## VERICON FOUNDATION AWARDS BOYS & GIRLS CLUBS

Boys & Girls Clubs of Union County is pleased to announce an award from Vericon Foundation of Mountainside, NJ. Thanks to generous support from Vericon Foundation, the locker rooms at our Union Club have been updated and renovated. Vericon Foundation has selected Boys & Girls Clubs of Union County as the 2016 recipient of their annual gift to support local non-profit organizations. Staff from Vericon Construction worked tirelessly to upgrade our locker rooms, which are used by thousands of members and youth from all over Union County.

“We are so thankful for this award and the opportunity to work with Vericon Construction. They have transformed our old locker rooms to a new, sparkling space,” said Russell Triolo, CEO. “This renovation allows us to provide a best-in-class facility to our members and guests.”

The renovation included painting both boys and girls locker room walls, new doors on changing rooms, new sinks, new ceiling tiles, new base boards, repainting of all stalls, new mirrors, new artwork for walls and the floor tiles have been professionally cleaned and sealed to prevent further water damage. Next time you visit the Union Club please make sure to see the new locker rooms.

Charlie DeAngelis, Vericon Construction Chief Executive

## FREE WORKSHOP ON STARTING A NEW BUSINESS

*UCEDC reviews steps to increase likelihood of success*

Starting your own small business may be the fulfillment of a long-held dream, but it's also a very risky proposition: about half of all businesses fail within five years. That's why UCEDC, a non-profit, small business lender and entrepreneurial training organization, is offering a free workshop, "Starting a Business in NJ – the Steps you Need to Take" on Tuesday, January 10, 2017 at 6 pm at its Cranford headquarters.

Led by UCEDC Director of Training Erich Peter, the session will cover the mechanics of starting a business including the pros and cons of different legal business structures, required insurances; understanding your tax liabilities, and HR issues.

"You may have the greatest product or service to sell, but it won't matter if you don't prepare yourself for the many challenges you will inevitably face," warns Peter. "We'll review some of the more critical factors that contribute to a successful small business and give you a strong foundation to move ahead."

UCEDC is the entrepreneurial training arm of

the NJ Economic Development Authority and provides scores of free business literacy workshops throughout New Jersey.

Online registration for the free workshop is available on the UCEDC website: [www.ucedc.com](http://www.ucedc.com). For more information, contact Erich Peter at 908-527-1166 or [epeter@ucedc.com](mailto:epeter@ucedc.com).

UCEDC (Union County Economic Development Corp.), a nonprofit economic development corporation, is dedicated to promoting New Jersey's small businesses with resources tailored to every stage of business growth. Since our inception in 1977, we've provided over \$24 million in loans to start-up and established businesses through a variety of SBA programs and other funding sources. Our Procurement Technical Assistance Center helped local businesses win over \$2 billion in awarded government contracts. And thousands of entrepreneurs have attended our workshops and seminars, giving them a strong foundation for success.

Get answers to these questions and much more. Neil Berger developed a seminar for employees entitled "67 is the New 65 - Social Security Basics" while Director of Human Resources at a major corporation. He returns to the library to present an expanded and revised version of this program which is current, relevant, objective, unbiased and incorporates the newest rules. If you are approaching eligibility in the next 5 years or are a caregiver for someone approaching retirement, this 2 hour seminar is for you. (Note: Mr. Berger is not affiliated with a financial organization, nor is he selling a service or product.)

### "Saturday Musical Getaways: Kipling's Jungle Book"

Saturday, January 28 at 11:00 AM

presented by the New Jersey Symphony Orchestra (NJSO) and sponsored by a grant from the Watts Mountainside Community Foundation. In a playful and humorous manner, the NJSO's version of Kipling's Jungle Book introduces young audiences to classical master works and to various styles of music. Narration of the story alternates with brief musical interludes using bassoon, viola and brass, puppets and toy animals and brings this program to vivid life! This program offers many opportunities for audience participation. Children may conduct the musicians, try out some of the world instruments (rainstick, drums, and clackers) or get a dance lesson from a toy monkey! For children ages 4 to 11 as well as adults of all ages!

### "Then, Now and Forever: Life Story Workshop"

Saturday, January 28, 2:30 -4:30 PM.

Would you like to create a written record of your life experiences to share with family and friends? Can you use a little help or a little motivation to get started? Donna Atkins, "The Life Story Lady", will help you delve into your memories with ease through inspiring examples, guided activities, interactive exercises and constructive feedback. Ms. Atkins is an award-winning communications specialist who has spent a lifetime working with individuals, groups and organizations in the application of narrative and storytelling.

### "Medicare Workshop: Basics for Boomers"

Saturday, February 4, 10:30 AM to 12:30 PM.

At what age must you apply for Medicare benefits—even if you're still working? Even if you're not eligible for Social Security? What is the difference between Original Medicare, Medicare Advantage and Medigap? Neil Berger will answer these questions when he returns for a special workshop on Medicare. This 2-hour seminar, explained in easy-to-understand terms, is vital if you are approaching Medicare eligibility within the next few years or are a caregiver for (or the adult child of) someone approaching Medicare eligibility. Learn what Medicare covers, when to apply, penalties for late enrollment and the various options available. (Note: Mr. Berger is not affiliated with a financial organization, nor is he selling a service or product.)

## BEECHWOOD SCHOOL GETS A SPECIAL VISIT

On Thursday, December 1, Mountainside's Beechwood School first graders attended a special reptile and amphibian presentation. Beechwood parent Mrs. Cathy Eser, a zookeeper at the Staten Island Zoo, visited the first graders and brought along some "friends" -- a turtle, a frog, a bearded dragon and a corn snake. Mrs. Eser taught the children about each animal and the children had the opportunity to ask and answer questions. They even got to touch the snake! This presentation was part of the non-fiction reading and writing unit the children worked on in their classrooms.

## 5TH GRADERS PREPARE FOR VIRTUAL EXPEDITION TO UK

The 5th grade classes at Deerfield School in Mountainside recently connected with Sarah Weldon from Alderley, United Kingdom via Skype. The students have been following Sarah's unique expedition in which she will follow the route the Vikings took in the 1400's. Through her "Great British Viking Quest" episodes (#GBVQ), they are learning about Sarah's fundraising efforts, route planning, trip preparations, and boat building experiences. The students formulated questions for Sarah on various topics such as contingency plans, boat building and overall preparation. It was a great ancillary experience to their unit of study on the Vikings. They look forward to following Sarah's quest as she sets sail on May 1, 2017.
