blue Ridge is tremendous, today wouldn't be what it is, without Blue Ridge." Both Grosswerelr and Florey expressed their appreciation for Murfitt stating, "She is great!"

This year's fishing competitors resembled professionals, as the club had their hands full measuring Gianna Olivapotenza's 20+ inch catfish. When asked about her catch, she described it as, "hard to reel the catfish in, at one point the line broke," she explained, "I usually only catch six inches," symbolic of the fishing derby's growing development.

WAGNER FARM ARBORETUM FESTIVAL OF BUTTERFLIES FAMILY FUN DAY

The Wagner Farm Arboretum held its Festival of Butterflies, Family Fun Day, May 21st and what a joyous day it was. For six hours, families had their choice of partaking in the Petting Zoo, Crafts Fair, Garden Show, and a host of games. The Warren Fire Department paid the farm a visit and gave the children an opportunity to use the fireman's hose. Children laughed, played, and enjoyed getting wet. As the day began to wind down children were handed a small cover, which contained a dormant butterfly. A signal was given and everyone released their butterflies in unison. It was an astonishing sight and a perfect ending to a perfect day.

JOIN THE WARREN TOWNSHIP CUB SCOUTS

Boys will be boys. They can be a part of a team - and not just a sports team. Let them learn to be of service to themselves and their community; how to be selfless and have fun at the same time. They can participate in activities that not only strengthens their sense of self, capability and independence but also teaches a morally acceptable way to be responsible members of the community. So come and join the Cub Scouts!! Be part of our pack! Elementary school age is where it begins!

Some examples of things we do are: outdoor

AND indoor camping, a self-made car race, fishing derby, and even a sleep over in the Museum of Natural History, NYC! We learn about different aspects of life, including safety and survival, work towards achieving different requirements and earn patches, belt loops and the opportunity to move up the ranks.

We help guide the rite of passage as our cub scouts learn how to become well rounded, strong and responsible young adults.

Come check us out. Reach out by email to Afsaneh Thursfield: faeritale@hotmail.com.

CLUBS PARTNER UP TO BENEFIT GIVING GARDEN

The high school service organization, known as the Interact Club, prides itself on service to others. One of the club's current projects is a partnership with the Rotary Club of Plainfield-North Plainfield, at the Giving Garden in Warren.

Working at the Wagner Farm Arboretum, the Rotarians and Interact Club members hauled planting soil and compost to prepare four planting beds for this season's vegetables.

The four foot by forty foot plots were dug, raked smooth, tamped, and then lined with string for three rows in each plot. Beets and carrots seeds were planted and covered by the excited students.

"With the Interact Club's help, we quickly prepared and planted seeds in the four beds," said Michael Townley, Rotary Club secretary and gardener. "We really enjoy working with the kids at the Garden. It's fun to work with them and see them have fun while helping others. It's just too bad that the crops aren't ready for them to harvest before school gets out in June."

The beets and carrots will be tended by the two clubs and the crops, when harvested, will go to the Star Fish Food Pantry and the Salvation Army kitchen in Plainfield.

More information about the Interact Club can be found at the Rotary Club's website at www.rotarynpn.org.

The Rotary Club of Plainfield-North Plainfield welcomes new members who have an interest in serving others while developing new friendships. The club meets Wednesdays at 12:15 PM in Giovanna's Restaurant, 1462 South Avenue, Plainfield. Come as a guest and see what Rotary is all about.

WOODLAND SCHOOL'S CHICK PROJECT

An incubator with a dozen candled eggs arrived at Mrs. Brower's and Mrs. Stolfi's First Grade Classes at Woodland School on April 4th as part of The Quiver Farm Chick Hatching Project. The First Grade Students became "egg tenders" for two weeks turning the eggs every day, keeping the temperature at 99.5 and keeping it humid in the incubator.

The students were serious in the tending of the chicks and watched as the chicks pecked a pip hole in their egg, napped and pecked again and finally emerged.

The students learned a lot as they nurtured the chicks from the time they hatched, took their first sip of water, their first bit of feed, took their first steps, and readied for their trip home to the farm on Friday, April 15th. The chicks seemed to enjoy the children as much as the children enjoyed them during these two weeks.

Thank you to The Quiver Farm and the Warren Township Lions Club that sponsored the 2016 Chick Project and have sponsored this project for the past 14 years.

WHITE OUT AGAINST BULLYING DAY

It was a sea of white at Warren Middle School as staff and students dressed accordingly in support of "White Out Against Bullying Day" on May 13th.

Student leaders at Warren Middle School conducted activities to raise awareness about gender, cultural and racial stereotypes, while State Senator Thomas Kean, Jr. and members of the Watchung Hills Regional High School

Diversity Council called on middle schoolers to be "upstanders, not bystanders" when witnessing bullying and discrimination.

Last year, the NJ Senate passed a resolution introduced by Senator Kean urging Meriam Webster, Inc. and the Oxford University Press to include the word "upstander" (an individual who chooses to take positive action in the face of injustice) in the dictionary.
