PLOCINSKI FAMILY ARE 6-TIME CANINE COMPANIONS FOR INDEPENDENCE VOLUNTEER PUPPY RAISERS

It's hard to say goodbye....But Berkeley Heights volunteer puppy raiser Olivia Plocinski and her family are ecstatic that assistance dog Izzy III, who they've raised from an 8-week old puppy, is now a canine companion to a Massachusetts man with disabilities.

Canine Companions for Independence – a national non-profit organization providing highly trained assistance dogs for children and adults with disabilities – is proud to announce that Massachusetts resident Bill Lucey has recently received an assistance dog from Canine Companions for Independence.

Bill was matched with Izzy III, a two-year-old lab/ golden retriever cross who has been trained to respond to over 40 advanced commands. Izzy can turn light switches on and off, open and close doors and retrieve dropped objects. However, one of his most important jobs will be to provide constant companionship for Bill.

Much of the thanks for this successful match goes to Canine Companions for Independence volunteer puppy raiser Olivia Plocinski of Berkeley Heights. Olivia and her family are 6-time Canine Companions for Independence volunteer puppy raisers, currently raising puppy Burns. Olivia raised Izzy from an 8-week old puppy, and said goodbye to him after a year and a half. Olivia worked tirelessly with Izzy, teaching him basic commands, and the all-important socialization skills. When he was old enough to begin advanced training, Izzy was returned to the Canine Companions Northeast Regional Headquarters in Medford, New York where he worked for 6 months with the organizations nationally renowned instructors, learning over 40 advanced commands.

Bill and Izzy were matched after completing Canine Companion's recent Team Training Class, an intense, two-week course held at the organization's Northeast Regional Center– one of six such centers nationwide. The Northeast Regional Center serves a 13-state area from Maine to Virginia.

Each student who attends Team Training – held at each center four times a year – is paired with a fully trained, working assistance dog, like Izzy, and is taught to work with his/her canine companion. The training course consists of daily lectures, exams, practice and public outings.

Bill and Izzy are settling into a routine back home in Massachusetts. Bill says, "Izzy is a very special dog and I hope to have many wonderful years with him. I can't thank Olivia Plocinski and her family enough".

About Canine Companions for Independence: Canine Companions for Independence is the largest non-profit provider of trained assistance dogs with six regional training centers across the country, including CA, FL, OH, NY and TX, and has placed over 5,000 assistance dogs. Established in 1975, Canine Companions provides highly trained assistance dogs to children, adults and veterans with disabilities and is recognized worldwide for the excellence of its dogs, and the quality and longevity of the matches it makes between people and dogs. There is no charge for the dog, its training and on-going follow-up services. For more information, visit www.cci.org or call 1-800-572-BARK.

Veterans of Foreign Wars N.J. District 5 (Union County) selected Andrea Masri as their Grammar School Teacher of the Year. She was unanimously nominated by VFW Post 6259, Berkeley Heights, for her program "Operation, We Remember", an interactive exchange between veterans and her Gifted and Talented students. Mrs. Masri will now vie with other candidates from all districts in New Jersey for the state title.

Mrs. Masri had her students interviewed veterans from World War II through the current battles in the Middle East. The students' work culminated with both an assembly of students and faculty along with Berkeley Heights township officials and the Veterans Memorial Park Renewal Committee; and the publication of a hard bound book "Operation, We Remember". A copy of the book was presented to each participating veteran.

Berkeley Heights Gifted and Talented teacher Mrs. Andrea Masri was presented with the "Grammar School Teacher of the Year" award on March 15, 2017 by the Veterans of Foreign Wars N.J. District 5.

BERKELEY HEIGHTS AUTHOR RELEASES ‘CHRISTIANITY’S RELEVANCE FOR TODAY: A PERSONAL PERSPECTIVE’

By contemplating the author’s own journey of faith, exploring the nature and essence of the Bible, the life and message of Jesus, the mission of the Church, and the relation between God, as the embodiment of love, the world and its great religions, “Christianity’s Relevance for Today: a Personal Perspective”, published by LifeRich Publishing, presents a vision of the essential relevance of the Christian faith to modern life in terms both personal and corporate, local and global.

In this book, author Russell C. Block, a Berkeley Heights resident, expresses the message of Christ for the world and explains the mission of the Church to bring reconciliation through relationship. Block approaches the Bible from a historical perspective, and interprets it for today, as the guide and impetus for the contemporary Church.

An excerpt from this book: What hope do we have as people of conscience, especially as Christians, for the world to be a better place? For people to behave differently—to be altruistic, self-sacrificing, cooperating with a sincere desire to help one another? Can we expect the Kingdom of God to come on earth?

Simply put, “Christianity’s Relevance for Today: a Personal Perspective” provides a better understanding of Christianity and its relevance for the modern world. “I encourage ordinary

people to join in, to discover God’s messages for themselves, to appropriate his gifts in relationships and to work with people of all faiths to carry out God’s mission of reconciliation, justice and peace.”

BERKELEY HEIGHTS HOMETOWN HEROES BANNER PROGRAM

(above) Act quickly, deadline to participate is April 12, 2017. For any questions or additional information, please visit BHMemorialPark.com or call 908-451-2058.

The Berkeley Heights Veterans Memorial Park Renewal Committee has launched its next phase of OPERATION: WE REMEMBER. This new project is entitled the BERKELEY HEIGHTS HOMETOWN HERO BANNER PROGRAM and is part of the committee's ongoing educational efforts to honor local veterans and those currently serving in the United States military. The banner program seeks to recognize those veterans (living or deceased) and active military who have lived in Berkeley Heights or currently reside or work here and have served in the United States Army, Navy, Marines, Air Force, or Coast Guard.

Those veterans living in the area that call VFW Post #6259 in Berkeley Heights their home post are also invited to participate. The banners will be hung along Springfield and Park Avenues leading to the newly renovated Veterans Memorial Park.

Act quickly deadline to participate is April 12, 2017.

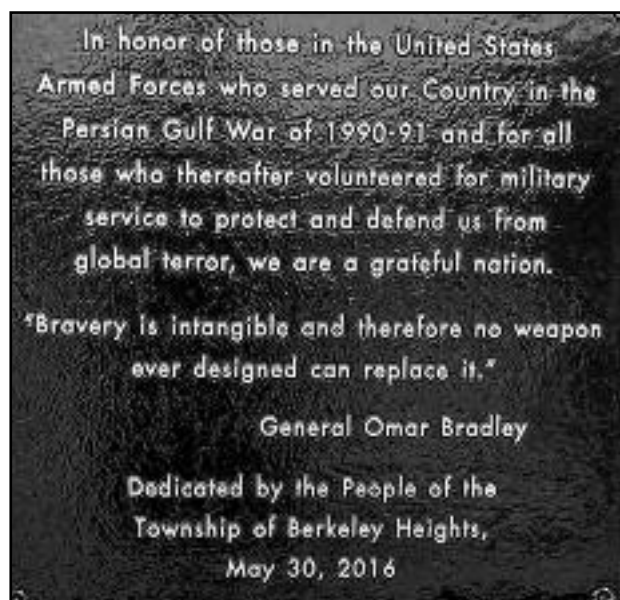

Last year the committee raised \$160,000 to completely renovate the park. The late Vito Mondelli, Jr., a Marine Corps Veteran, committee member, and lifelong resident donated the bronze statue entitled "Fallen Soldier." The community of Berkeley Heights embraced the park project, and along with generous grants from Union County, the Summit Area Public Foundation, Investors Bank Foundation, Smith Chiropractic Foundation, and support from Connect One Bank, the Connell Company, Dean's Greens Garden and Nursery Center, many local

businesses, all six schools, and numerous citizens, the new park has become a special place for the community. "A Time to Pause and Remember," is inscribed on the Memorial Wall which serves as a base for the five monuments honoring those who served in World War I, World War II, Korea, Southeast Asia/Vietnam, the Gulf War of 1990 and continuing battle against global terror.

The Hometown Heroes program was enthusiastically received and approved by Berkeley Heights Mayor Robert Woodruff and the Town Council. Banners will be produced by Lisa Barfield of Clearpoint Designs, who along with Detective Michael Hand brought the banner program to New Providence last year.

Thanks to the generosity of Berkeley Heights residents, there is no cost to participate. The banners will be displayed in the months surrounding Memorial Day and Veterans Day. Veterans, active military or a family member are invited to complete the participation form which can be found at BHMemorialPark.com. Forms are also available at Town Hall, the Library and Berkeley Hardware. A photo of the participant in military uniform must also be included. Forms and photos can be returned by email to:

BHHometownHeroes@gmail.com or by dropping off or mailing to: Berkeley Heights Town Hall, 29 Park Avenue, Berkeley Heights, NJ 07922. For any questions or additional information, please visit BHMemorialPark.com or call 908-451-2058. DEADLINE FOR RETURN IS APRIL 12, 2017.

MEMORIAL PARK RENEWAL PROJECT

No veteran enters Berkeley Heights Veterans Memorial Park without thoughts and tears for those who did not come home.

This past year, the Veterans Memorial Park Renewal Committee met its initial goal of raising \$160,000 to upgrade, repair, and restore the park. RECOGNITION OF DIETRICH BONHOEFFER BY LITTLE FLOWER ROMAN CATHOLIC AND FAITH LUTHERAN

On Sunday afternoon, March 19, Little Flower Roman Catholic Church of Berkeley Heights and Faith Lutheran Church of New Providence hosted a program at Little Flower regarding the extraordinary and dynamic life of Dietrich Bonhoeffer. He was a German Lutheran pastor, theologian and anti-Nazi dissident.

Dr. Katie Day, author and professor at the Lutheran Theological Seminary of Philadelphia, presented the program. She teaches special classes and seminars at schools of higher learning throughout the country, regarding the multiple experiences of Bonhoeffer's productive life. She had the full attention of the audience throughout her presentation.

Dr. Bonhoeffer was a key founder of the Confessing Church and its most prominent voice. The Confessing Church was a movement within German Protestantism during Nazi Germany that arose in opposition to government-sponsored efforts to unify all Protestant churches into a single pro-Nazi Protestant Reich Church.

It has been said that no one spoke more

eloquently on behalf of the civil liberties of the Jews than Dietrich Bonhoeffer. He staunchly and publicly resisted the Nazi dictatorship, especially opposing Hitler's euthanasia program and genocidal persecution of the Jews.

Bonhoeffer was arrested in April 1943 by the Gestapo, imprisoned at the Tegel Prison and later transferred to a Nazi concentration camp. After being associated with the plot to assassinate Hitler, he was quickly tried, along with other accused plotters, and executed shortly before the

liberation of the camps.

Bonhoeffer's writings on Christianity's role in the secular world are widely influential. His book, *The Cost of Discipleship*, has become a modern classic and is required reading in seminaries around the world.

The program was one of a series of programs that Faith Lutheran, Berkeley Heights and Little Flower, New Providence are jointly conducting during 2016 and 2017 in celebration of the 500th anniversary of the Lutheran Reformation.

"ENTREPRENEURSHIP 101"

Workshop Prepares You for Small Business Ownership

It's the American dream – having your own business, being your own boss, setting your own hours....But before you take the plunge (or before you get in too deep in a business that you just started), you need to do some serious self-reflection and homework.

That's why UCEDC, a statewide economic development corporation, is offering an intensive six-week workshop for start-up businesses (those in the idea/planning phase or in operation less than a year). The next session of Entrepreneurship 101 is scheduled for Thursday evenings (6:00 – 9:00 pm), May 4 – June 8, 2017 at UCEDC's headquarters in Cranford, NJ.

Participants will be guided through a real-world assessment of their business idea and market feasibility as well as their own ability to handle the demands of business ownership. The steps to opening a business in New Jersey, choosing a legal structure, developing a business

plan and establishing cost, revenue and cash flow projections will be addressed in a variety of interactive exercises.

"Being a business owner is hard work and this workshop is equally demanding," says Erich Peter, UCEDC's Director of Training. "But we're going to work with you both in and outside of the classroom to make sure that the class material is relevant to your specific needs. And, we stick with our graduates for 12 months, providing free mentoring and counseling services."

Entrepreneurship 101 is a component of UCEDC's Entrepreneurial Training Initiative, an ongoing small business training effort, offered in partnership with the New Jersey Economic Development Authority.

Registration is now open for Entrepreneurship 101. Complete information can be found on the UCEDC website at www.ucedc.com or by calling 908-527-1166.

BABY GOATS, A STILT BAND, GAMES AND CRAFTS.....AND DAFFODILS!

Celebrate spring, and Earth Day, with a “host of golden daffodils,” as poet William Wordsworth wrote, at Reeves-Reed Arboretum and enjoy one of the largest daffodil collections in New Jersey, Sunday, April 23, from 11 am to 4 pm. The collection, planted in the Arboretum’s glacially carved ‘kettle’ or bowl, was started in the early 1900s by the original owners of the property, the Wisners. Today the collection boasts more than 50,000 bulbs and Daffodil Day has become one of the most eagerly anticipated signature events at the Arboretum bringing visitors from all over the tri-state area.

Everyone always seems impatient for spring, but daffodil peeking is only one part of the festivities. With Daffodil Day on the heels of Earth Day, The Arboretum staff, headed by Director of Children’s Education Jackie Kondel, and Environmental Educators Lisa Martin and Althea Llewellyn, will host a day’s worth of wonderful, family-friendly activities such as an outdoor farmer’s market with vendors and food trucks, and “green themed” crafts and games for all. A special treat this year will be the return of the Bond Street Theatre’s Shinbone Alley Stilt Band. This internationally renowned dynamic

ensemble of musicians plays an eclectic repertoire of Dixieland, Swing, Rock, Jazz and Blues, all while walking on stilts! A not-to-be-missed stilt walking workshop will also be on the day’s agenda.

Professional photographer, Bruce Lorenz, an Arboretum favorite, will be on hand to take those special family photographs, and be sure to chat with fabric artist Alice Rudell, one of our featured artists in the current exhibit in the Wisner House Gallery, HOOKED ON NATURE: hooked & sewn art, as she offers insights to the unique artistry of hooking and sewing recycled materials into wondrous pieces of art.

So mark your calendars for Sunday, April 23, from 11 am to 4 pm for Daffodil Day. And be sure to visit with our newest brood of baby goats, honored and welcomed special guests to each and every spring festival here at Reeves-Reed Arboretum. Thanks to underwriting by our partners at Investors Savings Bank, Daffodil Day is free to all RRA members. The admission for nonmembers is \$10 per person or \$25 per family. Not a member? Now’s the time to sign up! For more information about Daffodil Day and other events and workshops at Reeves-Reed Arboretum, please visit our website at www.reeves-reedarboretum.org or call 908-273-8787 x 1515.

A MESSAGE FOR COMMERCIAL REAL ESTATE BROKERS, LANDLORDS, FRANCHISORS AND PROFESSIONALS WHOSE CLIENTS NEED A CERTAINTY OF FUNDING.

White Rose Funding is a direct and indirect lender that can provide funding for:

- Tenants in need of capital for a build-out, equipment or machinery;
- Franchisee and other Start-Ups in need of acquisition funding or working capital; and
- An established business that has sudden and temporary cash needs.

We provide flexible financing on fair terms that rewards the forwarder by offering:

- Financial remuneration to the forwarder; and
- A tailored solution for your client.

For example, a Landlord or Commercial Real Estate Broker is showing property to a prospective tenant, the location is ideal, but the build-out cost is likely beyond the tenant’s initial budget. The Landlord seeks personal guarantees sensing there could be financial issues down the road. White Rose Funding could provide a term loan for the build-out, fixtures and equipment, and a working capital loan that will ring-fence the rent guarantee.

There is no cost to your client unless we provide the financing.

If the client does not enjoy prime credit status, we have relationships with preferred SBA Lenders that can make the process fast and efficient.

When you need access to an alternate lending source for your business needs, please consider White Rose Funding.

CASA'S CHARITY 5K RUN/1M WALK IS MAY 7

Join the race to reach all of Union County's foster youth

Lace up your sneakers and take simple but crucial steps to change the life of an abused, neglected or abandoned Union County child placed in foster care: On Sunday, May 7, 2017, CASA of Union County will host its third annual Foster the Dream 5k Run and 1 Mile Walk at Oak Ridge Park in Clark to raise awareness of the need for community volunteers to serve as Court Appointed Special Advocates, and to raise funds for expanded recruitment and training efforts.

The race course is USATF-certified and trophies are given to the first-place female and male finishers, as well as runners in the following brackets: 10 and under, 11-19, 20-29, 30-39, 40-49, 50-59, and 60+. In addition, participants can try their luck at various raffles — tickets are \$5 — and enjoy such post-race sustenance such as fruit, bagels and water. Whether a serious runner, a speed-walker or simply looking to stroll with friends and family — this race for a reason promises fun for all, and helps vulnerable youth right in your own community!

Life in foster care and the road to it is no walk in the park, but your walk or run in the park can change that. Two-thirds of Union County foster youth still need a CASA volunteer, and your

participation brings CASA of Union County closer to remedying that by providing a committed advocate for every youth that needs one. Appointed to a case by a family judge, trained CASA volunteers serve foster youth by advocating in court and the community to ensure their needs are met and best interests remain priority. They are court-empowered to speak with the youth's teachers, doctors, therapists, foster parents, caseworker, attorney and more, and then report findings to the judge.

Race check-in and packet pick-up begins 7:30 am race day; the 1 mile walk starts at 9 am and the 5k at 9:30 am. Award presentation and raffles begin at 10:30 am. Performance race shirts are guaranteed to all paid registrants through April 25. Registration is \$25 to run and \$20 to walk; \$5 more after April 15. Children under 10 run or walk for free!

Ready? Set. Go register yourself, your family and your friends at www.fosterthedream.org, taking the first steps toward changing the life of an abused, neglected or abandoned child from Union County! Contact Jen Mutch, race chair and CASA board president, at (917) 453-5415 or jcdowntown@hotmail.com with questions.
