## KENILWORTH ROTARY CLUB CASINO NIGHT

The Kenilworth Rotary Club Casino Night was held on June 3rd, 2016 at the Kenilworth VFW hall. Proceeds from the event will give 10-12 local 8th grade students and high school seniors in Kenilworth the opportunity to qualify for one of two programs, "Send Our Children to Summer Camp" or the "Kenilworth Scholarship Program". The summer camp program is offered to 8th grade students, whose families cannot afford the cost of sending their children to summer camp. The Scholarship program provides financial help to Kenilworth's high school honor roll seniors, transitioning from high school to college.

Established in 1948, the Kenilworth Rotary Club has been an active service organization, helping local schools, the Kenilworth community and national organizations for over 67 years. The club meets each Wednesday at Rinaldi's (24 North 20th Street in Kenilworth) from 12:15 p.m. to 1:30 p.m. New members are welcome.

## MEMO FROM THE MAYOR

“When in the Course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature’s God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to separation.” Just in case anyone has forgotten the reason why we have July 4th off, that was the introduction to the Declaration of Independence. Give it a read, share it with your children and remind them we have these freedoms today because of what was started some

240 years ago.

If you’re searching for something to do this summer, take a walk up to the Kenilworth Library, go onto [www.kenilworthlibrary.org](http://www.kenilworthlibrary.org) web site and check out the calendar of events that are going on for the month of July.

I would like to take the opportunity to thank all the groups and individuals who are stepping up and volunteering to do some cleanup events like the Boy Scouts and the Girls Scouts as well as people like Jack Fiamingo who have taken the initiative to cleanup one of our historic signs located at Boulevard and Michigan Ave. Every little bit helps, and I thank everyone for doing their part in keeping Kenilworth a great town to live and work in.

Please make sure you visit our many fine businesses, not just on the Boulevard but throughout town. Our Businesses are vital to the success of the borough, we all need each other, so stop in and often.

For any and all upcoming events you can go on our web site [www.kenilworthborough.com](http://www.kenilworthborough.com) for details and schedules.

In conclusion, I would ask everyone to say a prayer for the family of Daniel Triano, their loss is Kenilworth’s loss. Kenilworth grieves with you.

Thank You Kenilworth and God Bless America

*Mayor Anthony DuLuca*

## 11 CRITICAL HOME INSPECTION TRAPS TO BE AWARE OF WEEKS BEFORE LISTING YOUR HOME FOR SALE

Kenilworth NJ - According to industry experts, there are over 33 physical problems that will come under scrutiny during a home inspection when your home is for sale. A new report has been prepared which identifies the eleven most common of these problems, and what you should know about them before you list your home for sale.

Whether you own an old home or a brand new one, there are a number of things that can fall short of requirements during a home inspection. If not identified and dealt with, any of these 11 items could cost you dearly in terms of repair. That's why it's critical that you read this report before you list your home. If you wait until the building inspector flags these issues for you, you will almost certainly experience costly delays in the close of your home sale or, worse, turn prospective buyers away altogether. In most cases, you can make a reasonable pre-inspection yourself if you know what you're looking for, and knowing what you're looking for can help you prevent little problems from growing into costly and unmanageable ones.

To help homesellers deal with this issue before their homes are listed, a free report entitled "11 Things You Need to Know to Pass Your Home Inspection" has been compiled which explains the issues involved.

To hear a brief recorded message about how to order your FREE copy of this report call toll-free 1-888-243-5861 and enter 3004. You can call any time, 24 hours a day, 7 days a week.

Get your free special report NOW to learn how to ensure a home inspection doesn't cost you the sale of your home.

## OVER 400 PARTICIPATE AT RELAY FOR LIFE

Thirty teams and 444 people participated in the American Cancer Society Relay For Life of Kenilworth event on June 11-12 at David Brearley High School.

The event raised \$65,977 to help the American Cancer Society save lives through groundbreaking cancer research, education and risk reduction efforts, and free information and critical services for people with cancer who need them.

"It was inspirational to see people from all parts of the community come out to support us and make an impact in the fight to end cancer," said Kyra Miller, American Cancer Society representative for Kenilworth. "Together, we celebrated those surviving cancer, remembered loved ones lost, and took tangible action to make a difference."

The following teams and individuals were recognized for their extraordinary efforts: The top corporate team was NR Cintas Location 111/15F #TeamOfTheYear raising over \$12,000. The top three teams were One in a Minion, Team Rosa, and Team DOMINOE. The top three participants were Jaye Shear, Melissa Rosa and Andrew Daniello.

The Relay For Life movement unites communities across the globe to celebrate people who have battled cancer, remember loved ones lost, and take action to finish the fight once and for all. Relay For Life events are community gatherings where teams and individuals camp out at a school, park, or fairground and take turns walking or running around a track or path. Teams raise funds in the months leading up to the event. Relay For Life is the world's largest fundraising event to fight every cancer in every community, with four million participants in 6,000 events worldwide in 2015.

Donations can still be made by visiting [relayforlife.org/KenilworthNJ](http://relayforlife.org/KenilworthNJ) until August 31.

About the American Cancer Society

The American Cancer Society is a global grassroots force of 2.5 million volunteers saving lives and fighting for every birthday threatened by every cancer in every community. As the largest voluntary health organization, the Society's efforts have contributed to a 22 percent decline in cancer death rates in the U.S. since 1991, and a 50 percent drop in smoking rates. Thanks in part to our progress; 14.5 million

Americans who have had cancer and countless more who have avoided it will celebrate more birthdays this year. We're determined to finish the fight against cancer. We're finding cures as the nation's largest private, not-for-profit investor in cancer research, ensuring people facing cancer have the help they need and continuing the fight for access to quality health care, lifesaving screenings, clean air, and more. For more information, to get help, or to join the fight, call us anytime, day or night, at 1-800-227-2345 or visit [cancer.org](http://cancer.org).

(above) From the Kenilworth Relay for Life Facebook page: A HUGE thank you to our Relay For Life of Kenilworth committee for all their hard work to make this event so successful! You all are amazing, and this event would not have been as successful without you all. Congratulations Kenilworth on surpassing goal! THANK YOU!

## SALVATORE PANTOZZI'S PAINTINGS AT GALLERY

The Gallery on the Boulevard at the Kenilworth Public Library will feature paintings and drawings by Jersey City artist Salvatore Pantozzi, from July 1 through September 1.

A resident of Jersey City for much of his life, Mr. Pantozzi created most of his oil paintings, drawings and sculptures between the late 1960s and early 1990s. Much of his work focused on the area around his Jersey City studio, located above the Hilltop Restaurant on the corner of Jordan Avenue and Mercer Street.

Mr. Pantozzi was a World War II veteran and a member of the Timberwolf 104th Infantry Division from 1942 to 1945. He passed away in 2000. His family continues to bring his artwork to a larger audience. More information about Mr. Pantozzi can be found at <http://www.jcpantozziart.com>.

Children and teens will experience the science of power and energy through several exciting, hands-on experiments that will have the audience laughing, learning and having fun! This program will be presented by Scienceteller Andrew Piccirillo.

Children will also receive a special balloon sculpture made just for them by Mark Dolson; marvel at the sleight of hand of magician Francis Menotti, visit with beautiful Paso Fino horses in our parking lot (weather permitting), and receive a special gift from the library. Families attending LibraryFest should anticipate a forty-five minute time frame for participation in all of the evening's events and all children in attendance must be accompanied by a parent or other responsible adult. No registration will be required to attend LibraryFest.

LibraryFest has been funded by The Friends Of The Kenilworth Public Library, and a Recycling Grant given to the Borough of Kenilworth.
