LINKS MENTORING PROGRAM START NEW YEAR OF SERVICE

The LINKS Mentoring Program at Frank K. Hehnly School had its initial kickoff with student mentors in September.

The activity provided an experience to help children understand the relationship between generalizations and stereotypes. Each group of students was given a lemon and was asked to describe its characteristics. Students studied the lemon and took note of all of its special features. The lemons were placed together in a bowl, and students were asked to identify theirs. Students understood that while all lemons may look alike, they are in fact uniquely different. Taking it

further, Guidance Counselor, Sarah Badillo, and Learning Consultant, Lisa Giandana, asked students to think about how people might make assumptions about those with disabilities. Students shared that someone in a wheelchair may actually want to play basketball and that an autistic student probably does want a friend, even though they may have a bit of trouble making friends.

This program, run by Sarah Badillo and Lisa Giandana, provides training to young mentors and helps foster friendships in and out of school for students identified as needing social and emotional support.

AUTHOR SPEAKS AT ALJ HIGH SCHOOL

On Wednesday, September 07, 2016, the Arthur L. Johnson High School Crusader Athletic Booster Club held their first meeting of the year. In attendance at the packed house were coaches, players, and parents who had the opportunity to meet the fall coaches and listen to them speak on behalf of their teams in addition to listening to a guest speaker who talked about maximizing your high school athletic experience.

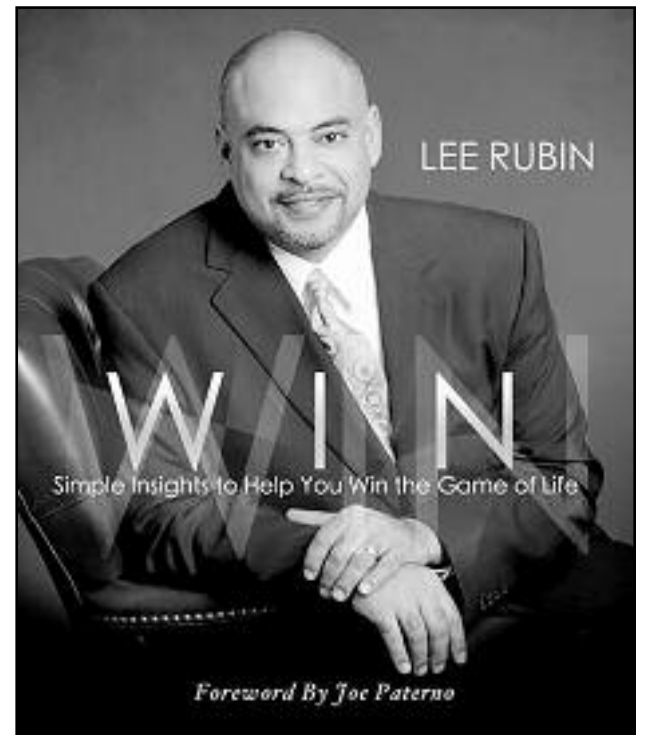

The program continued with Lee Rubin, a guest speaker that has inspired audiences across the country, through keynote addresses, corporate training sessions, student leadership conferences, awards ceremonies and other events, with his powerful, insightful and relatable messages of leadership development and personal growth.

Lee was a hometown star, a three-sport student-athlete who, through hard work, determination, and faith, became a three-year starter and defensive captain for Penn State's Nittany Lions Football team. Lee Rubin received a full athletic scholarship to play football for the Nittany Lions under the leadership of legendary coach, Joe Paterno. Lee not only emerged as a three-year starting free safety, he also became a captain of the team. His academic and athletic success has provided a tremendous opportunity to understand and communicate winning strategies and principles.

Gus Kalikas, Athletic Director at ALJ High School, had this to say about the event. "The Booster Club was thrilled to be able to bring Lee Rubin into our school district to talk to our

student athletes, parents, and coaches. The messages of the evening resonated with our audience in all aspects of one's life. I am sure that everyone in attendance will implement some of these valuable ideas and incorporate them into their everyday lives."

The Booster Club and Arthur L. Johnson High School would like to thank Lee Rubin for an educational and tremendous evening for all who attended.

(above) Lee Rubin author of the book WIN spoke at the inaugural Crusader Athletic Booster Club Meeting on September 07, 2016.

7 THINGS YOU MUST
KNOW BEFORE PUTTING
YOUR HOME UP FOR SALE

Clark NJ - A new report has just been released which reveals 7 costly mistakes that most homeowners make when selling their home, and a 9 Step System that can help you sell your home fast and for the most amount of money.

This industry report shows clearly how the traditional ways of selling homes have become increasingly less and less effective in today's market. The fact of the matter is that fully three quarters of homesellers don't get what they want for their homes and become disillusioned and - worse - financially disadvantaged when they put their homes on the market.

As this report uncovers, most homesellers make 7 deadly mistakes that cost them literally thousands of dollars. The good news is that each and every one of these mistakes is entirely preventable. In answer to this issue, industry insiders have prepared a free special report entitled "The 9 Step System to Get Your Home Sold Fast and For Top Dollar".

To order a FREE Special Report, visit www.njhomesellermistakes.com or to hear a brief recorded message about how to order your FREE copy of this report call toll-free 1-888-243-5861 and enter 2001. You can call any time, 24 hours a day, 7 days a week.

TWP. OF CLARK PLANNING TO HOLD COMMUNITY EMERGENCY RESPONSE TRAINING PROGRAM

Submitted by Jerry Fewkes, Emergency Management Coordinator

The Township of Clark is planning on holding another Community Emergency Response Training (CERT) program to be held in the Fall 2016/Winter 2017 time period, if we get enough people interested.

We have previously conducted eleven classes for the general public and one class for various teachers and administrators in the Clark Public School System with good attendance in all the classes.

The CERT concept dates back to 1985, when the Los Angeles Fire Department recognized that in the early stages of a major disaster local emergency responders could be overwhelmed, and basic training in disaster survival and rescue skills could improve the ability of community members to help themselves until first responders or other assistance arrived. This program, which now exists in every state, is promoted by the Federal Government through the Citizens Corp. program and the NJ State Police Office of Emergency Management. New Jersey presently ranks among the top states in the Country based on the number of CERT programs within each state.

This program is a 24 hr. training program, which is given over a 9-week period, that provides information on a variety of topics.

Participants will receive training in such areas as; CERT team organization and Incident Command System, identifying hazards most likely to affect their homes or community and general disaster preparedness, basic fire knowledge, basic 1st aid training, light search & rescue training, disaster psychology, and terrorism. This program is not intended to train people to be First Responders for Fire or First Aid purposes, but it is designed to train people to be better able to help themselves and their families, to possibly help their neighbors, and, if they choose, to help their community by assisting the various township emergency services in a major emergency situation.

CERT members have helped greatly on a community level during several of the recent storms we have had and were used for a number of things such as: Staffing of our Emergency Operations Center or shelters, providing assistance or transportation to people who may have to evacuate their homes, or delivering pumps and/or generators to other residents in time of flooding or power outages.

Anyone interested in participating in this program should contact the Office of Emergency Management at 732-388-3600 Ext. 3007. Applicants must be at least 18 years old.

CLARK POP WARNER

Submitted by Clark Pop Warner Board

As most of you know there will be no Clark Pop Warner Football (CPW) for the 2016 season. We would like to apologize to the residents of Clark and especially the families involved in CPW for allowing this to happen. We would also like to get the program back on track for the 2017 season. With that said there is an Old/New CPW Board. We say Old/New because this Board has or is involved with CPW and brings over 20 years of experience with them.

President: Pat Campione, Mr. Campione was involved in CPW for 15 years as a Coach and served as the President for 6 of those years and VP for 2.

Vice President: John Cuccolo, Mr. Cuccolo was also involved with CPW as a coach and the VP and was the equipment manager for a total of 9 years.

Board Secretary: Christine Greenbush, Mrs. Greenbush has been involved with CPW for 9 years. She has been the Board Secretary for 4 years and will continue as Board Secretary doing a great job in that position.

Treasurer: James West, Mr. West also served as a Coach and on the CPW Board as the previous Treasurer for 9 years.

Football Commissioner: Mike Bruno, Mr. Bruno was involved with CPW for 9 years as a Coach and served as the Football Commissioner for 3 years and the President for 4 years.

Co Football Commissioner: Ralph Talarico, Mr. Talarico also was involved with CPW as a Coach and was the Football Commissioner for 3 years.

Equipment Manager: Art DeMartinis, Mr. Demartinis has been involved with CPW for

many years as a Coach and previous Equipment Manager.

Cheer Coordinator/Commissioner: Vicky Dente, Ms. Dente has been involved with CPW for 7 years as a Coach and for 3 years as the Cheer Coordinator. She will remain as Cheer Coordinator/Commissioner and will continue to do a great job. Ms. Dente will also continue to Coach Cheerleading.

Cheer Secretary: Shannon Tarentino, Mrs. Tarentino has been involved with CPW for 10 years. She started out as Team Mom for Football then became a Cheer Coach and Team Mom for Cheerleading before taking over as Cheer Secretary 3 years ago. In addition Mrs. Tarentino still Coaches Cheer and will continue to do a great job as Cheer Secretary.

The members returning are doing so because all of their children have gone through the program both in Football and Cheer and had a wonderful experience. The returning members are also coming back because of the great experience their families had and would like the youth of Clark to experience the same as they all did and to build long lasting relationships. In past years the community of Clark have entrusted thousands of their children with these returning and remaining Board Members.

We realize that the news media and even the President of our country has hurt this sport as a whole but we also believe that all the facts are clearly not given and it is one sided. Since we are a small program we don't have the luxury of going on National TV. CPW is a strong supporter of USA Football which has the Heads Up program and is endorsed by both the NFL and the

CDC. All our Coaches are required to get certified in this program and utilize the skills they learn when working with your children. We have replaced all our football helmets with the latest technology in helmets being the Riddell Revolution Speed helmet. Which is the only helmet ever rated 5 stars and the highest rating given.

National Pop Warner has also taken steps to reduce injuries as a whole in the sport by eliminating kick offs and reducing the amount of contact time at practices to 25%.

Also Clark Pop Warner is much more than just Football and Cheerleading. The children are also encouraged to do well in their academics and are recognized through the National Pop Warner Scholastic program where your child may be awarded a scholarship.

Clark Pop Warner is the only Football program in town that works directly with the High School program and the coaches so that the curriculum is an easy transformation for those who choose to play at the High School level. So if you are interested in having your child become a part of an organization that teaches them Team Building, Leadership, Commitment, Cooperation, Responsibility, and Respect, than Clark Pop Warner is where they should be. Please keep a look out in the coming months for more information regarding camps and registrations.

If you have any questions please feel free to contact us @ clarkpopwarner@hotmail.com. We Thank You the Clark Community for your continued support and we look forward to working with all the parents, children, and anyone who is willing to help or Coach.

I TOTALLY RECOMMEND TOUCHSTONE

I hurt my back at the gym and was out for almost a month without working out. For the first week I wasn't even able to turn around on my bed. I thought the pain was going to go away but it never did.

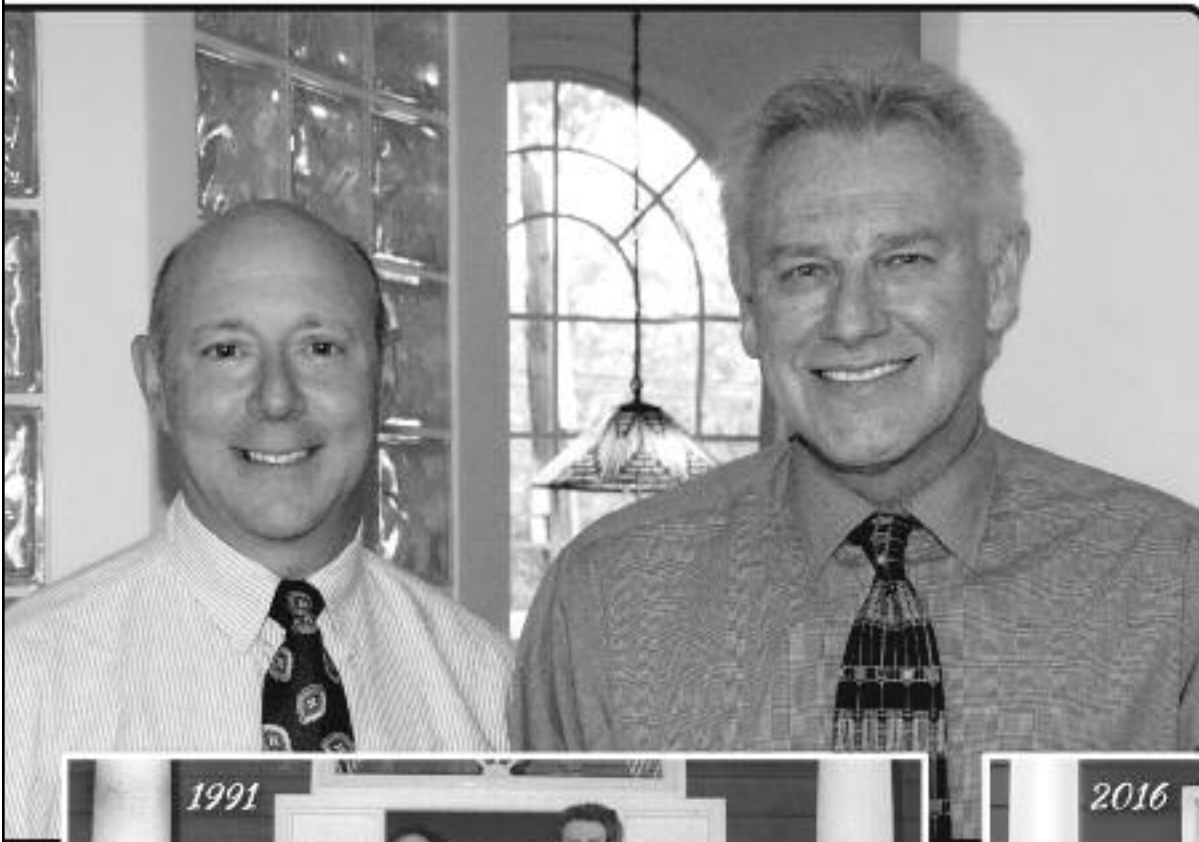

After a week from hell I decided to come to this place. After the third adjustment I was already able to turn around in bed. After two weeks I was already bending over and I was able to dress myself again. On my third week I was easily benching weights I never did before, squatting was decent and back exercises were not a problem. Finally after my fourth week was over I was able to start doing some decent deadlift too, there is still a long road, my treatment should last a whole year but it is totally worth it. I am feeling stronger than ever.

The staff is very friendly and helpful always finding the best options for you. They are very flexible with the appointments and payments. Doctor is very informative, always making sure that you understand how the process is going and how well/bad your condition is, very professional and quick. Totally recommend this place.

NEW SNACK SHACK DEBUTS

On the evening of Friday, September 16th, Arthur L. Johnson High School had a ceremonial ribbon cutting to debut a new snack shack for the school's athletic events. Many dignitaries attended the event, including Superintendent Ed Grande, Principal Rick Delmonaco, Mayor Sal Bonaccorso, and Board of Education Members Scott Bohm, Tom Lewis, and Robert Smoral.

The evening began with a few words from Athletic Director Gus Kalikas, who presented a plaque to the Booster Club to adorn the walls of

the new snack shack. A ceremonial ribbon cutting occurred next.

The snack shack is run primarily by the Arthur L. Johnson High School's Athletic Booster Club, who diligently sells concessions throughout the school's home athletic contests. Booster Club members Scott Bohm, Melissa Purcell, and Elisa Cuccalo ran the stand this (and many other) Friday, and they feel that the new stand will ultimately allow for the club to raise more money to give back to all of the athletic programs.

ALJ STUDENT NAMED STATE OFFICER

Julia Melao, senior, has been selected as Vice President for the statewide New Jersey Future Educators Association. As an officer, Julia has attended a leadership training at Lehigh University. She will also be responsible for planning the NJFEA Conferences throughout the year and guiding the direction of the organization.

"Julia is the type of student who excels when she is challenged. She is already an advocate for education and has the ability to immediately create positive change in whatever endeavor she pursues," commented teacher and advisor of The Future Educators/Tomorrow's Teachers program, Franklin Stebbins.

"Oftentimes, when I tell others I plan to pursue a career in education, I'm told many reasons why I should not be an educator. I'm hoping that being a part of this program will show me all of the reasons why I should be a teacher. In American society, teacher's lack the credit they truly deserve. What I love about this program is that it builds educators up by highlighting strengths and by showing how much of a difference a teacher can make in a student's life," stated Melao.

The Future Educators/Tomorrow's Teachers program is in its second year at ALJ and offers students the opportunity to obtain college credits through a partnership with Rider University. In its first year, the program was one of six chapters recognized at the statewide Service and Leadership dinner for its community projects. Last year, the group hosted a book drive collecting over 600 books and organized a weeklong science enrichment after school

program. Additionally, the group raised over \$500 for pediatric cancer research with the help of the ALJ Athletic Program. At the dinner, Stebbins was also invited to be the keynote speaker on the topic of advocacy and leadership for future educators.

ALJ KICKS OFF THE YEAR WITH FALL PEP RALLY

Arthur L. Johnson embraced the Crusader Spirit during a fall pep rally held in September. The event, run by the Student Council, featured all fall coaches and players. In addition to fostering school spirit, the pep rally was designed to encourage students to support their school teams and kick off the year on a strong, peppy note!

Each sports team had their captains speak about the most recent games on the roster and

their positive hopes for the year. The teams featured included football, gymnastics, and tennis, among many others. Ms. Lisa Bukowiec, co-advisor of the Student Council, stated, "The captains did an excellent job organizing their teams."

The ALJ marching band and color guard, directed by the hard-working and extremely dedicated Rachel Bollaro, was featured throughout the event. Matthew Kowalenko, the new school DJ this year, provided music for the cheerleaders and teams.

The cheerleaders, proudly donning their new uniforms, performed two exciting routines: one cheer and several stunts. "As always, the Johnson cheer squad had excellent performances, and their new uniforms looked awesome!" commented Ms. Bukowiec.

Mr. Fosco, ALJ history teacher, was the official Master of Ceremonies for the rally.

According to Ms. Marie Palma, Student Council co-advisor, "He has held this position for many years now. He was awesome at introducing each team with his own personal style and enthusiastic flair."

Mr. Delconte, the head football coach, made an appearance at the end of the pep rally to build excitement for the announcement of the football team and the senior captains this season. The football team proceeded to the field to do their famous, "Let's Go Johnson!" chant and huddle. The remaining student crowd stood in the bleachers cheering.

Ms. Palma stated, "Overall, the fall pep rally is by far my favorite rally of the year because there is a charge of electricity amongst the student body. It really helps make everyone excited about a new school year as well as making everyone (students and staff) feel united!"

GUEST SPEAKER VISITS CARL H. KUMPF MIDDLE SCHOOL

Carl H. Kumpf Middle School had the pleasure of hosting Dr. Frank Rudnesky, former principal of Belhaven Middle School and author of 50 Great Things Leaders Do: Let's Get Fired Up, on Tuesday, September 20th. Dr. Rudnesky has been recognized for the positive culture and climate he created at Belhaven Middle School.

During his visit, Dr. Rudnesky engaged students in a discussion about the qualities of an effective leader. Students responded that a leader must possess strong character and a positive attitude. He challenged all students to be leaders and upstanders as opposed to followers and bystanders.

Dr. Rudnesky also encouraged students to be "epic, not ordinary." He asked students, "What will be your legacy?" As part of their self-reflection, he invited students to consider those who had impacted their lives. Other common

themes included that one person can make a difference and be nice to others inspiring students to reach out to their peers if they need a friend.

One of his hand-on activities required students to trace a hand on a brown paper bag and put it on their wall, so they could pat themselves on the back if no one else was around to do it.

Assistant Principal of Carl H. Kumpf Middle School Amanda Davidson stated, "Dr. Rudnesky gave an empowering speech on leadership and the power that each individual has to help others and themselves.

Earlier in the year, the eighth graders gave LEM (Leadership Educational Mentoring) speeches to the incoming sixth graders sharing tips for middle school success. Dr. Rudnesky's visit reinforced the leadership skills fostered through that experience.

OVER 300 ATTEND SENIORS ANNUAL BARBECUE

(above) The Clark Senior Citizens were invited to the annual Senior Barbecue held at the Deutscher club in Clark over the summer. Over 300 attended the complimentary luncheon complete with food, dessert, and music. Mayor Sal Bonaccorso spoke briefly and introduced the township employees who helped serve the seniors. A great time was had by all.

OUR PAIN IS YOUR GAIN

Due to an unusually mild December last year our sales figures dipped for the 2015 – 16 fur season. This means we are taking a more aggressive start to our 2016 – 17 selling season. Our first sale will begin in October with a 40% markdown on all current inventory. As always, La Marque will continue to feature many one of a kind garments not available elsewhere. I'm also very excited to introduce our new accessory line. Scarves, flings, headbands, earmuffs and fur trimmed shearling gloves (\$40 - \$250!) in assorted colors that can be worn to enhance any garment in your wardrobe. We look forward to seeing you at the store!

MRS. CONNER'S STUDENTS "GOTTA REACH EM'ALL"

Mrs. Nina Conner's students at Frank K. Hehnl Elementary School in Clark are striving towards a variety of goals this school year with a "gotta reach em'all" mindset. Students were asked to brainstorm their full year growth objectives and were then prompted to identify them on Poké Balls, which are being displayed on a bulletin board outside their classroom. Students identified, "becoming a master subtractor," "publishing a written work," and "writing in cursive" among many other goals. Mrs. Conner will refer to the bulletin board in the upcoming months and remind students that perseverance and hard work will be required if they want to "reach em'all."
