## MULTICULTURAL LUNCH

Recently fifth grade students in Mrs. Charles' class at School #2, celebrated the culmination of their International Research reports with a Multicultural Luncheon. Combining ELA and Social Studies disciplines, students researched such countries as Bermuda, Haiti, Egypt, and Ireland. Students not only completed their research papers, but also created Power Point presentations to present their findings. Students were treated to foods from Trinidad, Mexico, Italy, Germany, and Haiti to name a few.

## ROBERTOZZI NAMED SUPERINTENDENT OF THE YEAR

Linden Superintendent of Schools, Dr. Danny Robertozzi, has been named Superintendent of the Year by NJTESOL (New Jersey Teachers of English as a Second Language) in recognition of the district's pioneering efforts to establish the Seal of Biliteracy in our state.

The Seal of Biliteracy is a special designation that students can earn on their diplomas and transcripts that certifies that the student is proficient in two languages. Thanks to the efforts of Dr. Robertozzi, Linden's department of Bilingual, ESL and World Languages and others who have advocated for this effort, the SEAL has now been recognized and signed into law in New Jersey by Governor Christie.

"In Linden we are eager to continue promoting the SEAL of Biliteracy in our schools," commented Dr. Robertozzi, "I hope that the number of states and districts participating in this program will continue to grow, and with it a culture that values and nurtures the talents and assets that culturally diverse, biliterate students contribute to our community and nation.

June witnessed thirty-one Linden High School seniors graduating with the NJ Seal of Biliteracy on their diplomas. New Jersey has joined more than a dozen other states in recognizing and

rewarding students who demonstrate linguistic proficiency in two or more languages. Students applying to the program must pass a rigorous language assessment in order to graduate with the Seal on their diplomas. Qualifying students must demonstrate that they can speak, read, and write in a second language at a high level of proficiency. This distinction serves the purpose of highlighting the students' special abilities to universities and potential employers in the global market place.

Linden Public Schools took a lead role in piloting the program, and was among the first NJ districts to help students to earn the Seal. Since 2014, over 100 Linden students have earned the Seal of Biliteracy.

Alphonsina Paternostro, Linden's supervisor of Bilingual, ESL and World Languages commented; "In our district we place a great value on our linguistic and cultural diversity. We see language learning as a very worthy endeavor, and offer students the opportunity to study a wide variety of world languages. The Seal of Biliteracy is another way to celebrate and highlight important skills that will help to open the doors to new opportunities for our students as they go out into the world."

## SCHOLARSHIPS AWARDED TO LOCAL STUDENTS

The Bayway Complex Community Advisory Panel (CAP) awarded scholarships to eight students at a dinner hosted at the Phillips 66 Bayway Refinery. The students will receive \$1,000 each for their studies in Process Technology or Engineering at a college or university this fall.

The scholarship winners were: James Fostinis of Union County Vocational Technical High School and Lucia Pachon-Ortiz of Linden High School; Muhammed Junaid Tahir Chaudry and Briana Alexis Avery of John E. Dwyer Academy in Elizabeth, and Liliana Mejia and Kimberly Carabajo of Thomas A. Edison Academy in

Elizabeth; Erin Hughes of St. Joseph Hill Academy on Staten Island and Marco Lobato of Curtis High School on Staten Island.

Winners were selected based on their grades, leadership, school extra-curricular activities, community activities, and financial need. The scholarship awards were sponsored by the CAP member companies: Phillips 66 Bayway Refinery, Infineum USA L.P., Cogen Technologies Linden Venture, Chemours, Eastman Chemicals, NuStar Energy, PSEG Linden Generating Station, and Linden VFT.

In addition, high school students Muhammad J. Chaudry of Elizabeth and Maria C. De

LaCuadra of Linden, received Pre-College Scholarships sponsored by the Bayway CAP member companies, and are participating in the 2016 Summer Semester Academy of College Courses in Math, Science, Engineering, Technology, and Business at NJIT.

The Bayway CAP is a committee of community representatives from Linden, Rahway, Elizabeth, and Staten Island including neighbors, educators, retirees, public officials, emergency responders, and environmentalists who attend quarterly meetings that serve as a forum for dialogue between the community and company representatives.

## LINDEN FIRE DEPARTMENT FREE SMOKE DETECTOR INSTALL DAY

The Linden Fire Department along with the American Red Cross, Kidde Fire Safety and Linden FMBA Locals 34 and 234 successfully completed another free smoke detector install day on Saturday, June 11.

Teams canvassed the 4th ward in Linden, installing 117 smoke detectors, 48 carbon monoxide detectors, changing countless batteries and canvassing 750 homes with Home Fire Safety Information.

Linden Fire Department Chief Joseph Dooley and 4th Ward Councilman Monty Brooks were in attendance to thank the many volunteers for their service and commitment to help keep Linden

Safe.

The Fire Safety campaign started last year is a 5 year program to install free smoke detectors in residents home, this was our 4th install day. To date the program has installed almost 500 detectors in 225 homes and canvassed over 2800 homes.

The Linden Fire Department was also able to offer residents free carbon monoxide detectors provided by Kidde Fire Safety along with the free smoke detectors provided by the Red Cross. The carbon monoxide detectors were donated by the Kidde Fire Safety Company after hearing of the tragic loss of a young Linden resident that did not

have a working carbon monoxide detector in the home. The Kidde company donated 75 free detectors to the Linden Fire Department and made it possible for us to get more at a discounted rate so we can make sure our residents have a working CO detector in their homes so that this tragedy may never happen again in our community.

If there are any Linden resident in the fourth ward we did not visit or anyone in any ward that would like the fire department to visit to install free smoke detectors, you can call Linden Fire Prevention Bureau at 908-474-4560 and let them know you would like to set up an install.

## LPD CREATES INTERNET EXCHANGE ZONE

The Linden Police Department is pleased to announce the creation of a new Internet Exchange Zone. This is a secure location for interested parties to safely complete a transaction that was initiated over the internet. The location is directly in front of Police Headquarters and is monitored by 24 hour video surveillance. In the event of cold or inclement weather, the parties can enter the lobby of Police Headquarters, which is also under 24 hour surveillance.

The idea was suggested by 2nd Ward Councilman Donald Beyer, after hearing of a recent transaction that turned into a robbery. Police arrested an Elizabeth juvenile in that incident. There have been other instances over the past several years where residents have been victimized while negotiating internet transactions, which turned into a crime.

Police Chief Jim Schulhafer said that he hopes the creation of an internet protection zone will help to bring awareness to the possible dangers of these types of transactions and provide a safe and secure environment. The police department is advising residents to try to complete their transactions during daytime hours and bring along a friend if they still feel uncomfortable meeting the other party to a sale.

## PHILLIPS 66 REFINERY PARTNERS WITH THE GATEWAY FAMILY YMCA

Phillips 66 Bayway Refinery is partnering with The Gateway Family YMCA – Rahway Branch to provide funding for the Rahway Branch Specialized Arts Inclusive Learning (SAIL) Program. “We are grateful to the Bayway Refinery for their dedication to our community and their support of our YMCA and the families in our specialized arts programs,” stated Krystal R. Canady, CEO of The Gateway Family YMCA, “Providing this program in Rahway and the surrounding areas fills a need directly reflected in our needs assessment survey completed during recent facility renovations, creating expanded access to arts education.”

Introduced in Summer 2015, the YMCA has continued to offer a unique Specialized Arts Inclusive Learning (SAIL) program throughout the 2015-2016 school year to students from the

Jardine Academy, an approved private school of the New Jersey Department of Education, operated by the Cerebral Palsy League, and accredited through The Middle States Association. The Rahway Branch is also working in partnership with the Paper Mill Playhouse to provide the YMCA’s Theatre in Motion program for special needs children, ages 7-21, and their families. Additionally, the YMCA also plans to begin training with the Matheny Medical and Education Center to develop a digital art component to the SAIL program similar to Matheny’s Arts Access program. Arts Access utilizes trained facilitators and adaptive technology to provide participants, dealing with a vast array of disabilities, with the means and capability to create unique works of art that solely display the vision of the artist. The YMCA is

working with Matheny staff to duplicate this program, on a modified scale, to offer at the Rahway Branch.

The Y is a positive force in the community. From tackling the achievement gap to teaching healthy habits for a lifetime or giving people the chance to strengthen our community through volunteering; everything the Y does is in the service of building a better us. “We rely on the support of the community to enable us to continue to provide the services our neighbors so greatly need,” stated Melynda A. Mileski, EVP/COO of The Gateway Family YMCA, “Our donors, members, volunteers, supporters and staff demonstrate the power of what we can achieve by giving back together. With the support of our community partners and our Annual Support campaign donors, we take on the most urgent needs in our community and inspire a spirit of service in everyone we touch. Our Y is, and always will be, dedicated to building healthy, confident, connected and secure children, adults, families, and communities.”
