IMAGINE OPENS NEW CENTER IN MOUNTAINSIDE

Imagine, Inc., a free year-round NJ grief support center, held an open house on Wednesday February 22nd, to welcome the community to their new facility located at 244 Sheffield St. in Mountainside, NJ.

“Moving into this new space will allow us to double the number of children and families we are able to serve in the years to come,” said Mary Robinson, Executive Director and Founder of Imagine, A Center for Coping with Loss. The creation of Imagine were inspired by Mary’s own loss of her dad to cancer in 1974 when she was 14. “Imagine is truly a labor of love,” said Robinson. “I want to ensure that children and teens coping with loss get the support they need during such a traumatic time in their lives. Over 40 years ago when my father died there was very little awareness of the need for grief support for youth, and grief support centers like this didn’t exist.”

Imagine is currently serving over 230 children and adults every two weeks from 48 NJ towns at its new center in Mountainside. “The Imagine Board began planning over two years ago for a space of our own as we saw the projector of our growth,” said Dr. Jennifer Simpson, Board Treasurer. “We developed a plan and launched our Sustainability Campaign to put us in a position to lease a dedicated space of our own and expand our services. The community has been incredibly supportive of our campaign and mission.”

Imagine is a free year round grief support center for children, parents and adults coping with the loss of a family member due to death or life-altering illness, designed to help children and teens develop healthy coping skills and foster

New families joining Imagine will have a chance to make a leaf in memory of the person in their life who died, and affix it to one of the trees.

resiliency and emotional well-being for all those who grieve.

Imagine was made possible through the vision and financial support of Dr. Gerald Glasser in 2011 who wanted to ensure there was grief support available for children and families in his beloved community of Westfield and surrounding towns. The Glasser Foundation has continued to provide generous annual financial support to Imagine.

Imagine provides grief support and education throughout the year for children, parents and adults through its bi-weekly peer support groups, youth workshops and in-service workshops in the schools, community agencies and workplaces, community-wide days of remembrance, and on-site peer support in schools and workplaces after any traumatic loss. MEET WITH VALERI SHAFER GENEOLOGIST AND HETFIELD DESCENDENT

On Wednesday evening, March 23, at 7:00 pm, Valeri Shafer will meet with visitors at the Hetfield House. Valeri is a descendent of the Hetfield family, as well as many other families in the Mountainside area – and the colonial “West Fields” of Elizabethtown. If the names Hetfield, Crane, Clark, Woodruff, Cory and Winans, among others, are familiar to you, they are also Valeri’s ancestral names. In addition, Valeri Shafer is a genealogist. She has researched her ancestors, our early citizens, and has extensive knowledge of the who's who from our area. Come by the Hetfield House at 7:00pm on Wednesday, March 23rd, and join Valeri as she discusses the people who came before us.

Valeri J. Shafer is a professional genealogist, who left the teaching profession and began her own genealogical quest over a decade ago. Through her company, Kindred Genealogy, she has shared her knowledge of local history and genealogy with others. Her focus is on Early American English and Dutch Settlers, particularly those whose families can trace their heritage to Royal lines in Europe. In addition, she has done extensive research on the immigration and settlement of the Pennsylvania Deutsch and early Manhattan settlement, including early 1800s Italian immigration. She has recently begun to offer presentations to large groups regarding genealogy of the settlers and founders

of the colonial Province of East Jersey. She has held memberships or been affiliated with The National Genealogical Society, Pennsylvania Historical Society, New England Genealogical and Historical Society, New Jersey Historical Society, Mountainside Restoration Committee, The National Society of the Daughters of the American Revolution, and is Recording Secretary for the local Crane’s Ford Chapter of the DAR. She donates her time transcribing records for the National DAR, Italian Genealogical Group, Family Search, and Ancestry.com.

The Deacon Andrew Hetfield House and Levi Cory House are located at Constitution Plaza adjacent to the Mountainside Library. Constitution Plaza is the first right off Birch Hill Road which is off New Providence Road near the Mountainside Volunteer Fire House. The Mountainside Restoration Committee is a committee of volunteers governed by the Borough of Mountainside whose purpose is to restore and maintain the Deacon Andrew Hetfield House and the Levi Cory House and collect and save historic information and items from destruction.

For information on the Mountainside Historic Committee events or to donate funds, please call (908)789-9420; or, go to: www.mountainsidehistory.org

GRIEF IS A JOURNEY AND A PROCESS

A free eight-week seminar - "Journey to Wholeness- Healing the Grieving Heart" will be held on Sundays evenings from April 23, 2017- June 11, 2017 at The First Presbyterian Church of Cranford, 11 Springfield Ave., Cranford, NJ.

Patti Williams, R.N., and certified pastoral bereavement counselor, and Virginia Waters, PhD. Psychologist, will lead the sessions from 6:30-8:30 p.m. in the Thompson Youth Center of the church. Patti and Virginia have offered this seminar for 17 years now, and have helped about 2500 people experience healing, find a new purpose for their lives, and feel joy once again. This is an experience like no other.

The sessions include learning about the stages of grief and understanding the tasks of the

grieving process, coping strategies, deal with loneliness, building a support system, etc.

Both of the leaders and all of the facilitators have experienced loss within their lives and share from "the inside out". It does not matter if your loss is divorce, death, or job loss; loss is loss- it must be grieved. It does not matter how long ago you experienced loss. Bring family members and friends. All faiths are welcome. Teen group available. To register for this life changing event, please call 908-709-1341. No fee is charged.

The seminar is dedicated to Patti's late husband, the Rev. Dr. Bruce D. Williams who had a vision for this program wanting to help others deal with their pain and suffering during their time of loss.

MOUNTAINSIDE SENIOR TURNS 103

Mountainside resident Edward Verlangieri turned 103 on January 31st and Kim Moriak the Senior Citizen Coordinator, organized a neighborhood birthday party for him.

Edward was born and raised in Orange, New Jersey. He became an engineer and he built his Mountainside home along with his wife Mariann. The couple moved to Mountainside on April 25th, 1952, a day before their 11th wedding anniversary.

Edward and Mariann were married for 69

years before she passed in 2010 at age 96. Edward recalls that Mariann was very active in the Mountainside community. She was a charter member of the Women's Club, Mountain Trail Club, and the Literature Club. In fact Mariann spent so much time at the Mountainside Library that Edward would call her "Mariann the Librarian."

Edward's family includes 2 Great-Great-Great-Grand Nephews, and 4 Great-Great-Great-Grand Nieces, with more on the way.

composed, toured extensively, and are an enduring influence to this day. Maybelle Carter was a virtuoso guitarist in a number of styles, inventing a style which bears her name. She was a composer of many songs, and a multi-instrumentalist, as well. We will tell her story with illustrative songs, musical examples, and other lore from the period. This program is entertaining, inspiring and educational. For samples of Nina’s musical style, see www.ninaetcetera.com.

This year, in addition to all-day 3D Printer demonstrations, we will feature a variety of hands on projects and activities for children ages 2-6 from 10:00

AM to noon. In the afternoon, “Bricks4kidz” (www.bricks4kidz.com) will present programs that allow children (Grades 2-3 and 4-5) to embrace their creativity and build exciting LEGO® models from project kits. There will be two afternoon sessions, each limited to 15 participants, so registration is a must and priority will be given to Mountainside residents!
