WHRHS STUDENTS SING AND DANCE WHILE RAISING FUNDS FOR PROJECT ALS WITH TALENT SHOW

Students and teachers at Watchung Hills Regional High School (WHRHS) demonstrated their performance skills and entertainment savvy, while raising funds for Project A.L.S. (Amyotrophic Lateral Sclerosis), at a Talent Show, Wednesday, Jan. 11, in the school's Performing Arts Center (PAC). Some 16 acts were presented for the enjoyment of the audience, including solo and group performances of song, dance, musicianship, and poetry. Three of the acts were awarded prizes in the talent show competition at the event.

First prize went to Peri Martins of Warren Township, who sang "Rise Up," by Andra Day, and accompanied herself on piano. Second prize went to Eliana Neuwirth of Warren Township, who sang, "Almost Lover," by Fine Frenzy. Third Prize went to Isabella Zhou of Warren Township, who performed a Chinese Dance to the music of the number titled, "Incense."

According to the program, the Talent Show was presented, "In loving memory of Tom Shea (1968-2012) and Jenifer Estess (1963-2003)." Shea is the late brother of WHRHS English Teacher Laura Goodson, who died from A.L.S.

Two summers ago, WHRHS students read, as part of a summer reading assignment, "Tales from the Bed: A Memoir," by the late Jenifer Estess, as told to her sister, Valerie Estess. The work of non-fiction was about Jenifer Estess' battle with ALS, often also referred to as Lou Gehrig Disease. In addition, several representatives from Project ALS, including Jenifer's sisters, Valerie and Meredith Estess, spoke to assemblies of WHRHS students. WHRHS student government leaders have held several fundraising events in the last couple of years, such as this year's and previous years' Talent Shows.

"Since its inception, Project ALS has advanced ALS research, accelerating the testing of potential drugs, establishing the world's first and only privately funded stem cell laboratory and developing the first laboratory models of ALS," according to published Project ALS literature.

(above l-r) Student band, "No Fugazi," Natalie Kim of Warren Township, Eddie Cai of Watchung, David Kim of Warren Township, Owen DiDonna of Millington, who is a WHRHS graduate now a freshman at Towson University, Towson, Md., Ben Kozakowski of Green Brook Township, and Matt Renzo of Warren Township, performed "Waiting on the World To Change," by John Mayer at the Talent Show.

"We have brought together the top stem cell biologists, geneticists, motor neuron experts and ALS neurologists to work on ALS and related diseases—transforming the field. In 17 years, Project ALS has raised over \$75 million, directing between 80-93 percent annually to research programs."

One of the highlights of the Talent Show was an ensemble performance of "The Room Where It Happened," from the current award-winning Broadway musical, "Hamilton." Among the performers were WHRHS History teachers Rebecca Brown, Sean New, Ken Karnas and Greg O'Reilly.

Students in the ensemble include Adele Rotondo, Jack Melillo, Suchir Govindarajan, Hannah Melillo, Kyra Anthony, Claire Vickery, Matt Obob, Maddy Goffredo, Elisabeh Russo, Grace Shanahan, Julianne Lin, Francesca Meehan, Stephanie Moreno and Sarah Kelly. In a separate performance, Dana Wasserman and Summer Stuart sang another song from Hamilton, "Dear Theodosia."

Lose 20lbs! OUR GUARANTEE*

“

I was out of shape, overweight, and it was beginning to really effect my way of life. I have had 4 babies in five years, and I just wasn't able to get the weight off. I had tried dieting and other expensive programs and nothing worked. I wanted my life back and wanted to be able to have the energy to keep up with my 4 boys. So what did I have to lose by trying NutriMost, so I jumped right in.

When I started the program I weighed 152 lbs, my BMI age was 58 and I was extremely dehydrated, I wore a size 11/12 in clothes. The first couple of days on the program was a real struggle but I stated my affirmations everyday and continued to push through. After my first week I was hooked, it became easier and easier and the weight was just falling off. Before I knew it my body was changing and I had more energy. **At the end of my 40 days I had lost 27lbs,** I now weigh 125lbs, my BMI age is 33 (which is my actual age), my water levels are up and my visceral level was down to a 3. I wear a size X-small or 5-6 in clothes and I feel the best I have in years! I am more confident in my self and how I look and I am so proud that I pushed through and stayed focused on completing this amazing program.

WARREN TOWNSHIP RESCUE SQUAD DONATES AMBULANCE TO ELBERON

On Tuesday January 10th, the Warren Township Rescue Squad donated an ambulance to the community of Elberon, NJ in a ceremony officiated by Township Committeeman Victor Sordillo at the Warren Township squad building.

The Elberon First Aid Squad had only been operating with one very old ambulance and was

in desperate need of a second vehicle to serve a community of over 15,000 people. When the members of the Warren Township rescue squad heard about their needs, they made the immediate decision to donate their third ambulance as the squad recently received a new ambulance in November.

CONGRATULATIONS TO TROOP 228'S 2016 EAGLE SCOUTS!

John Trovato is Troop 228's 93rd Eagle Scout, and he attained this rank at his Eagle Board of Review on August 16th, 2016. John's Eagle service project was the construction of a large patio picnic area (approx 500 ft²) at Our Lady of the Mount Church. In addition to the patio, two 8' long stained picnic tables were constructed and nine bushes were planted along the edge. John's improved outdoor area provides a place for religious education classes to go outside, opportunities for the church to hold events outdoors, and use as a general use picnic area for parishioners and the elderly to sit, pray, relax and talk.

Karthik Irakam is Troop 228's 94th Eagle Scout, and he attained this rank at his Eagle Board of Review on October 5th, 2016. Karthik's Eagle service project was the creation of an outdoor area for the pre-school program at Watchung Hills Regional High School. Under Karthik's planning and leadership, scouts and adults from the troop built an outdoor classroom with benches for students and staff to sit on, constructed a raised garden bed and a composting bin, and restored the huge outdoor sandbox to make it useable once again. Karthik's project enables the pre-school students and staff to utilize the outdoors more often in a safer environment.

Michael Duncan is Troop 228's 95th Eagle Scout, and he attained this rank at his Eagle Board of Review on November 15th, 2016. Michael's Eagle service project was the creation of a boardwalk and portable benches at Warren Middle School. Michael's 36' boardwalk stretched over a boggy area leading from the school to their Outdoor Adventure area, which was impassable after rain. He also constructed 4 benches, portable in nature, so the students would have somewhere to sit while waiting their turn on the outdoor apparatus. Michael's project was advantageous to the student community at Warren Middle School.

Lose 20lbs! OUR GUARANTEE*

Before

“

I was out of shape, overweight, and it was beginning to really effect my way of life. I have had 4 babies in five years, and I just wasn't able to get the weight off. I had tried dieting and other expensive programs and nothing worked. I wanted my life back and wanted to be able to have the energy to keep up with my 4 boys. So what did I have to lose by trying NutriMost, so I jumped right in.

When I started the program I weighed 152 lbs, my BMI age was 58 and I was extremely dehydrated, I wore a size 11/12 in clothes. The first couple of days on the program was a real struggle but I stated my affirmations everyday and continued to push through. After my first week I was hooked, it became easier and easier and the weight was just falling off. Before I knew it my body was changing and I had more energy. **At the end of my 40 days I had lost 27lbs,** I now weigh 125lbs, my BMI age is 33 (which is my actual age), my water levels are up and my visceral level was down to a 3. I wear a size X-small or 5-6 in clothes and I feel the best I have in years! I am more confident in my self and how I look and I am so proud that I pushed through and stayed focused on completing this amazing program.

LOCAL STUDENT'S POETRY PUBLISHED IN NATIONAL PUBLICATION

Miss Annika Surapaneni of Oakwood Path in Warren has had her poetry entry in the National High School Poetry Contest accepted for publication. Her poem entitled "Flawed" recently appeared in the Winter edition of the American High School Poets "Inside of Me" anthology.

"Inside of Me" is a meaningful study of introspective poems written by teenagers from all over the country. It explores what goes on inside the heads of today's teens in those quiet moments when the outside distractions are finally turned down and one is alone with one's

own thoughts. It is a quarterly publication published by the Live Poets Society of NJ in conjunction with JUST POETRY!!!, the National High School Poetry Quarterly Magazine.

Annika is the daughter of Jyotsna Nekkanti and Sekhar Surapaneni and attends Watchung Hills Regional High School under the tutelage of Language Arts instructor Mrs. Jana Battiloro.

Upon graduation Annika is planning to attend Medical School.

FINANCIAL CONSIDERATIONS DIVORCING COUPLES NEED TO UNDERSTAND

By: James McGlew II, Esq.

Individuals engaged in a divorce understand that the dissolution of their marriage can be a difficult and complicated process. For individuals of high net worth, the divorce process can present a complex maze of responsibilities and decisions which need to be addressed. The prospect of valuing marital assets, including properties, business interests, investments and the like, along with the task of distributing their value between the parties, has the ability to make an already tense situation worse.

There are specific issues that high net worth individuals must consider in anticipation of divorce. At Lindabury, McCormick, Estabrook & Cooper, we have years of experience in handling high net worth divorce cases for individuals in Westfield, Cranford, Warren and other New Jersey communities. We understand our clients' concerns regarding the financial impact their divorce will impose on their lives and understand that providing individualized attention is necessary to provide the aggressive representation which is often required.

Thorough preparation and investigation are always required to truly understand the parties' incomes, assets, debts, property, and budgetary needs. As an example, if you are a valued employee earning a significant level of income, you will be required to produce proof of your current income, your tax returns for several years, a schedule of any other perks you receive through your employment including travel and expense accounts, and a schedule of any benefits from your employer including pension benefits, 401(k) accounts, stock options, deferred compensation, restricted stock, life insurance and other related benefits.

If you are a business owner you will be required to produce business tax returns for a minimum of five years, as well as other related business financial records. This will be in addition to the disclosure of income and benefits you receive from your business. Privacy issues concerning the disclosure of this information are of the utmost importance and we

take all necessary steps to ensure that your business information is protected.

If one or both of the parties has an ownership interest in a business or partnership, a formal valuation by a qualified forensic accountant will generally be required to determine the business' value and the amount of interest each spouse has in the business. Lindabury works to match the forensic accountant best suited to assist you in this process. In high net worth cases, each asset must be carefully examined to determine which assets are subject to equitable distribution (and to what extent) and which are considered separate property. Negotiations to obtain a fair settlement can be complex and may involve considerations such as whether to sell or liquidate an asset and divide the proceeds, or retain and allocate the asset to one spouse in exchange for an asset of comparative value.

If you have concerns about protecting your financial interests in a high net worth divorce, it is always beneficial to seek the guidance and assistance from an attorney with experience. At Lindabury, McCormick, Estabrook & Cooper, our practice includes diverse expertise in related areas including tax, real estate, corporate law, and trusts, which we utilize to provide comprehensive legal advice to high net worth individuals who are dissolving a marriage. Our New Jersey divorce lawyers represent people throughout the state in all areas of family law, including child custody and support, alimony, asset distribution, and more. Lindabury, McCormick, Estabrook & Cooper provides legal representation to people in communities across Union, Somerset, Monmouth, Middlesex, Morris, and Bergen Counties, among other areas. Call today to schedule a consultation with James McGlew at (908) 233-6800.

APPLICATIONS DUE FOR DELEEUEW SCHOLARSHIP

High school seniors wishing to apply for the Adele DeLeeuw Scholarship should obtain applications now from their school guidance office. The scholarships range from \$1,000 to \$5,000. Deadline for submission of applications is March 8, 2017.

Previous DeLeeuw scholarship recipients already in college are also eligible to apply. They must submit complete official transcripts of college grades with a new application.

This is the twenty-second year the scholarships have been offered. To date, the Adele DeLeeuw Scholarship Fund, which is a fund of the Plainfield Foundation, has awarded over one million dollars. The awards are made in accordance with the terms of a bequest from Ms. DeLeeuw, author of 75 books, journalist and arts activist.

The Plainfield Rotary Scholarship Foundation, headed by Michael R. Townley, acts as selector for the scholarships. Area Rotary Clubs assist in

the selection process. Only students attending high schools in Plainfield, North Plainfield, South Plainfield, Warren, Watchung, Scotch Plains, Fanwood and Edison are eligible. Location of high school, not student's residence, is the qualifying factor. The student must also be accepted to an accredited college or university.

Applicants must plan to major in one of the following areas of study: art, poetry, writing, journalism or engineering. They must demonstrate the scholastic aptitude and interest to pursue study in one of these specified areas. They must also prove financial need.

Interested students should consult their guidance counselors to obtain the necessary application information or go to the Plainfield/North Plainfield Rotary Club website at www.rotarynpn.org/cs-adele-deleeuw-scholarship.php. Questions may be directed to Johanna Salvemini, Scholarship Administrator, at (908) 755-8098.

Is your child struggling with learning? Memory? Attention? Reading? Homework?

Your child's brain needs strong cognitive skills to think and learn. At LearningRx, we identify weak skills that may be making learning (and life!) harder than it needs to be, then train those skills using fun, challenging mental exercises.

There's a reason your child is struggling. Isn't it time to end the mystery? The first step is to call us and schedule a Cognitive Skills Assessment. This assessment will identify any weak skills and give you a helpful snapshot of your child's cognitive abilities, whether you pursue brain training right now or not.

LIBRARY NOW HAS YEAR-ROUND SUNDAY HOURS

Somerset County Library System of New Jersey's Warren Twp. Library branch will be open Sundays, 1-5 p.m. throughout the year starting in 2017.

"In recent years, the trend in libraries nationwide has been to offer patrons enhanced access to library spaces and collections - even on Sundays. In fact, at SCLSNJ, Sundays are most often our busiest days," said County Library Administrator Brian K. Auger. "This important change - adding a third location, and no longer closing branches during summer Sundays - is further expanding SCLSNJ's superior library services. Libraries continue to be cornerstones of communities, and it is my goal, and the goal of all SCLSNJ staff members, to continue to be an integral institution for the residents of Somerset County."

Due to internal union contract negotiations, at this time the branches will offer abbreviated services. However, patrons will still have use of Library spaces, WiFi connections, computer terminals, as well as access to all print and digital collections. If a patron requires more in-depth research support, the ability to schedule a free one-on-one appointment (Monday-Saturday) with a trained SCLSNJ staff member will be available.

For more information, contact County Library Administrator Brian K. Auger at 908-605-6001.
