SUMMIT FAMILY AQUATIC CENTER HOSTS DOGGY DIP

The City of Summit has a new tradition and it involves our beloved furry friends, dogs. Dogs aren't the only ones that need to take a dip in the pool to cool off from the lingering heat left over from our scorching summer. After the pool has been officially closed to people, for one-day the Summit Family Aquatic Center opens its doors for dogs to swim, run, and interact with other neighborhood dogs or dogs in the surrounding neighborhoods. The pool is closed after Labor Day and last year the Summit Community Programs organized the event, which was well received by the community. The pool welcomed 75 dogs and their human companions in 2015 and because of how well the program worked this year 105 dogs were invited.

The times are split into three sections, with a time slot of about 45 minutes. The categories are small, medium, and large sized dogs. Unfortunately, due to the size of the pool the number of dogs allowed will not increase.

7 THINGS YOU MUST KNOW BEFORE PUTTING YOUR HOME UP FOR SALE

Summit NJ - A new report has just been released which reveals 7 costly mistakes that most homeowners make when selling their home, and a 9 Step System that can help you sell your home fast and for the most amount of money.

This industry report shows clearly how the traditional ways of selling homes have become increasingly less and less effective in today's market. The fact of the matter is that fully three quarters of homesellers don't get what they want for their homes and become disillusioned and - worse - financially disadvantaged when they put their homes on the market.

As this report uncovers, most homesellers make 7 deadly mistakes that cost them literally thousands of dollars. The good news is that each and every one of these mistakes is entirely preventable. In answer to this issue, industry insiders have prepared a free special report entitled "The 9 Step System to Get Your Home Sold Fast and For Top Dollar".

To order a FREE Special Report, visit www.njhomesellermistakes.com or to hear a brief recorded message about how to order your FREE copy of this report call toll-free 1-888-243-5861 and enter 2006. You can call any time, 24 hours a day, 7 days a week.

CIVIL AIR PATROL PROGRAM OF UNION COUNTY

By: Edir Coronado

The Civil Air Patrol Cadet Program of Union County ended their action packed summer by providing a presentation to community members in the Scotch Plains Library. The Civil Air Patrol is a non-combatant organization, which is an auxiliary of the Air force, made up of civilian volunteers. Cadets had the opportunity to teach local students about aerospace concepts, as well as give hands-on training on how to use a flight simulator. The purpose of the event was to serve as an outreach program to display what the cadet program encompasses, hopefully sparking some interest among the student population in Scotch Plains and the surrounding towns within Union County.

The day was broken down into two sections. The cadets first presented a PowerPoint explaining topics, such as how wings create lift; which, according to NASA, is a subject that many internet sources, textbooks, and encyclopedias get wrong. The theory NASA uses is what the cadets explained in their presentation, the Bernoulli's principle. NASA also refers to an Isaac Newton theory, but explains that the Bernoulli's theory is correct, along with Newton's theory. Other topics covered in the first session included the axis of an airplane and also the parts of an airplane that control maneuvers.

The second portion of the program was dedicated to more hands-on instruction. Students at the library were instructed on how to use flight simulators. Two simulators were used in the demonstration. Attendees could practice how to take off, land, fly, and could also learn the different instruments on a plane and how they

affect the planes movements. Afterwards, paper model rockets were displayed in order to teach basic principles of flight.

Jose and Ceri Vergara are in charge of the Civil Air Patrol. Ceri explains that the Civil Air Patrol began during World War II for the purpose of allowing civilians, who owned airplanes, to get involved. During the September 11th attacks, civilian airplanes were used for reconnaissance. The Civil Air Patrol Program has programs for

both adults and teenagers, ages 12-18. Currently, the Civil Air Patrol Program of Union County has 6 adult members, these members are in charge of providing education and scheduling activities for the group. The group meets Tuesdays from 7-9 p.m. at Chatham High School.

Jose and Ceri were inspired to join the Civil Air Patrol by their daughter, Veronica Vergara, who attends Union County Vocational Technical School in Scotch Plains. Currently, Veronica is the elder of the cadets and has taken over as

“ I finished the 40 days at the end of March, 28 pounds down. For the next 4 weeks I used the tools that I was taught by this wonderful staff to maintain my weight even while on vacation at an all inclusive resort. When given the green light, I was able to lose 10 more pounds on my 'own', but still using Nutrimost tools and support. I am 38 pounds down now and am thrilled to be feeling so much more energetic and healthy.

YMCA RECEIVES \$2500 GRANT FOR FAMILY PROMISE MEMBERSHIPS

On August 30, 2016, the Summit Area YMCA received a generous gift of \$2,500 from the Affinity Federal Credit Union Foundation, which supports the Y in providing free memberships to participants in the Family Promise program staying at the Central Presbyterian Church each month.

As a charitable organization, the Y counts on the generosity of our community to ensure that no child, family, or adult is turned away from our programs and services because of their inability to pay. Financial assistance allows the Summit Area YMCA to provide a summer camp experience, swim lessons, or involvement in one of our sports leagues to every child and family who seeks the opportunity. In September of 2014, the Summit Area YMCA began providing financial assistance for memberships to individuals participating in the Family Promise Program in Summit, NJ.

Family Promise is a national organization based in Summit whose mission is to help homeless and low-income families achieve sustainable independence through a community-based response. The SAY began partnering with Family Promise in 1986, its first year of existence, to offer a hot shower as well as place for families to gather. Locally, homeless families find housing at various locations, rotating weekly. While families find themselves at the Central Presbyterian Church in Summit, the SAY provides them with short-term memberships so they can utilize our facilities and programs. Since starting this partnership a year and a half ago, we have given out 65 memberships, though only approximately 30 are active at any given time. The participants in this partnership range in age from 1 to 58.

The Summit Area YMCA is one of area's leading 501c3 organizations. Our programs and services are open to all through our financial assistance programs made possible through the generosity of our members, donors, staff and partners. To help us help others, please make your donation today at www.thesay.org.

CITY OF SUMMIT POLICE

STREET SMART PEDESTRIAN SAFETY PROGRAM

City of Summit Police announced its participation in Street Smart Summit, a pedestrian safety initiative focusing on outreach, education and enforcement designed to change unsafe behavior by pedestrians and drivers on our roadways. The Street Smart campaign is launched in early September to coincide with the start of back to school; it focuses on reducing accidents to prevent injury, while increasing compliance of life-saving traffic and pedestrian safety laws. The Summit Police Department partnered with TransOptions, a non-profit transportation group serving northern New Jersey, to deliver the program.

"Every time you get behind the wheel of a vehicle or cross the street, you need to be alert and ready to respond to the unexpected," explains Summit Police Chief Robert Weck. "The goal of the Street Smart campaign is to educate motorists and pedestrians on how to more safely share the road. It is our continuing priority to make Summit a safer community for walking, biking and driving."

Street Smart is a collaborative effort between the North Jersey Transportation Planning Authority (NJTPA), Federal Highway Administration, New Jersey Department of

Transportation and New Jersey Division of Highway Traffic Safety. TransOptions is working with NJTPA to coordinate the Street Smart campaign in communities throughout northwestern New Jersey. Street Smart aims to change pedestrian and motorist behavior to reduce pedestrian-related crashes, injuries, and fatalities. The campaign uses the slogan "check your vital signs" to remind motorists and pedestrians of safe travel roles and responsibilities. Vital signs are displayed on tip cards, posters and temporary street signs throughout the community as a visual reminder for drivers and pedestrians. In the state of New Jersey, from 2010 to 2014, 750 pedestrians were killed and 17,000 were injured. Between 2013 and 2015, there were 34 pedestrian-related accidents in Summit. Of those incidents, 85% resulted in a pedestrian being injured. Summit also ranked #9 in pedestrian accidents in Union County between 2013 and 2015. For more information on TransOptions and the Street Smart campaign in other municipalities, go to transoptions.org or contact Laura Cerutti at 973-267-7600 or lcerutti@transoptions.org. For additional details on Street Smart Summit, please visit cityofsummit.org.

OUR PAIN IS YOUR GAIN

Due to an unusually mild December last year our sales figures dipped for the 2015 – 16 fur season. This means we are taking a more aggressive start to our 2016 – 17 selling season. Our first sale will begin in October with a 40% markdown on all current inventory. As always, La Marque will continue to feature many one of a kind garments not available elsewhere. I'm also very excited to introduce our new accessory line. Scarves, flings, headbands, earmuffs and fur trimmed shearling gloves (\$40 - \$250!) in assorted colors that can be worn to enhance any garment in your wardrobe. We look forward to seeing you at the store!

HEARING SOCIETY WEEKLY CLASSES

The Hearing Society, a local not-for-profit organization serving people with impaired hearing, resumed its weekly sessions in speech (lip) reading. The class meets at the First Baptist Church of Westfield, 170 Elm Street, each Thursday, September through May, 10:30-11:45 a.m., unless otherwise announced. Coffee and light refreshments are served before each session.

The classes are under the direction of a skilled professional and provide strategies for coping with hearing loss, and techniques for improving communication abilities.

The sessions also serve as a support group for

Hearing Society members experiencing the problems associated with hearing loss, and include discussions concerning new developments in the ever expanding technology of hearing enhancements now available. The members also enjoy occasional social gatherings throughout the year.

Anyone in the greater Union County area who is interested in membership in the organization and would like to participate in its classes and activities may contact Alice Knecht at 908 688 8241 or alirobkn@aol.com for more information.

RESIDENTS ENCOURAGED TO VOLUNTEER ON CITY GOVERNMENT BOARDS AND COMMISSIONS

The City of Summit is actively seeking volunteers from the community to serve on several of its committees and commissions.

"There's nothing more fulfilling than realizing how much of an impact being a volunteer can make," explains Summit Mayor Nora Radest. "Getting involved in the community allows people to get to know other residents, try new activities or learn new skills while helping to make Summit a better place for us all to live and work."

Each November, the Mayor and Common

Council begin the annual process of reviewing volunteer applications and appointing new members. Terms vary from one to five years of service with an opportunity for re-appointment. The City keeps applications active for two years.

A complete list of Boards and Commissions is posted on the City of Summit website and can also be found on the back of the volunteer application. Please email completed applications to rlcatese@cityofsummit.org or mail to the City Clerk's Office at 512 Springfield Avenue, Summit, NJ 07901.

SUMMIT LEAGUE OF WOMEN VOTERS HOLDS CANDIDATES FORUM

The public is cordially invited to attend the Summit League of Women Voters Candidates Forum on Saturday morning, October 15 at 9:30 in the Media Center at Summit High School.

The three candidates who are running for seats on Summit's Common Council will be present. Steve Bowman (R) is up against Greg Vartan (D) for the Ward II Council seat; Mike McTernan (R), incumbent, is running unopposed for the Ward I slot.

The event will follow LWV rules which means an out-of-town League Moderator will oversee the forum and only the contested seat candidates will be allowed to debate. Mr. McTernan will make an opening statement, but since he is

unopposed, he will not participate in the debate. Mr. Bowman and Mr. Vartan will make opening statements and then respond to questions prepared in advance by the LWV and then solicited from the audience. They will be allowed to rebut each other's comments. The two contestants will then make closing statements.

Summit High School is located at 125 Kent Place Boulevard in Summit and there is ample free parking in the school lot. If you need to register to vote in the November Presidential Election, forms will be available at this event. (The last day to register for the November 8 election is October 18.) For additional information, visit www.lwv-bhnps.org.
