## TWO LINDEN RESIDENTS ARE NEW FOSTER CHILD ADVOCATES

On December 14, 2016 Union County Superior Court Judge Daniel R. Lindemann administered oaths to two graduating classes of community members — among them Mureen Allen and Padmini Bagchee of Linden — who've stepped up to serve as extra eyes and ears for Family Court judges on cases involving the county's abused, neglected or abandoned children currently in foster care. Of the two classes, one had 19 participants, including CASA of Union County's new executive director, Marla Higginbotham. The second is the result of the nonprofit offering for the first time a five-session, intensive day training at its offices, and included nine volunteers.

The new CASA volunteers completed 30 hours of training. After performing the oaths, Judge Lindemann stepped off the bench and personally thanked each advocate for committing to serve children in need of a voice. Members of the organization's board participated, and each new advocate received a commemorative pin and certificate. During celebratory luncheons that followed, advocates were matched to their new case and learned about their youth.

Volunteers with varied backgrounds and experiences make successful advocates, and these classes are no exception: They range in age from 22 to 75 and most have no prior knowledge of the foster system. They include parents, non-parents and empty-nesters; a recent college graduate and recent retiree; careers include health professionals, school personnel, counselors, legal professionals, former military, business entrepreneurs and homemakers. Languages spoken

in addition to English include Spanish, German, French and Yoruba. Several experienced abuse in their own childhoods.

William "Joe" Goodson of Plainfield, a CASA volunteer years ago who returned to help another child now that his own schedule allowed, said this work is a calling. "I know the situation in the African-American community, and I want to give back. I've been there and done that. We need more positive role models for these children who need us. I can make a difference and be someone they relate to, and that's what I'm looking for." Goodson added that on Thanksgiving, his CASA youth weighed heavily on his mind: "I'm looking at a table full of food and family and thinking of him, wondering, 'Is he ok, today?'"

CASA volunteers have court-ordered access to all parties in a child's life, including foster parents, doctors, caseworkers, therapists and teachers, and incorporate into court reports findings from these contacts as well as time spent with the youth. Volunteers advocate both in the community and court to ensure their youth's needs are met and time in care is as short as possible. There are 600 Union County children currently in foster care; CASA of Union County serves approximately one-third of those and its mission is to provide an advocate for every child that needs one.

For details on future training sessions, several of which incorporate new, flexible options and timeframes, contact Lisa at 908-527-7048 or lporis@casaoofunioncounty.org. To inquire about other ways to support CASA of Union County, contact Marla at 908-527-7041 or marlah@casaoofunioncounty.org.

(above) New CASA volunteers include Mureen Allen and Padmini Bagchee of Linden; Katherina Abreu and Karen Flood of Fanwood; Anne Bristow and Phyllis Dunlop of Westfield; Quanae Chambliss of Rahway; Julie Exarhakos of Cranford; Aase Forbes of Union; Julie Goldman of Short Hills; William "Joe" Goodson of Plainfield; Nataly Gutierrez of Elizabeth; Maryann Higgins of Mountainside; Marty Jeiven, Carol Pinkus and Maria Rodriguez of Scotch Plains; Katherine Taylor of Somerset; and Ashley Trotter of Piscataway.

## RESIDENTS ASKED TO BRING UNWANTED MEDICINES TO POLICE HQ

The Linden police Department has announced that it has joined the New Jersey Attorney General's "Project Medicine Drop" initiative, and has installed a Project Medicine Drop Box at Police Headquarters.

This makes it easier and more convenient than ever for Linden residents to take an active role in the fight against the nationwide epidemic of opiate and heroin abuse, which is often fueled by the abuse of prescription painkillers.

Linden Police Chief Jonathan Parham said, "Project Medicine Drop is a natural addition to our commitment to help improve the public safety and quality of life in Linden. It will encourage our residents to be fully aware of the potential for abuse presented by otherwise beneficial medications."

The department's new Project Medicine Drop Box is located at 301 North Wood Avenue Linden, NJ. Residents may visit the Linden Police Department at any time, 24 hours a day, seven days a week, 365 days a year, to dispose of their unused or excess medications.

Project Medicine Drop is an important component of the New Jersey Attorney General's effort to stop the diversion and abuse of prescription drugs, including highly addictive opiate painkillers.

Through this initiative, the State Division of Consumer Affairs installs secure "prescription drug boxes" at Police departments, Sheriff's offices, and State Police barracks across New Jersey, allowing citizens to safely dispose of their unused, excess, or expired prescription medications.

Members of the public are invited to visit the

Project Medicine Drop sites and drop off any unused prescription medications anonymously and with no questions asked. Most Project Medicine Drop sites make this service available 24 hours a day, seven days a week, and 365 days a year.

By giving New Jerseyans a safe and secure method to dispose of unneeded medications,

Project Medicine Drop helps prevent the abuse of these drugs. This initiative also protects New Jersey's environment by keeping these drugs out of the landfills and out of the water supply. More information about Project Medicine Drop, including the full list of Project Medicine Drop locations can be found at [WWW.NJConsumerAffairs.gov/meddrop](http://WWW.NJConsumerAffairs.gov/meddrop).

## PRE-K VISITS JAPAN

In the Tools of the Mind Pre-K program there is one week of background knowledge on the place that the main characters in the Magic Treehouse books series (Jack and Annie) visit. To get ready for the Magic Treehouse Book called Night of the Ninjas that takes place in ancient Japan, we learned about ninjas and samurais, about Mount Fuji and the beautiful cherry blossoms. We also learned how to count to 10 in Japanese and practiced calligraphy by painting the Japanese numbers on scrolls.

After learning many facts about Japan, Kindergarten students at Linden School No. 8 are

ready to read The Magic Treehouse Book, "Night of the Ninjas,". The Japanese "Princess Mononoke" returned on January 12th to Ms. Josefina Gil's Kindergarten classroom at School No. 8 to perform a traditional tea ceremony, bringing a little bit of that culture to life. The children loved taking off their shoes and learning a few Japanese words and customs. After tasting the tea, they very politely said, "It was delicious!" Children pictured are Bartosz Blicharz, Zuzanna Slawinski, Isabella Avila and Brittany Moncayo Noguera. Sayonara!.... Doesn't Ms. Gil make a wonderful Princess?!

## SUCCESSFUL GARDENING STARTS WITH THE SOIL

Whether your goal is a lush green lawn or a large harvest of vegetables, soil fertility testing is the place to start. It helps by determining a soil's pH and need for lime and fertilizer.

The best time to take a soil sample is before spring fertilization or after harvest in the fall. Do not sample shortly after a lime, fertilizer, or manure application or when the soil is excessively wet. For lawns, late summer sampling will prepare you for fall fertilization.

The Rutgers Soils Laboratory uses state-of-the-art instruments and methods of soil analysis. They suggest soil testing be repeated every 2–3 years.

### WHY DOES SOIL PH MATTER?

Soil pH is a scale to measure how acidic or alkaline the soil is. Soil pH of 7 is neutral, below 7 is acidic and a pH above 7 is alkaline.

Plants, vegetables and grass grow better, are healthier and produce more within their own pH range. The proper pH permits plants to absorb minerals from the soil. Evergreens require an acidic pH around 4.5 while tomatoes need a pH of 7.0.

By knowing the plant nutrition needs of your lawn and gardens, you can prevent the over-application of fertilizers.

Soil test sampling kits are available for a fee of \$20 from most of Rutgers Cooperative Extension offices at the Garden Helpline offices.

In Union County that office is located at 300 North Ave East, Westfield, NJ, on the 2nd floor. You can also purchase soil test kits by mail. For more information contact the Garden Helpline at 908-654-9852.

Separate soil samples will need to be taken from areas used to grow different types of plants. For example, separate soil test kits should be used for lawn areas and vegetable garden areas. Samples from rhododendron, azalea, and other broad leaf evergreen areas should be kept separate from other shrub areas. Also sample separately areas that have previously received different lime or fertilizer treatments and areas that are noticeably different in plant or soil quality.

# SOEHL MACHA TIMES NEWSPAPER

Soehl Middle School 8th grade Language Arts teacher Mr. Jan Macha came up with the thought of turning his classroom into a newspaper. During the month of December and first two weeks of January, the classroom turned into The Macha Times newsroom. Students wore special Macha Times badges and were permitted to conduct interviews during class time. The entire process was outlined by how a group of professional journalist would work with Mr. Macha as the head of the newspaper.

Students in each of Mr. Macha's classes formed groups of 2-3 reporters. First, all students were taught how to come up with a great lead. Next, they researched the lead and interviewed students, teachers, and administrators in the school. The third big step involved transcribing the notes of all interviews and writing, organizing, and evaluating the results of the interview. Fourthly, students formed their thesis statement and wrote a detailed blueprint of the article. Step five focused on revising and editing of the articles for content, organization, grammar, and expression.

Next, students were instructed how to use

photography to enhance their story. Finally, all articles were formatted according to a newspaper page layout.

All 8th grade students are required to write an informational essay, and this was an innovative way for creating an authentic learning experience for Mr. Macha's students.

## A CALL FOR HELP: OVERNIGHT VOLUNTEERS NEEDED FOR OPERATION WARM HEART

Submitted by Vanessa Checo, Operation Warm Heart- Elizabeth Coalition to House the Homeless

Our Operation Warm Heart program provides short term shelter at participating church and organization locations scattered throughout Elizabeth, Linden, Cranford, and Rahway for homeless persons who are ineligible for shelter from County Social services. The program operates from December 1 to March 31, and shelters run generally 6 p.m. to 7 a.m.

Additional overnight volunteers are needed to assist site coordinators on specific nights preferably one night a week or bi weekly. Volunteers are given basic training and primarily check in the guests for the night, direct them regarding the facilities and where to set up their cots, and occasionally assist with serving dinner. Most importantly they provide hospitality, oversight, and company to the guests for the night. Guests generally sleep from 11PM to 6AM and most volunteers work out shifts as needed. Cots, blankets, food, and transport are provided by the site or the program.

Persons to be sheltered are prescreened and provided ongoing case management and support services in order to find alternate transitional or long term housing or placement as appropriate, and as soon as possible. The program is not intended as a place for a person to shelter for the 4 months of the season. Generally, we shelter up to 14 persons, more under Code Blue circumstances. Names of those prescreened are provided to the site volunteers in advance. An agency staff person is available by phone at all times.

In summary, volunteers provided a welcome human affirmation for our guests and find the experience very rewarding.

To volunteer or for additional questions please contact me. Vanessa Checo, Operation Warm Heart- Elizabeth Coalition to House the Homeless, 118 Division St. Elizabeth, NJ 07201, 908-355-2060, [vccheco@theelizabethcoalition.org](mailto:vccheco@theelizabethcoalition.org).

## AUDITIONS FOR THE MUSICAL 9 TO 5 AT CDC THEATRE IN CRANFORD

CDC Theatre in Cranford, New Jersey's oldest continuously producing community theatre, will be holding open auditions for the musical 9 to 5 at the theatre's 78 Winans Ave. home.

Auditions will be Wed. 2/15 7:30 -10pm and Sat 2/18 2-5pm with Callbacks on Tues. 2/21 7:30-10pm. The show will run from May 5 – 20, 2017. Interested performers are asked to prepare 32 bars of a song of your choice.

There will be no initial dance audition. Additional information can be found by visiting [www.cdctheatre.org](http://www.cdctheatre.org).

9 to 5 The Musical, with music and lyrics by Dolly Parton and book by Patricia Resnick, is

based on the seminal 1980 hit movie. Set in the late 1970s. This hilarious story of friendship and revenge in the Rolodex era is outrageous, thought-provoking and even a little romantic. Pushed to the boiling point, three female coworkers concoct a plan to get even with the sexist, egotistical, lying, hypocritical bigot they call their boss. In a hilarious turn of events, Violet, Judy and Doralee live out their wildest fantasy – giving their boss the boot! While Hart remains "otherwise engaged," the women give their workplace a dream makeover, taking control of the company that had always kept them down. Hey, a girl can scheme, can't she?
