CLARK POP WARNER'S EIGHTH GRADE CHEERLEADERS

Submitted by Alicia Scipioni

Congratulations to Clark Pop Warner's Eighth Grade Cheerleaders: Gianna Caldiero and Gabriella Scipioni who currently attend Carl H. Kumpf Middle School in Clark, and Darby Brown, and Adrianna Piarulli who attend Garwood's Lincoln School for being selected to be on the 2017 Eastern Region Scholar Team. This honor is bestowed upon the top spirit leaders in eighth grade from the Eastern Region's five state area. Out of 50,000 children participating in Pop Warner's Eastern Region, Darby, Gianna, Adrianna and Gabriella were selected to this elite group because they received a grade point average of 96% or higher during the September

2015-June 2016 school year and for their strong commitment to school and community service. The girls will be honored at an Awards Ceremony, which will be held on March 18th, in Philadelphia.

Aside from their scholastic success, the girls are also proud to be a part of the Clark Pop Warner's Varsity Cheer Team run by Cheer Coordinator, Vicky Dente, that won 1st place in both the Garden State Cheer Competition and the Local Competition held in October 2016. Clark Pop Warner wishes the girls future success as they continue with their education.

CLARK'S OWN BILL DUFFY RECEIVES AMERICANISM AWARD

Clark UNICO together with District X celebrated the Annual Americanism Award during a banquet held recently. Clark's own Bill Duffy was honored for his many years of service to our military, specifically the fallen heroes from Clark – from the Civil War through Iraq. Every Memorial Day Bill reads off the names of the 21 Clark residents who lost

their lives in battle. Bill was also responsible for having a gold star placed on street signs named after each fallen hero in Clark. Clark President Ralph Bernardo said "Our selection was easy as everyone immediately voted to honor Bill." The banquet held at the Gran Centurions in Clark, included four other nominees, dinner, and presentations.

(above) Clark chapter UNICANS Dan Violante, Fran Parisi, VP Joe Arancio, Anna Pace, Veronica and Bill Duffy, President Ralph Bernardo, Vera and George Abruzzo, District Governor Bill Hearon and Henry Varriano.

CRUSADER ATHLETIC LEADERSHIP COUNCIL

In December members of the Crusader Athletic Leadership Council met in the ALJ High School IMC. This is the sixth year for the Crusader Athletic Leadership Council, an organization that has been founded to help educate the student athletes on some of the expectations the school has for them as they compete interscholastically in a variety of athletics.

The guest speaker was Ed Agresta. Agresta is the author of three books. "Don't Count the Days... Make the Days Count!", "Power

Statements", "101 Radical and Tremendous Teaching Tools, Tips, Techniques, For Transformational Thinking in the Classroom and in Life" and soon to be released, "WOW-Watch Out World" and "I Dare You". Ed is an award-winning educator, presenter and coach. For over 20 years he has been presenting his special insights into the most powerful techniques available for developing peak performance. He is a fascinating, humorous speaker and a gifted communicator, who has given more than 1500

presentations to corporations, schools, and athletic teams.

Gus Kalikas, Athletic Director said "The C.A.L.C. was thrilled to have Ed Agresta come and speak to us on multiple topics relevant to high school athletics today, including leadership. Ed reached all of our students and left them with great strategies that will not only help on the fields, courts, and mats, but also in the game of life. He was a true professional and inspires while delivering a wonderful message."

AUDITIONS FOR THE MUSICAL 9 TO 5 AT CDC THEATRE IN CRANFORD

CLARK MONTHLY • Page 13 • February 2017

CDC Theatre in Cranford, New Jersey's oldest continuously producing community theatre, will be holding open auditions for the musical 9 to 5 at the theatre's 78 Winans Ave. home.

Auditions will be Wed. 2/15 7:30 -10pm and Sat 2/18 2-5pm with Callbacks on Tues. 2/21 7:30-10pm. The show will run from May 5 – 20, 2017. Interested performers are asked to prepare 32 bars of a song of your choice. There will be no initial dance audition. Additional information can be found by visiting www.cdctheatre.org.

9 to 5 The Musical, with music and lyrics by Dolly Parton and book by Patricia Resnick, is based on the seminal 1980 hit movie. Set in the

late 1970s. This hilarious story of friendship and revenge in the Rolodex era is outrageous, thought-provoking and even a little romantic. Pushed to the boiling point, three female coworkers concoct a plan to get even with the sexist, egotistical, lying, hypocritical bigot they call their boss.

In a hilarious turn of events, Violet, Judy and Doralee live out their wildest fantasy – giving their boss the boot! While Hart remains "otherwise engaged," the women give their workplace a dream makeover, taking control of the company that had always kept them down. Hey, a girl can scheme, can't she?

heart is where the home IS...

Saying goodbye to the place where you've lived and created memories can be very stressful. My own relocation to New Jersey has helped me to personally relate to my clients, and become the agent I am today. I can assist in relieving a lot of the anxiety that most homeowners and buyers experience.

CUB SCOUT PACK 145

Cub Scout pack 135 of Clark Lion den, (kindergarteners), recently visited the Clark Fire Department.

(above) On December 3, 2016, Daisy Troop 41248 from Valley Road School in Clark visited the Genesis nursing home in Westfield. The girls, all kindergarteners, did their very best to bring holiday cheer. They learned the words to "Rudolph the Red Nosed Reindeer", "Jingle Bells" and "We Wish You A Merry Christmas". This was a good exercise for showing compassion and bringing happiness to those around you.

100TH ANNIVERSARY OF THE FIRST KNOWN SALE OF COOKIES BY GIRL SCOUTS

Girl Scouts Heart of New Jersey announced in January the celebration of the 100th season of Girl Scouts selling cookies. A century ago, girls started participating in what would evolve into the largest entrepreneurial training program for girls in the world: the Girl Scout Cookie Program®, through which girls learn the essential skills they need to become effective leaders, manage finances, and gain self-sufficiency and confidence in handling money. To commemorate this banner year for the organization, the highly-anticipated Girl Scout S'mores™ cookies are now available, joining classics like Thin Mints and Trefoils/Shortbreads.

Girl Scout Cookies not only help Girl Scouts earn money for fun, educational activities and community projects, but also play a huge role in transforming girls into G.I.R.L.s (Go-getters,

Innovators, Risk-takers, Leaders)™ as they learn essential life skills that will stay with them forever. Continue to enhance the girls journey, when you see Girl Scout selling in your town, support their efforts.

The celebration of 100 years of Girl Scouts selling cookies will kick into high gear during National Girl Scout Cookie Weekend 2017. From January to April, Girl Scouts in your town may be hosting events and cookie booths for cookie enthusiasts to get their hands on the iconic treats and join in the fun.

To find cookie varieties available locally or learn more about the history of Girl Scout cookies and the Girl Scout Cookie Program, visit www.girlscoutcookies.org.

To join or volunteer, visit www.gshnj.org/join and www.gshnj.org/volunteer.

(above) Information from Rutgers Fact Sheet # 797 Soil Testing.

SUCCESSFUL GARDENING STARTS WITH THE SOIL

Whether your goal is a lush green lawn or a large harvest of vegetables, soil fertility testing is the place to start. It helps by determining a soil's pH and need for lime and fertilizer.

The best time to take a soil sample is before spring fertilization or after harvest in the fall. Do not sample shortly after a lime, fertilizer, or manure application or when the soil is excessively wet. For lawns, late summer sampling will prepare you for fall fertilization.

The Rutgers Soils Laboratory uses state-of-the-art instruments and methods of soil analysis. They suggest soil testing be repeated every 2–3 years.

WHY DOES SOIL pH MATTER?

Soil pH is a scale to measure how acidic or alkaline the soil is. Soil pH of 7 is neutral, below 7 is acidic and a pH above 7 is alkaline.

Plants, vegetables and grass grow better, are healthier and produce more within their own pH range. The proper pH permits plants to absorb minerals from the soil. Evergreens require an acidic pH around 4.5 while tomatoes need a pH of 7.0.

By knowing the plant nutrition needs of your lawn and gardens, you can prevent the over-application of fertilizers.

Soil test sampling kits are available for a fee of \$20 from most of Rutgers Cooperative Extension offices at the Garden Helpline offices. In Union County that office is located at 300 North Ave East, Westfield, NJ, on the 2nd floor. You can also purchase soil test kits by mail. For more information contact the Garden Helpline at 908-654-9852.

(above) President of The Rahway Garden Club, James Keane has been researching and answering garden questions since 1995.

Visit 'Keane Gardener' blog at:

keanegardener.blogspot.com

Separate soil samples will need to be taken from areas used to grow different types of plants. For example, separate soil test kits should be used for lawn areas and vegetable garden areas. Samples from rhododendron, azalea, and other broad leaf evergreen areas should be kept separate from other shrub areas. Also sample separately areas that have previously received different lime or fertilizer treatments and areas that are noticeably different in plant or soil quality.

FORMER ARTHUR L. JOHNSON STUDENTS PARTICIPATE IN ALUMNI PANEL

Former Arthur L. Johnson students participated in an alumni panel discussion hosted by the Guidance Department. The goal of the program was to provide insight into the college experience for current juniors and seniors through hearing from former Crusaders.

Questions were created by the Guidance Department, and the panel was led by Erica Stasio, ALJ Guidance Counselor. Some topics ALJ alumni covered were why they chose their respective schools, what they learned at ALJ that helped prepare them for college, and what it is

like living away from home. They also discussed deciding on a major and successful studying habits.

The ALJ alumni were happy to share their experiences, and current students were eager to learn about college life.
