WHIZ KID BUILDS COMPUTER AND DONATES TO SENIOR CENTER

By: Edir Coronado

Thirteen-year-old Kristian Borysiak is a mouse potato and enjoys every moment of it. Ever since the 5th grade Kristian has been enamored by the inner workings of the computer, which is why at the beginning of this summer, Kristian professed to his father, Leszek Borysiak, his ambitions to open up a new business, selling computers. Leszek encouraged his eager son to pursue his dream, but proposed a different way of providing computer hardware to the public. Kristian loves computers as a whole, but what he really enjoys is building computers from scratch. The business that Kristian wanted to start, with longtime friend Junaid Ilyas, was constructing computers for his clients, solely based on the client's specific requests. Leszek advised his son to build a computer, but instead of selling the computer he could donate it to an organization in need.

Kristian's bond to his grandparents set the course for the organization in need. He often spends his time Skyping his grandparents, and the idea clicked; although there are plenty of organizations that might need the computer, he knows how devastating it would be if his communications with his grandparents were limited. Kristian decided that he would donate the computer to the Chelsea Senior Center. Before any assembling could proceed, Kristian first needed to secure finances to purchase the parts, he started a GoFundMe page, where he explained the scenario. The site was a success; family, friends, and strangers, all contributed. These funds, plus the extra cash he earned from completing chores around the house, allowed Kristian to obtain all the parts needed.

The next hurdle was gathering information on how to build the machine. For this Kristian researched different YouTube videos on the matter and other reading materials. The whole process took Kristian about two months to complete and on August 30th, in a room full of seniors, Kristian along with his family and friend Juanaid by his side, uncloaked the new PC to the crowd. An incredible amount of questions followed; inquiries like; what is Skype and Google? were frequently asked. Kristian quickly realized it wasn't enough to simply donate the computer to the seniors, he

needed to properly teach them how the computer worked. For thirty minutes Kristian stood by the newly built computer and went through all the different programs, patiently responding to all questions asked. He then offered; upon scheduled request, to come to the senior center on his free time and teach the seniors how to use the PC.

This was the first step in Kristian's goal towards a business in computers and his parents, Leszek and Mariola Borysiak, were hands-off during the whole evolution. Kristian relied on YouTube tutorials and manuals in order to build the tower, his future business partner Juanaid donated the monitor. Kristian will be heading to high school in a year, where he plans on expanding his knowledge through participating in different clubs, such as the Robotics Club.

2016 FANNYWOOD DAY PHOTO ALBUM

It was a beautiful fall afternoon for Fanwood residents and visitors to enjoy food, music, shopping, contests, and more at Fanny Wood Day on Sunday, Sept. 18 in downtown Fanwood.

Winners of the Fanwood Photography Contest were announced at the event. Congratulations to winner Al Kruper, who took both first and third; and also Brian Cook, who took second! Highlights of the day included the Pet Parade, which featured Fanwood's finest furry residents sporting their best attire. The pizza, ice cream and cream pie-eating contests were a big success, as

was the scavenger hunt. Briana McGowan won the ice cream-eating contest for the 8th consecutive year.

Other attractions included rides, games, the YMCA's recreation area, and a vintage car show, dedicated to the memory of the much beloved classic car enthusiast, Don Wussler. Fanwood's Rescue Squad and Fire Department was also on site offering tours of their vehicles. Thanks to everyone who came out to enjoy this great, community event and a special thanks to the Fanny Wood Day Planning Committee.

For the seventh year in a row, Fanwood Recreation hosts our community's favorite running event... and this year, all runners are invited to reveal their true selves and come dressed as their favorite super hero! The Fanwood 5K Super Hero Run & Family Fun Run returns on Sunday, October 16th, at La Grande Park in Fanwood. The 5K Super Hero Run will begin at 9:30 AM. Before that, the one-mile Family Fun Run will begin at 9 AM in La Grande Park, and, of course, all children are also welcome to dress up as their favorite costumed characters. Plus, all participating Fun Run children will receive a super hero cape and mask, and automatically be entered in a raffle for gift cards. And free refreshments will await all finishers.

Pre-registered runners who want to avoid the lines the morning of the 16th will be able to pick up their numbers and t-shirts the day before, from 4-5:30 PM at the La Grande Park building.

The entry fee for the 5K is \$25, \$20 for USATF members and \$30 after October 13th. The entry fee for the Family Fun Run is \$10 with a t-shirt and \$5 without. You can download a race application or register online at Fanwood5K.org. The race is fully sanctioned by the United States of America Track and Field (USATF) and is part of the New Jersey Grand Prix as a 500 point race.

All proceeds from the event go to the Fanwood Recreation Department, and will help to purchase

new playground equipment, build new recreational facilities and expand recreational programs for local residents.

The event is accepting sponsorships; please visit Fanwood5K.org for details on becoming a sponsor.

Come out and be a part of the day: enter the

5K Super Hero Run or the Family Fun Run with your children, cheer the runners, or volunteer to help. Visit Fanwood5K.org or contact Joe Valente at (201) 725-2032 for more information.

Please be aware that roads will be closed along the race route approximately between the hours of 8 and 11 AM.

NEW FANWOOD RECYCLING APP

Fanwood is providing a new recycling app to residents, called Recycle Coach. The goal is to make recycling more convenient for residents, while increasing participation. The mobile application can be installed for free on tablets, smartphones and computers, making information and resources available at your fingertips.

The app is customized for Fanwood and allows users to:

- View Fanwood Public Works pickup schedules
- View County-wide recycling centers and schedules
- Answer questions on how best to recycle a questionable item; be it bi-weekly curbside pickup, 1st Saturday Recycling Center Drop-off, Special County Event, Fanwood Fall Bulk Waste pickup or simply toss it in the garbage
- Report a problem (missed collection, damaged or missing bin, incorrect app info)
- Communicate with PMUA, Fanwood DPW and app administrator
- Receive notifications of schedule changes and updates.

Mayor Colleen Mahr said, "We want to give residents every tool possible to ensure Fanwood's curbside recycling program is successful and convenient. We hope the app will increase recycling and limit the amount of recyclables headed to the landfill so we can continue to do our part to promote a healthy planet."

Recycle Coach is now available for download through the App store or recyclecoach.com.
