HISTORICAL SOCIETY PRESENTS "HISTORY TALKS"

"History Talks" is a new series of Speakers in 2017 presented by the New Providence Historical Society covering topics relating to New Providence, Union County and New Jersey.

On February 16, 2017, Edward Eckert will give a presentation on the History of Nokia Bell Labs, sponsored by Wells Fargo. For decades, the legendary research center has given birth to the transistor and a host of other technological advances. In addition, the labs contributed greatly to the local economy.

In addition to his intellectual property duties, Mr. Eckert also manages and curates the Bell Labs Technology Showcase museum at the Bell Labs headquarters in Murray Hill, New Jersey.

The presentation will be in the Conte Room in the New Providence Memorial Library, 377 Elkwood Avenue, New Providence, 6:30 - 8:45 p.m. The public is invited to attend, no registration is required.

Earning a perfect score on the Reading section of the ACT, a college admissions test, is something that is accomplished by only about 4 in every 1,000 students. These long odds became a reality for Sophia Bobrowsky of Colonia and her tutor Kristen Angelo of New Providence.

"I knew after our first tutoring session that there was something special about Sophia and that her current test scores did not reflect her true potential," said Mrs. Angelo, a teacher at Union Catholic Regional High School and owner of Preferred Results Tutoring LLC, a New Providence based tutoring company specializing in SAT prep, ACT prep, and college admissions essays.

Sophia, a senior at Union Catholic, initially scored a 26 on the Reading section, but she worked hard to increase this score to a perfect 36. "We practiced the fundamentals, but we also spent a great deal of time reviewing the tricks needed to do very well on this particular test," said Mrs. Angelo. "A successful lesson is not determined by the amount of practice test questions that a student can answer. Instead, I maximize the time with each student by continually gauging strengths and weaknesses and customizing the lessons accordingly."

"This is a life-changing accomplishment that she will have for the rest of her life, and she deserves all the credit for achieving it," said Mrs. Angelo, but Sophia respectfully disagrees. "Without Mrs. Angelo I would not have done so well."

After finding out that she is a part of an elite

selection of perfect scorers, Sophia hopes to attend Columbia, NYU, George Washington, or American University.

FAITH LUTHERAN RECEIVES GROUP VOLUNTEER OF YEAR AWARD

The Health Care Association of New Jersey has awarded a team from Faith Lutheran Church in New Providence its Group Volunteer of Year Award for the team's work at Broadway House for Continuing Care in Newark. The award was given at the Annual Convention of the Health Care Association of New Jersey, which took place at Harrah's Resort in Atlantic City. The team is led by Pastor Jane McCready.

Broadway House is New Jersey's only specialized care facility for persons living with HIV/AIDS. It is the residence of approximately seventy-five persons, about half of whom are men and half women. Most are between the ages of 35 and 45. Many are in wheel chairs. The programs of Broadway House include nursing,

social services and recreational programs.

Since 2005, the team from Faith Lutheran has been visiting Broadway House twice a month, providing recreational programs, which include arts and crafts, bingo and painting. One-on-one help is welcomed by persons particularly disabled. Members of the team converse with residents who are bed-ridden in their rooms. The Knit, Purl and Pray Group from Faith has knitted lap blankets, which are valued by persons in wheel chairs. Members of Faith have donated

new and used clothes to the residents.

At Christmas and Memorial Day, members of Faith and residents of Broadway House enjoy sing-alongs together.

Nestor Beard, Director of Activities and Interns/Volunteers at Broadway House says, "The residents are always ready to welcome the warm embraces of 'Pastor Jane and Her Friends,' who encourage, motivate, support and most of all love and appreciate the residents." Broadway House gave the team its name.

Lose 20lbs! OUR GUARANTEE*

“

I was out of shape, overweight, and it was beginning to really effect my way of life. I have had 4 babies in five years, and I just wasn't able to get the weight off. I had tried dieting and other expensive programs and nothing worked. I wanted my life back and wanted to be able to have the energy to keep up with my 4 boys. So what did I have to lose by trying NutriMost, so I jumped right in.

When I started the program I weighed 152 lbs, my BMI age was 58 and I was extremely dehydrated. I wore a size 11/12 in clothes. The first couple of days on the program was a real struggle but I stated my affirmations everyday and continued to push through. After my first week I was hooked, it became easier and easier and the weight was just falling off. Before I knew it my body was changing and I had more energy. **At the end of my 40 days I had lost 27lbs,** I now weigh 125lbs, my BMI age is 33 (which is my actual age), my water levels are up and my visceral level was down to a 3. I wear a size X-small or 5-6 in clothes and I feel the best I have in years! I am more confident in my self and how I look and I am so proud that I pushed through and stayed focused on completing this amazing program.

NEW PROVIDENCE CUB SCOUT PACK 263 SERVING THE COMMUNITY

Cub Scout Pack 263 in New Providence, NJ has been busy this year helping others in their community. The Salt Brook School students in first through fifth grade have participated in various community service projects ranging from the town-wide food drive, to supporting runners in the Education Foundation's 5K event, to building, painting and donating hundreds of toys and decorations over the holidays.

Community Service has always been the cornerstone of the scouting experience and these boys epitomize that service spirit. Under the direction of CubMaster Don Burkitt, the scouts in Pack 263 continue to make a positive impact in New Providence and surrounding towns.

This past October, scouts volunteered their time to help support runners in the NPEF's 5K for Education. Scouts either registered to run in the race or helped to hand out water at various hydration stations along the route. Proceeds from the NPEF's 5K event went toward funding teacher grants and purchases for education in all four New Providence public schools.

In November, Pack 263 joined with other Cub Scout Packs and both Boy Scout Troops in town to collect food donations for local families and food pantries. The boys give their time and energy on two weekends to make this event such a success. First, they hand-deliver food donation bags to residents throughout town. Then, the following week, they collect those filled bags of

food and other necessities from residents' doorsteps and deliver them to the Faith Lutheran Church for sorting. The boys work all day sorting food for final delivery to local families in need as well as stocking the shelves at the Starfish Food Pantry in Plainfield. Approximately \$36,700 in non-perishable items were donated, which will keep the shelves stocked for six months for those in need.

The holiday season brought the scouts of Pack 263 together again building and painting toys and decorations to give to children and local businesses in the community. Multiple local Home Depot stores donated wooden kits for the scouts to build and paint during a pack meeting. One store manager, once he heard about the intended use for the projects not only donated kits, but personally purchased and donated all of the paint brushes for the scouts to use, as well.

Once completed, the finished projects were donated to various organizations in the community. Over 50 wooden candy dishes were donated to New Providence small businesses who routinely support the community as a thank you for their efforts. Painted wooden sled decorations were delivered to the local senior housing apartments to brighten the doors of their residences. The recipients enjoyed meeting the scouts and were so grateful for the time and effort the scouts put into making them. Toys like fire trucks, helicopters and skateboards were donated

to the Berkeley Heights YMCA's Angel Tree, which donated to local children in need. And finished white boards and craft kits were donated to the Specialized Children's Hospital in Mountainside so children could open gifts and stay busy while receiving care.

These young scouts have embodied the spirit of community service and caring for others with their efforts. They show that, while scouting is definitely about the fun of camping and friendship, the greater gifts of giving and service have far-reaching and long-lasting effects on both the boys who participate and the community as a whole.

POLICE DEPARTMENT RE-ACCREDITATION

The New Providence Department was presented with a Re-Accreditation Certificate by Accreditation Manager, Harry Delgado of the New Jersey State Association of Chiefs of Police, during the January 4, 2017 Borough Re-organization Meeting.

Currently, only 34% of NJ Police Departments are accredited. The New Providence Police Department is one of only 5 (.019%) in the state who have achieved a 3rd reaccrreditation, marking a significant professional achievement.

Accreditation is the certification by the New Jersey State Association of Chiefs of Police, that the accredited agency was carefully measured against an established set of state and national standards and has met or exceeded accepted practices in the field of law enforcement.

The New Jersey State Association of Chiefs of Police noted; "It is the opinion of the assessment team that the New Providence Police Department is a highly professional and committed agency which exemplifies all of the tenets of Law Enforcement Accreditation. The New Jersey State Association of Chiefs Of Police and the New Jersey Law Enforcement Commission, congratulates Chief Anthony Buccelli, Accreditation Manager Lieutenant Theresa Gazaway, the members of the New Providence Police Department, Borough Administrator Douglas Marvin, The Mayor and Council and those citizens they so proudly serve, for achieving their 3rd reaccrreditation, joining a very exclusive group of law enforcement agencies that have made this important commitment to excellence in policing."

The New Providence Police Department received National Recognition by the Commission on Accreditation for Law Enforcement Agencies (CALEA) and NJSACOP Accreditation in 2006.

In addition to the agencies reaccrreditation, Chief Anthony Buccelli and Lieutenant Theresa Gazaway have been granted police executive certification status through the NJSACOP Chief/Command Executive Program.
