SUMMIT-NEW PROVIDENCE ROTARY AWARDS SCHOLARSHIPS

The Summit - New Providence Rotary has awarded \$20,900 in scholarships to seven graduating high school seniors from the two communities. It is the 91st consecutive year that the group has awarded scholarships.

Criteria for the awards are academic achievement, community and school involvement, and financial need.

In announcing the awards, Rotary member Ellen Dickson said, "These young people already exhibit high levels of achievement. We're not taking a chance on them; they've already shown themselves to be winners." Ms Dickson chaired the scholarship committee, consisting of five Rotarians. The high school guidance departments coordinate distribution and processing of the students' applications, but the choice of winners is made by Rotary.

These students received Rotary scholarships: Summit High School - Samantha Hanley, University of Indiana; Juliana Nociara, NYU, John Berardi, College of New Jersey; Ife Campbell, University of New Haven; Aila Poticano, Rutgers; ; Lorik Berisha, New Providence High School, Rutgers; and Cindy Weng, Union County Magnet School, NYU.

Summit Rotary was founded in 1922 and later grew to include New Providence. In addition to its community service projects, the club's major thrust is scholarships for college-bound seniors from Summit and New Providence.

The group meets for Monday lunch at the Grand Summit Hotel at 12:15. More information about Rotary's activities, as well as contacts for membership or other inquiries, is available at www.snprotary.org.

On June 12, 2016 hundreds of bikers gathered at the New Providence Community Pool parking lot, to register and cruise through town and the surrounding communities. These biker enthusiasts revved up their engines and toured through each town, escorted by the Blue Knights NJ VIII Honor Guard for the Bikers for Brooke Ride. This annual event was founded four years ago by the Brooke Healey foundation in memory of Brooke Healey, who was diagnosed with Diffuse Intrinsic Pontine Glioma (DIPG).

The bike ride lasted just over 2 hours and ended at the Mount Carmel Hall in Berkeley Heights, NJ, where catered BBQ, live Music, and games were available. The BBQ acts as a fundraising tool. According to staff at the Brooke Healey Foundation, the annual event would not be possible without the Mount Carmel Society.

According to the Brooke Healey foundation "DIPG is an inoperable, very aggressive tumor in the middle of the brain stem." Brooke sadly passed away on January 14, 2013, from DIPG.

Part of the Brooke Healey Foundation's mission is to raise awareness, and this event accomplished its goal and in addition, raised

much needed funds for research and assistance to families in need, dealing with DIPG. Since its conception The Brooke Healey Foundation has raised over \$600,000 and as a member of the DIPG collaborative, "a collection of foundations with the common interest of inspiring research into the cure of DIPG with the belief that through a cure for DIPG, significant advances in other cancer research will be made," according to the DIPG.org, The Brooke Healey Foundation has influence where the money is allocated in terms of research.

While the Brooke Healey Foundation started locally and is based out of New Providence it now has, through the DIPG Collaborative, a national reach.

The foundation holds 3 major fundraising events annually. Their next event is a golf outing to be held at New Jersey National Golf Club on August 22nd, 2016.

While the Brooke Healey Foundation has gained major grounds raising funds and awareness for DIPG research, they believe their work will not be completed until they've accomplish their ultimate goal, a cure for DIPG.

The New Providence Police Department participated in the Law Enforcement Torch Run held on June 10th. The event was sparked in 1982 when Officer Steven Vitale was asked to photograph a local Special Olympics competition in New Jersey. Officer Vitale was amazed by the dedication these athletes displayed, so he challenged his fellow officers to show the same type of determination by volunteering at the summer games.

The birth of the Torch Run came in 1984 with a run that began in Liberty State Park in Jersey City to Rutgers Stadium in New Brunswick. The first run raised \$7,000.

Since then, with the help of police departments like New Providence, over 3-million dollars is raised annually and over 3,000 officers participate. New Providence took the efforts a bit further this year and involved local high school students in the run.

(above) Patrolman and run coordinator David Rodriguez; Lieutenant Justine Kennedy; Patrolman Michael Carlino; Patrolman Thomas Hoppe; and Intern Jake Vignali led the way in combination with New Providence High School students in the Law Enforcement Torch Run.

PRESCHOOL AND KINDERGARTEN SCHOOL DIRECTOR BIDS FAREWELL

After 30 years of service as a teacher and Director of The Presbyterian Church at New Providence Preschool and Kindergarten, Jeanne Ross has decided to retire. Working anywhere for 30 years is uncommon, but Jeanne has been steadfast in her service as Director and has touched many children and their families.

She began as a Nursery school teacher for ten years and when the opportunity became available to become the Director she gladly accepted the position. Jeanne has seen many changes not only in the school but in the New Providence community, but her philosophy has stayed the same “provide a Christian environment that is nurturing, loving, and encouraging for children”. Her commitment to excellence in the curriculum has been a testament to the school but she believes the most important aspect is having the right people in place to fulfill this philosophy.

Her advice to parents as she leaves is simple “be present”. In her last newsletter at the school she wrote this, “When we are present, we are paying undistracted attention, we are listening, we are affirming that someone is more important than our schedule and playlist for the day. We are giving space for joys, for sorrows, for playing, for praying, for navigating hard topics, for answering questions about who God is, for sharing successes, and failures, for wiping away tears, for laughter, for hugging and holding, for sharing our childhood stories, for grace and forgiveness, for taking actions that will bring health and happiness, for authentic relationship.” Jeanne is ready to start new adventures with her husband who is also retired, and to spend more time with her grandchildren.

Jeanne stated “It has been a gift to be part of The Presbyterian Church at New Providence Preschool and its church family, Thank you, thank you, thank you!” Maury Fryer will be her successor and has been working at the school in the 2’s class for 29 years, a program that Maury created. Maury is excited for the opportunity and begins her new position in July. Jeanne’s advice to Maury is “be yourself” and to always ask this question “is this best for the children?”

FEAST DAY - JULY 16

8:00 am - Processional parade
through Berkeley Heights

with the statue of the Blessed Mother

The members of the Mt. Carmel Society convene at Little Flower Church, on Plainfield Avenue in Berkeley Heights dressed in their "marching attire" and sashes designating their membership. The Virgin Mary is decorated with beautiful flowers and white ribbons as she's carefully prepared to travel her journey through town. A band providing Italian/American music leads the traditional route through designated areas. Along the way, the band and members stop in the streets to allow those to pay tribute. To honor the Blessed Mother, many will pin money on the white ribbons she adorns. The funds collected during the parade are later removed and donated to the Little Flower Church. In keeping with tradition, each donor is provided with a Mt. Carmel scapular. The travel route is followed each year with designated stops at the homes of previous members. This is done to respect the family, remember loved ones and to honor the tradition. All are welcome to join in the procession and are asked to meet at Little Flower Church on July 16 at 8am est. After the procession, a mass is held at Little Flower Church. After church, for those who participated in the parade, a free picnic lunch for all is held at Peppertown Park on Plainfield

11:00 pm - Fireworks Extravaganza
(RAIN OR SHINE).

Fairgrounds open at 6 pm.

SUMMER READING PROGRAMS ARE IN FULL SWING AT THE LIBRARY

This year's theme for Adults is Exercise Your Mind and events scheduled during July as well as an activity-based program reflect the theme. There's no sign up, just a contest form that you can pick up at the library or download from our website.

There are 20 activities to choose from. You can complete any and/or all anytime between June 15 and August 16. Some of the activities include reading different book genres such as biographies, bestsellers or a book made into a movie. You can also, check out an exercise DVD, a documentary or a craft book or download a magazine using Zinio or an ebook or audiobook using Overdrive. Or you can choose to attend a library event this summer. There's lots to choose from including movies, coloring, story times & kids' events, Baseball Discussion and Book Groups and special events during July.

For each 5 activities completed, you earn a chance in the Grand Prize Drawings and a ticket for 2 free DVDs. If you complete 10 activities, you earn another chance in the drawings as well as a ticket for \$5 fine forgiveness. If you complete all 20, you'll be entered into a special drawing. Submit your form at the Reference Desk any time before August 16 for your tickets and drawing entries.

Prizes this year include gift cards to Prestige Diner, Coppola's, Zita's, IHOP and Acme. The special drawing is a selection of new books from Random House.

We'll be featuring events on Tuesdays and Thursdays in July on the Exercise Your Mind theme. The programming lineup starts on July 12th at 7:30 p.m with Matthew Au who will be speaking about his interest in origami and will be doing a demonstration and if there's time,

teaching a design. Popular NP Recreation instructor Shirley Fee will be joining us on July 14th at 7:30 p.m. to speak about the ideas and philosophy behind the practice of Yoga. Jennifer Luster of Shop Rite in Chatham will be coming on July 19th at 7:30 p.m. to talk about cooking with summer produce and herbs, and she's bringing samples! Please let us know if you are coming to Jennifer's talk by calling, emailing or stopping by. Finally, popular NP Recreation Yoga instructor Judy Parenti is coming on July 26th at 7:30 to speak about yoga-inspired healing and wellness. Both yoga instructors will be doing a guided meditation that is suitable for all ages and abilities. Knowledge of yoga is not necessary and we encourage everybody to come and listen to these ladies who are wonderful speakers as well as experts about yoga.

There's a full lineup of kids' programs, too that are also activity based. Signup started on June 24 and programs run until August 5, but signing up any time before August 5 is fine.

Preschool kids will complete a list of activities with every 5 earning them a sticker and completion of all activities earning them bubbles.

K through 5 kids will be asked to read 35 books or chapters of books. For every 5 books read, kids will earn a sticker and a prize. Reading 35 books earns an entry into a raffle for a T-shirt. They will also be invited to an End-of-Summer-Reading ice cream party on August 5.

There's a program for teens as well. Every week, whoever reads a book will be entered into a weekly raffle for a \$5 Starbucks gift card. At the end of the program, all who read 6 books will be entered into a Grand Prize Drawing for a Starbucks gift set.

There's a full set of Kids' Activities this

summer, too including Summer Reading Kickoff on 6/27 at 11:15AM with Presley and Melody, Teen Movies every Monday at 2PM, Science tellers on 7/13 at 10:30AM and the Lehigh Valley Zoo along with a Penguin is coming on 7/20 at 2PM.

There's lots happening this summer @ NPML. Check for final dates and details on the library calendar on our website or grab a Summer Event Calendar at the library. We'd love to see you this summer!

POLICE DEPARTMENT NEW PROVIDENCE, NEW JERSEY

Anthony D. Buccelli, Jr. Chief of Police

During the overnight hours of Memorial Day Weekend, a vehicle was taken from the driveway of a Borough residence. During the same time frame, at least 3 other vehicles were entered and various items were taken. In all instances the vehicles were believed to be unlocked. These thefts were reported in the area of Central Avenue near the Summit border. We have previously reminded residents and their guests to remove their key fobs used in conjunction with a push to start ignition. Our investigation reveals that these vehicles are being targeted. Residents are asked to contact the police department if they see or

hear something suspicious. This may include a vehicle driving up and down your street in a short period of time, vehicles that appear to be "caravanning," people talking close to your home at times that seem unusual.

With the spike in vehicle thefts, we would also like to remind residents to register any cameras at their residence that may help the Police Department solve these crimes. Registration forms can be found at www.newprov.org/police. Registration is easy, and confidential. We will only contact you in the event that we feel your system may provide valuable information.

"ENTREPRENEURSHIP 101" WORKSHOP PREPARES YOU FOR SMALL BUSINESS OWNERSHIP

It's the American dream – having your own business, being your own boss, setting your own hours....But before you take the plunge (or before you get in too deep in a business that you just started), you need to do some serious self-reflection and homework.

That's why UCEDC, a statewide economic development corporation, is offering an intensive six-week workshop for start-up businesses (those in the idea/planning phase or in operation less than a year).

The next session of Entrepreneurship 101 is scheduled for Tuesday evenings (6:00 – 9:00 pm), July 12 – August 23, 2016 at UCEDC's headquarters in Cranford.

"The small business failure rate is staggering," warns Erich Peter, UCEDC's Director of Training. "But you'll be more likely to succeed if you consider every challenge ahead of you and make sure you have what it takes to meet them."

Participants will be guided through a real-world assessment of their business idea and market feasibility as well as their own ability to handle the demands of business ownership. The steps to opening a business in New Jersey, choosing a legal structure, developing a business

plan and establishing cost, revenue and cash flow projections will be addressed in a variety of interactive exercises.

"Being a business owner is hard work and this workshop is equally demanding," says Peter. "But we're going to work with you both in and outside of the classroom to make sure that the class material is relevant to your specific needs. And, we stick with our graduates for 12 months, providing free mentoring and counseling services."

Entrepreneurship 101 is a component of UCEDC's Entrepreneurial Training Initiative, an ongoing small business training effort, offered in partnership with the New Jersey Economic Development Authority.

UCEDC is dedicated to helping small business throughout New Jersey to start, grow and thrive by making loans, training and mentoring business owners, helping businesses obtain government contracts, and providing accurate and relevant business information.

Registration is now open for Entrepreneurship 101. Complete information can be found on the UCEDC website at www.ucedc.com or by calling 908-527-1166.

TECHNOLOGY HAS GIVEN US THE ABILITY TO FIND OUT WHY YOU ARE STORING FAT AND HOW TO GET RID OF IT!

A "one-size-fits-all" weight loss program will only take you so far (and after many months of hunger and a boatload of cash).

Targeting your specific hormone makeup is the key to fast and effective weight loss. Our NRF Technology essentially takes your hormonal fingerprint to determine the exact ingredients you need to bring your body into an optimal state of fat burning. And beyond the initial weight loss, restoring balance with the system actually resets your metabolism and weight set point so that you **keep the weight off** after you lose it.
