### SCOTCH PLAINS WET DOWN CELEBRATES NEW FIRE TRUCK

By: *Edir Coronado*

On Saturday July 23rd, with a heat wave advisory in effect, droves of people came out to Scotch Plains to partake in a ceremonious wet down dedicating a new fire truck to be used to help keep the town safe.

In celebration of the newly acquired fire truck, fire departments from around New Jersey revved up their engines to partake in the festivities. Several fire hoses were charged up and people of all ages were splashed with cool water, a refreshing touch on a scorching hot day.

The fun didn't stop there, patrons had the opportunity to listen to a live band and enjoy tasty burgers courtesy of the Scotch Plains Rescue Squad. There were games and a bouncy house for the kids to enjoy.

Scotch Plains residents also had the opportunity to pay tribute to fellow community member and fallen Fire Fighter Rick Villafrade. Michelle Bowman, a Captain at the Scotch Plains Fire Department, and Fire Fighter Racine Borde, set up a high striker game in order to raise money for the family of Villafrade, who passed away last September.

In addition to the high striker game, retired Scotch Plains Police Sergeant Ernie Hernandez donated an American Flag made up of old fire hoses which attendees could win by purchasing raffle tickets. Hernandez saw the flags being made one day and decided to start creating flags himself, one of which he donated to the Scotch Plains Fire Department. The flag made for the raffle is currently the largest he has ever made. Hernandez explained that to make the flag he has to nail the hoses into plywood and then adds a finishing touch with paint. The process took him 3 to 4 days to complete.

All proceeds earned from the raffle and high striker games went directly to the Villafrade family.

The Scotch Plains Fire Department is operated by fire Chief Jonathan Ellis and 32 volunteers, performing its duties from two station houses. The wet down was an opportunity to not only celebrate the new apparatus, but also to give the public an opportunity to interact with those members of the community who risk their lives to keep the town safe.

## SYDNEY MCLAUGHLIN, CLASS OF 2017, UNION CATHOLIC HIGH SCHOOL EARNS A SPOT ON THE U.S. OLYMPIC TEAM

Sydney McLaughlin, a rising senior at Union Catholic High School in Scotch Plains, NJ, broke the World Junior Record and placed third in the women's 400-meter hurdles at the U.S. Olympic Trials in Eugene, Oregon. McLaughlin crossed the finish line at 54.15, becoming one of the youngest athletes ever to earn a spot on the U.S. Olympic Track and Field Team.

The Olympic Trials Finals race was a major milestone in a journey that began when she was six years old. Back then, she required the reward of an almond chocolate bar from her parents for motivation. But in just 10 years, Sydney was named to the American Family Insurance ALL-USA track team in her first two years at UC; was named the Gatorade NJ Girls Track & Field Athlete of the Year '14-'15/'15-'16; named Gatorade National Girls Track & Field Athlete of

the Year '15-16; led the UC Track Team in two consecutive State Championships; became a three-time U.S. Junior National Champion in the 400-meter hurdles; and is now an Olympian.

Sydney's record-breaking performance in the finals at the U.S. Olympic Trials tops the 54.46 she ran at the New Balance Nationals in June to break a 32-year-old-record held by Leslie Maxie.

The UC Community gathered at the Stage House Tavern in Scotch Plains to cheer on their hometown hero. Over 200 people were in attendance to watch Sydney cross the finish line and begin the journey of a lifetime in Rio de Janeiro to trade almond chocolate bars for Olympic medals.

"God bless Sydney on her quest to become all God calls her to be," remarked Sister Percylee Hart, RSM, Principal of Union Catholic.

## 7 THINGS YOU MUST KNOW BEFORE PUTTING YOUR HOME UP FOR SALE

Scotch Plains NJ - A new report has just been released which reveals 7 costly mistakes that most homeowners make when selling their home, and a 9 Step System that can help you sell your home fast and for the most amount of money.

This industry report shows clearly how the traditional ways of selling homes have become increasingly less and less effective in today's market. The fact of the matter is that fully three quarters of homesellers don't get what they want for their homes and become disillusioned and - worse - financially disadvantaged when they put their homes on the market.

As this report uncovers, most homesellers make 7 deadly mistakes that cost them literally thousands of dollars. The good news is that each and every one of these mistakes is entirely preventable. In answer to this issue, industry insiders have prepared a free special report entitled "The 9 Step System to Get Your Home Sold Fast and For Top Dollar".

## RESCUE SQUAD CADETS AWARDED SCHOLARSHIPS

The EMS Council of New Jersey (EMSCNJ) recently awarded 17 academic scholarships to undergraduate and graduate students for 2016. All recipients are members of EMSCNJ-affiliated squads. The 87-year-old nonprofit EMSCNJ represents 20,000 volunteers affiliated with nearly 300 rescue squads throughout the state.

Six graduate students received \$1,000 Gail Lawrence Memorial Scholarships, awarded to those earning advanced degrees in any medical field. The scholarship was established in memory of Gail Lawrence, a mobile intensive care nurse, advanced practice nurse and educator with Rutgers University. Recipients from Scotch Plains Rescue Squad are: Rosalie V. DePaola, attending University of Notre Dame; Global

Health; and Thomas Snihur, attending St. George's University; M.D. Program.

This year, 60 applicants competed for 11 EMSCNJ Cadet Scholarships of \$500 each, including a scholarship from the 17th District in memory of Walter Mutzenback, a life member of the Tri-Boro First Aid Squad. Cadet scholarships are available to high school seniors who plan to attend college in the fall, and who are active participants of Council squads in good standing. A selection committee at Raritan Valley Community College chose the following recipients from Scotch Plains Rescue Squad: Catherine A. DePaola, attending University of Notre Dame; Pre-Med; and Edward E. DePaola, Villanova University; Structural Engineering.

# FANWOOD-SCOTCH PLAINS ROTARY CLUB ASSISTS IN FOOD PANTRY SHORTAGE

On July 7th, the Fanwood-Scotch Plains Rotary Club donated a check for \$1,000 to El Centro in Plainfield. Earlier this month, they ran out of food and the Rotary club approved a monetary donation to assist with the food shortage.

El Centro Hispanoamericano is located in Plainfield and has been serving the community since 1984. Its mission is to assist immigrants from any country -- most of which do not have access to publicly funded services -- with immigration, social services and education including ESL, Naturalization trainings, literacy,

advocacy and other services. Other services include a clothing boutique, annual Christmas Toy Drive and Thanksgiving Drives.

Donations and volunteers are always welcome. For information, go to [elcentronj.org](http://elcentronj.org) or contact El Centro at 908-753-8730 or [info@elcentronj.org](mailto:info@elcentronj.org).

If you would like to make a difference in the community and learn more about Rotary, you can attend a Wednesday lunch meeting at 12:15 pm at the Stagehouse Restaurant in Scotch Plains. For more information, you can visit their website at [www.fsprotary.org](http://www.fsprotary.org) or follow them on Facebook.

## TECHNOLOGY HAS GIVEN US THE ABILITY TO FIND OUT WHY YOU ARE STORING FAT AND HOW TO GET RID OF IT!

A "one-size-fits-all" weight loss program will only take you so far (and after many months of hunger and a boatload of cash).

**Targeting your specific hormone makeup** is the key to fast and effective weight loss. Our NRF Technology essentially takes your hormonal fingerprint to determine the exact ingredients you need to bring your body into an optimal state of fat burning. And beyond the initial weight loss, restoring balance with the system actually resets your metabolism and weight set point so that you **keep the weight off** after you lose it.

## CLEAN OUT YOUR HOUSE, FILL UP YOUR SOUL!

Do you have clothing, toys and small housewares gathering dust in your house? Your de-cluttering can do so much good in our community! Please bring your donations of clothing and accessories (men's, women's, kid's and maternity), gently used toys, small housewares and Halloween costumes to Jumble Store, 110 Walnut Ave. in Cranford, every Wednesday through August 24th from 4pm to 6pm!

Your donations help fund the Career Closet, which provides FREE business wear to local women re-entering the workforce, the Teen Closet, which provides underserved high school seniors with FREE professional clothing and resume/college application assistance and scholarships for exceptional local HS seniors.

Don't throw those used clothes out or put them in a random collection box! For more information or questions, please contact us at [information@jlpnj.org](mailto:information@jlpnj.org) or call 908 709 1177.
