NEW PROVIDENCE REDS WIN CHAMPIONSHIP

By: Edir Coronado

The New Providence Reds are the 2016 New Jersey Amateur Baseball League Champions. On August 27th The Reds faced the Yellow Jackets at Palisades Park in game 2 and defeated their opponent, mainly through defense, holding the Yellow Jackets to 1 run the entire series and scoring when it counted.

The New Providence Reds are no strangers to the winner's circle. The New Providence Red's, or the Jersey Athletics, started in 2002, during this time then player now coach, Matthew Somos began to play with the organization. In 2003 they changed the team name to the Jersey Giants, that same year in the fall Matthew Somos took on coaching responsibilities and the team changed their name to the Whitehouse Giants.

Matthew Somos is an integral part of their success. Matthew has lived in New Providence for 31 years. After having graduated from William Paterson University with an undergraduate degree in communication, Matthew went on to play two years of college baseball at Raritan Valley Community College. He then became an assistant coach at the college for two years before rising to head coach, where he held the position for three years. He moved on to be an assistant coach for two years, where he still coaches as a volunteer in the fall. He is now the Varsity assistant coach at Oratory Preparatory School.

It is this extensive coaching plus playing experience that has allowed Matthew to guide his team to victory on the field. The team won their first championship when they changed their names to the Whitehouse Reds, in 2004. They again returned to the championship scene in 2009, winning their second in the Adult Baseball League.

The team decided to change leagues and joined the Amateur Baseball League, winning their first championship game in 2013 as the New Providence Reds in the Inaugural Metal

Championship. They returned to the spotlight the next year to win their second championship in 2014 and this year solidifies their dynasty. Through all their efforts and having a successful 2016 year, Matthew Somos explains that although they won the championship this year, it was their most difficult season to date. Last year, while they did not win the championship, the Reds still had an impressive 15-3 record, this season they had three 2 game winning streaks, one coming at the end of the season in the form of a double header. They were outscored 19-1 in their home field, something that is uncharacteristic of the team, since defense is a focal point to their success.

The team chose to completely suppress their disappointing losses and head into the playoffs with a fresh start. The Reds leaned on their defense, which Matt feels was the best in the entire league. The reliance worked and once in the championship, they felt they had no reason to change the game plan. They relied on Scott Horowitz, their ace, to carry them deep into the game. The Yellow Jackets were unable to connect with him on the mound and that trend continued in the championship game.

Scott has played with the New Providence Reds for a few seasons and played college ball at Denison University in Granville, Ohio. He heard about the team from two of his old high school teammates at Bridgewater-Raritan High School, Billy Holden and Carlo Romano. Scott admits that the Yellow Jackets have had several hits and runs against him, but having a formidable opponent only excites the competitive athlete within him. Scott believes the Yellow Jackets are a talented team, when he heard they were going to face them he welcomed the opportunity. Ultimately Scott credits his defense for the win.

Currently the team is resting until they start their practice sessions again in February. Matt explains that the plan is to stay together as a team and play until there is no more passion for the game. As players begin to "retire," Matt hopes that the younger fans that attend the games will join the team in the future and continue that New Providence Reds Pride.

Please join The Presbyterian Church at New Providence women on Saturday, October 15th, 2016, 9am at South Mountain Reservation as we walk to empower vulnerable women in Malawi, Africa through vocational training! To sign up for this event or to find out more details, please visit www.womenwalkingforwomen.org

The Presbyterian Church at New Providence has been supporting a program which trains women for 10 years in Malawi. In Malawi, many women are educated only until age eleven, making it difficult to support themselves and their families. As a result of their lack of education, being forced into early marriage, divorce, being

a widow, or having a disability, these vulnerable women live in poverty. Many vulnerable young girls and women, who lack skills or education end up in sex work. This training keeps them safe and out of dangerous industries. Receiving vocational training greatly increases the woman's ability to earn a living in a safe manner; increasing her ability to care for herself and her family.

We hope you will join other women in our area as they walk to empower and help support the Malawi women.

Please contact the church office 908-665-0050 if you have any questions.

(above) While on a recent trip to Malawi, The Presbyterian Church members met Eletina Iscort (center) who graduated in December of 2015. She and her husband (who is a pastor in a community which cannot pay pastors a living wage) had no steady income. She not only began her business tailoring in her community but she is also giving back by teaching others how to tailor. Eletina is now earning enough for her family to eat well, is able to pay for her children's school fees and has begun to employ others in her village.

FALL FESTIVAL STREET FAIR SET FOR NOV 6TH

On Sunday, November 6, 2016, the New Providence Business Community is presenting its Fall Festival Street Fair. This event will once again be held on Springfield Ave. from Livingston St. to South St. The hours of the Street Fair are 10am-4pm. The street will be transformed into a giant town block party. There is a special section brimming with all kinds of fun stuff to do. There will be mechanical kiddie rides, climbing wall, pony rides, petting zoo, clown, face painting, sand art, temporary tattoos and so much more! There will be live entertainment all day long featuring bands, dancers, karate demonstrations and more.

This event brings the whole community together. Many of the local merchants and businesses will showcase their shops and offer their special sales. Everyone will surely enjoy the open air cafes along the street fair route offering a wide selection of delicious foods such as hot dogs, ice cream, chicken fingers, zeppoles, shish ka bobs, fresh squeezed lemonade, Italian Ices, french fries, hamburgers, sausage and pepper

sandwiches, cheesesteaks, and much more.

There will be attractions for everyone. For your shopping pleasure JC Promotions, Inc. promoter of the street fair will feature many creative crafters with hand crafted works and merchandise dealers offering lots of great bargains and unique items for all. Everyone loves Karaoke! At this event and many more of JC's festivals we will feature a section with Karaoke by PPX. The Kids Traveling Shindig area will station Karaoke. So if you want to perform just visit the booth.

Any local civic group or merchant is invited to participate in this event. This is an opportunity for local businesses and groups to promote their establishments or organization. The New Providence Business Community is expecting to attract thousands of people from the community and other neighboring towns.

For more information please call JC Promotions, Inc. at 201-998-1144 or email us at events@jcpromotions.info or go to our website www.jcpromotions.info.

HEARING SOCIETY WEEKLY CLASSES

The Hearing Society, a local not-for-profit organization serving people with impaired hearing, resumed its weekly sessions in speech (lip) reading. The class meets at the First Baptist Church of Westfield, 170 Elm Street, each Thursday, September through May, 10:30-11:45 a.m., unless otherwise announced. Coffee and light refreshments are served before each session.

The classes are under the direction of a skilled professional and provide strategies for coping with hearing loss, and techniques for improving communication abilities.

The sessions also serve as a support group for

Hearing Society members experiencing the problems associated with hearing loss, and include discussions concerning new developments in the ever expanding technology of hearing enhancements now available. The members also enjoy occasional social gatherings throughout the year.

Anyone in the greater Union County area who is interested in membership in the organization and would like to participate in its classes and activities may contact Alice Knecht at 908 688 8241 or alirobkn@aol.com for more information.

“ I finished the 40 days at the end of March, 28 pounds down. For the next 4 weeks I used the tools that I was taught by this wonderful staff to maintain my weight even while on vacation at an all inclusive resort. When given the green light, I was able to lose 10 more pounds on my 'own', but still using Nutrimost tools and support. I am 38 pounds down now and am thrilled to be feeling so much more energetic and healthy.

*Weight loss among participants in the Nutrimost program varies. Nutrimost guarantees 20-pounds of weight loss by the end of your entire program, or your program will be extended without cost until you do lose 20 pounds. If within 90 days you have not lost at least 20 pounds, your Nutrimost office will refund a pro-rated amount up to the entire cost of the program upon request. Restrictions apply. Most participants lose an average of 1-2 lbs. per week. Testimonials are from actual clients who completed the program and did not receive any compensation for their endorsements.

PBA #132 HOLDS 1ST ANNUAL CAR SHOW

On October 2nd New Providence residents gathered at the Municipal Building to view several cars on display for the New Providence PBA# Local 132 1st Annual Car Show. The vehicles lined up had a wide range of categories, from military trucks, to classic police vehicles, and even an old two-wheeler. This Car show was not short on historic and classical automobiles.

The event was not solely for the purpose of car

gazing, attendees had the opportunity to eat delicious burgers and enjoy cold beverages, while mingling with fellow New Providence residents. The car show also gave community members the opportunity of meeting New Providence police officers.

Other distinguishable community members included Mayor Al Morgan, as well as local veterans from The American Legion Post #433.

Photos from this and other events can be found online at rennamedia.com and on the New Providence News page on facebook.com Feel free to "Like", "Tag" and "Share".

The Civil Air Patrol Cadet Program of Union County ended their action packed summer by providing a presentation to community members in the Scotch Plains Library. The Civil Air Patrol is a non-combatant organization, which is an auxiliary of the Air force, made up of civilian volunteers. Cadets had the opportunity to teach local students about aerospace concepts, as well as give hands-on training on how to use a flight simulator. The purpose of the event was to serve as an outreach program to display what the cadet program encompasses, hopefully sparking some interest among the student population in Scotch Plains and the surrounding towns within Union County.

The day was broken down into two sections. The cadets first presented a PowerPoint explaining topics, such as how wings create lift; which, according to NASA, is a subject that many internet sources, textbooks, and encyclopedias get wrong. The theory NASA uses is what the cadets explained in their presentation, the Bernoulli's principle. NASA also refers to an Isaac Newton theory, but explains that the Bernoulli's theory is correct, along with Newton's theory. Other topics covered in the first session included the axis of an airplane and also the parts of an airplane that control maneuvers.

The second portion of the program was dedicated to more hands-on instruction. Students at the library were instructed on how to use flight simulators. Two simulators were used in the demonstration. Attendees could practice how to take off, land, fly, and could also learn the different instruments on a plane and how they affect the planes movements. Afterwards, paper

model rockets were displayed in order to teach basic principles of flight.

Jose and Ceri Vergara are in charge of the Civil Air Patrol. Ceri explains that the Civil Air Patrol began during World War II for the purpose of allowing civilians, who owned airplanes, to get involved. During the September 11th attacks, civilian airplanes were used for reconnaissance. The Civil Air Patrol Program has programs for both adults and teenagers, ages 12-18. Currently, the Civil Air Patrol Program of Union County has 6 adult members, these members are in charge of providing education and scheduling activities for the group. The group meets Tuesdays from 7-9 p.m. at Chatham High School.

Jose and Ceri were inspired to join the Civil Air Patrol by their daughter, Veronica Vergara, who attends Union County Vocational Technical School in Scotch Plains. Currently, Veronica is the elder of the cadets and has taken over as senior cadet.

Jose notes that countless students looking to go to college in the near future often seek extracurricular activities in order to stand out. This is where a program like Civil Air Patrol could be useful. Ceri feels that in addition to the program looking good on your resume, students also have the opportunity to learn and experience things that they might not in a regular school setting. One parent, Ceri recalls, stated at a parent's meeting, "This is the best kept secret in the United States!"

For more information on the Civil Air Patrol please visit [GoCivilAirPatrol.com](http://www.njwg.cap.gov), <http://www.njwg.cap.gov>, and <http://gocivilairpatrol.com>.

FREE PEER SUPPORT GROUP FOR CHILDREN AGES 6-12

Westfield Rainbows, a free peer support group for children ages 6-12, will begin its fall session from October 17 to December 5 on Monday evenings from 6:15-7:30 at Holy Trinity School in Westfield.

Westfield Rainbows is the local site for Rainbows, an international not-for-profit organization that assists children and their families, dealing with life-altering family disruptions, including loss through separation, divorce, death, illness or other painful transitions. Children from all economic, ethnic, and religious background from the region are welcomed.

The peer groups are led by trained, certified volunteers who employ age appropriate curriculum, such as journals, games, and activities for participants. These support groups provide grieving children with an opportunity to deal with and resolve feelings in a confidential, supportive and accepting environment. Since 1983, Rainbows has served over 1.9 million children. The organization has established sites in 49 states and 16 foreign countries. Each year Rainbows reaches over 160,000 children and youth at 41 sites in the United States and 2338 abroad.

Residents will have three (3) options for leaf collection this fall:

1. Put leaves in cans, open containers, or paper bags and place at curbside for Monday collection. Leaves, grass, brush, and garden debris are collected every Monday through December 12. (Must be placed at curb prior to 5 AM)
2. Have your landscaper collect leaves. Landscapers are responsible for disposal of leaves and are not permitted to dump at DPW. If your landscaper plans to blow leaves into the curb they must follow the pickup schedule for your street and pay for a permit to have them vacuumed. View application.
3. You may purchase a permit for \$55 to have your leaves vacuumed from the curb.

Leaf Collection Guidelines

Participating residents will have their leaves vacuumed at curbside in accordance with the schedule listed below.

- Leaves must be placed in the roadway at curbside. Leaves cannot be put out until the Thursday before your scheduled pickup. They must be put out by 5 AM Monday of your collection week as outlined below.
- Sticks may not be commingled into the leaf piles – they clog the vacuum.

- Only leaves from your property are permitted. Residents will receive a permit that must be placed in their window and be visible from the street during their collection week.

Questions concerning the program should be directed to James Johnston, Public Works Manager at 908-665-1076.

Options for Purchasing Leaf Vacuuming Permit:

Deadline for Purchasing Permit: Sunday, November 13

1. Pay Online and Print your Permit (Online payment option will end on Sunday, November 13 – PLEASE CALL THE CLERK’S OFFICE IF YOU HAVE QUESTIONS 908-665-1400 x0). **IMPORTANT! IF YOU PAY ONLINE YOU MUST PRINT THE PERMIT BEFORE YOU EXIT THE PROGRAM. YOU WILL NOT BE ABLE TO GO BACK AND PRINT IT.**
2. Print Application– mail or bring with payment to the Municipal Center – Clerk’s Office
360 Elkwood Avenue
New Providence, NJ 07974
3. Call the Borough Clerk’s Office and pay with credit card over the phone 908-665-1400 x0 (permit will be mailed to you).

DR. KEITH MASON PUBLISHES GREAT PUMPKIN AND GRINCH TRIBUTE

New Providence resident and teacher Dr. Keith Mason has published an article in the October 2016 issue of School Band and Orchestra. The article marks the fiftieth anniversary of two television specials: “It’s the Great Pumpkin, Charlie Brown” and “How the Grinch Stole Christmas!” The article provides background about Charles M. Schulz, Peanuts creator, and Dr. Seuss, author of the original “Grinch” book. The article suggests classroom activities and may be accessed on line at sbomagazine.com. Dr. Mason recently joined Camp Broadway as a curriculum consultant and study guide author for digital materials aligned to Broadway musicals and plays. He enjoys using popular culture icons to inspire classroom learning.
