RESCUE SQUAD INSTALLATION AND AWARDS DINNER

On January 13th, the Berkeley Heights Rescue Squad held our annual Installation and Awards Dinner. The Berkeley Heights Volunteer Rescue Squad (BHVRs) was established in 1942.

In 2016, the BHVRs responded to 836 calls in total. The BHVRs is staffed 24 hours a day, 7 days a week by volunteers who live and work in the township. On every shift there are two members who hold a valid New Jersey EMT Certification, which requires a class of 180 hours to obtain. Whether you call the Rescue Squad for an adult or child, illness or injury, you can be sure that you are getting at least two experienced medical professionals to take care of you or your loved ones.

To achieve our objectives, the BHVRs works closely with the Berkeley Heights Police Department, the Berkeley Heights Fire Department, and rescue squads from surrounding towns. The BHVRs provides mutual aid to New Providence and to Long Hill Township on a

regular basis and to other surrounding towns when needed.

The Squad always needs volunteers, both medical and auxiliary. If you are interested in joining or would like additional information, please visit www.bhvr.org, or call (908) 464-0013

**We train the skills that make learning possible.
And that's something to smile about.**

Is your child struggling with learning? Memory? Attention? Reading? Homework?

Your child's brain needs strong cognitive skills to think and learn. At LearningRx, we identify weak skills that may be making learning (and life) harder than it needs to be, then train those skills using fun, challenging mental exercises.

There's a reason your child is struggling. Isn't it time to end the mystery? The first step is to call us and schedule a Cognitive Skills Assessment. This assessment will identify any weak skills and give you a helpful snapshot of your child's cognitive abilities, whether you pursue brain training right now or not.

Goodbye struggles, hello smiles. There's no reason to wait. Call us today.

Lose 20lbs! OUR GUARANTEE*

“ I was out of shape, overweight, and it was beginning to really effect my way of life. I have had 4 babies in five years, and I just wasn't able to get the weight off. I had tried dieting and other expensive programs and nothing worked. I wanted my life back and wanted to be able to have the energy to keep up with my 4 boys. So what did I have to lose by trying NutriMost, so I jumped right in.

When I started the program I weighed 152 lbs, my BMI age was 58 and I was extremely dehydrated, I wore a size 11/12 in clothes. The first couple of days on the program was a real struggle but I stated my affirmations everyday and continued to push through. After my first week I was hooked, it became easier and easier and the weight was just falling off. Before I knew it my body was changing and I had more energy. **At the end of my 40 days I had lost 27lbs,** I now weigh 125lbs, my BMI age is 33 (which is my actual age), my water levels are up and my visceral level was down to a 3, I wear a size X-small or 5-6 in clothes and I feel the best I have in years! I am more confident in my self and how I look and I am so proud that I pushed through and stayed focused on completing this amazing program.

With assistance from two state legislators, EMS Council of New Jersey (EMSCNJ) officers recited their oaths of office for 2017 on January 15th at the Middlesex County Fire Academy. Senator Bob Smith (D-Dist. 17) and Assemblywoman Nancy J. Pinkin (D-Dist. 18) were on hand to administer the oaths to several

of the officers. The 88-year-old nonprofit EMSCNJ represents 20,000 EMS volunteers affiliated with nearly 300 rescue squads throughout the state.

The executive board members who were sworn in, all incumbents, included Membership Secretary Sue Meyer of Berkeley Heights.

100TH ANNIVERSARY OF THE FIRST SALE OF COOKIES BY GIRL SCOUTS

Girl Scouts Heart of New Jersey announced in January the celebration of the 100th season of Girl Scouts selling cookies. A century ago, girls started participating in what would evolve into the largest entrepreneurial training program for girls in the world: the Girl Scout Cookie Program®, through which girls learn the essential skills they need to become effective leaders, manage finances, and gain self-sufficiency and confidence in handling money. To commemorate this banner year for the organization, the highly-anticipated Girl Scout S'mores™ cookies are now available, joining classics like Thin Mints and Trefoils/Shortbreads.

Girl Scout Cookies not only help Girl Scouts

earn money for fun, educational activities and community projects, but also play a huge role in transforming girls into G.I.R.L.s (Go-getters, Innovators, Risk-takers, Leaders)™ as they learn essential life skills that will stay with them forever. Continue to enhance the girls journey, when you see Girl Scout selling in your town, support their efforts.

The celebration of 100 years of Girl Scouts selling cookies will kick into high gear during National Girl Scout Cookie Weekend 2017. From January to April, Girl Scouts in your town may be hosting events and cookie booths for cookie enthusiasts to get their hands on the iconic treats and join in the fun. To find cookie varieties

available locally or learn more about the history of Girl Scout cookies and the Girl Scout Cookie Program, visit www.girlscoutcookies.org. To join or volunteer, visit www.gshnj.org/join and www.gshnj.org/volunteer.

—Quenton L.

We offer a safe, natural & effective procedure to relieve pain from knee osteoarthritis.

No drugs. No surgery. FDA approved.

Covered by most insurance, including Medicare.

What is it?
We use a combination of precisely targeted Hyalgan injections (a gel-like natural substance that mimics natural joint fluid) with diagnostic fluoroscopy to make sure the area that needs to be treated is the exact spot where the injection goes. This is the most advanced method of pain relieving treatment, with **95% accuracy** and a very high success rate.

In addition, we offer supportive care such as physical therapy, weight loss, nutritional counseling, corrective osteoarthritis bracing, and natural anti-inflammatory products to relieve knee pain naturally.

AUDITIONS FOR THE MUSICAL 9 TO 5

CDC Theatre in Cranford, New Jersey's oldest continuously producing community theatre, will be holding open auditions for the musical *9 to 5* at the theatre's 78 Winans Ave. home.

Auditions will be Wed. 2/15 7:30 -10pm and Sat 2/18 2-5pm with Callbacks on Tues. 2/21 7:30-10pm. The show will run from May 5 – 20, 2017. 9 to 5 The Musical, with music and lyrics by Dolly Parton and book by Patricia Resnick, is

based on the seminal 1980 hit movie. Set in the late 1970s. This hilarious story of friendship and revenge in the Rolodex era is outrageous, thought-provoking and even a little romantic. Pushed to the boiling point, three female coworkers concoct a plan to get even with the sexist, egotistical, lying, hypocritical bigot they call their boss. In a hilarious turn of events, Violet, Judy and Doralee live out their wildest fantasy – giving their boss the boot! While Hart remains "otherwise engaged," the women give their workplace a dream makeover, taking control of the company that had always kept them down. Hey, a girl can scheme, can't she?

FORMER SHELTER DOG MARKS MILESTONE 5,000 LIVES SAVED

Even an unexpected snowstorm could not stop a 1-year-old shelter dog named Travis from finding a permanent family of his own and becoming Home for Good Dog Rescue's milestone 5,000th adoption on Jan. 7.

That Saturday, the New Jersey-based nonprofit organization hosted its first adoption event of 2017 and welcomed the public to its facility in Berkeley Heights to meet its rescue dogs. And despite the winter weather brewing just outside, visitors continued to arrive throughout the day, all in hopes of finding the perfect four-legged companions to complete their families.

"We cannot fathom just how far we have come," Richard Errico, Home for Good's co-founder and treasurer, said. "This rescue quite literally started out of somebody's home, and to stand here today and watch our 5,000th dog go home is truly a humbling experience."

Among the day's visitors on Jan. 7 was the Lenahan family of Berkeley Heights, NJ, who, amid enthusiastic cheers from Home for Good's staff, volunteers, and foster families, completed an official adoption agreement to take home lucky dog number 5,000 himself.

Travis, an Australian Cattle Dog mix, originally came from a high-kill shelter in Barnwell, South Carolina after facing abandonment and life as a stray. After coming into the care of Home for Good Dog Rescue, he arrived in New Jersey via an overnight van transport and entered a volunteer foster home.

"He had the nice demeanor and the write-up, the nice picture and nice friendly looking face," adopter Thomas Lenahan remarked. "And the right size for our family."

Travis's adoption would mark the Lenahans' first family experience as dog owners. And after completing an online application for adoption before arriving on Jan. 7, they were eager to take their new family member home that day.

Since its inception in 2010, the 100-percent foster-based Home for Good Dog Rescue has transported dogs from high-kill shelters throughout South Carolina and Georgia to New Jersey in search of their forever homes. Upon arriving in the Northeast, each dog enters a local volunteer foster home, where they live until adoption and receive all the benefits of family life a kennel setting cannot provide.

It has been only one year since the organization celebrated its milestone 4,000th adoption in 2015.

Home for Good continues to look forward to the construction of the Almost Home Wellness Center in Aiken, SC. This specialized facility will allow the organization to rescue even more dogs by providing a safe place for animals too young or too sick to travel to recuperate prior to traveling northward.

For more information on Home for Good Dog Rescue and its ongoing capital campaign for Almost Home, please visit
