## CELEBRATE EARTH DAY WITH RAHWAY RIVER CLEAN UP SATURDAY, APRIL 22, 2017

Boy Scout Troop #330 and Cub Scout Pack #30, along with numerous community organizations including the Rahway River Watershed Association, Rahway and Clark Environmental Commissions, and local school clubs, will hold its annual Earth Day Rahway River clean-up on Saturday, April 22nd (rain date of April 23rd). This cleanup event has been conducted annually since the 1990's under the auspices of the Union County Adopt-a-Park program.

All volunteers are welcome to participate. No registration is required. Interested volunteers should meet at the parking area adjacent to the waterfall of the Rahway River by the dam at Winfield Park at 8:45 a.m. The clean-up will generally be between 9-1, but any amount of time or effort that folks can volunteer is appreciated. Anyone can participate! Scout, school, church, and civic groups are just some of the organizations that have participated in the past.

There is a large volume of debris and garbage to remove from the river banks and areas of the river's floodplain. This includes debris like shopping carts, tires, and of course floatables (cans, bottles, plastics, etc.).

*(above) Last year, nearly 150 volunteers participated and removed tires, and a number of other large pieces of debris, and over 100 large bags of floatable debris and other wastes.*

Union County supplies gloves and garbage bags, and material donations from generous individuals and companies (donuts, bagels, coffee, bottled water, paper towels, hand-wipes, etc) support the volunteers. Last year, nearly 150 volunteers participated and removed tires, and a number of other large pieces of debris, and over 100 large bags of floatable debris and other wastes.

This is a great way to celebrate Earth Day! If you haven't participated in an event like this before, you would find it invigorating, and you will feel good about what you are giving back to your community and the environment.

Everyone will be able to work with a team. Teams will be spread out to a number of locations within the park.

All participants should wear jeans, long-sleeved shirts, gloves and boots. Participants can bring a standard 5-gallon carry bucket with a handle (put your name on the bottom)...this makes for easy carrying of "stuff" for transfer to the large garbage bags. When we complete the event we do a basic inventory of the "big stuff" that we removed...and within approximately 24 hours Union County Parks removes and disposes of all the trash. If you need more information on this Earth Day event please feel free to drop an e-mail to [rivercleanup@comcast.net](mailto:rivercleanup@comcast.net).

## HEHNLY RECYCLING CRUSADERS STAND FOR FRIENDSHIP

Members of the Frank K. Hehnly School Recycling Crusaders have much to celebrate. The group, which is comprised of fifth grade students who are dedicated to improving the environment, have reached their financial goal to purchase a Buddy Bench for the school's playground.

"The students were very focused and motivated to work together to raise enough money to get the Buddy Bench," explained Mrs. Estevez, a third grade teacher and club advisor.

The students raised money by selling Recycling Crusader t-shirts and tickets for an environmentally friendly basket.

"The Buddy Bench will be a fantastic addition to our playground," explained Mrs. Conner, co-advisor to the Recycling Crusaders. "It will be used to foster inclusion and combat loneliness during recess."

The students are hoping for the bench to be installed by spring of 2017.

(above) Members of the Frank K. Hehnly Recycling Crusaders stand together with Mrs. Plfug who was the winner of the environmentally friendly recycling basket. The Crusaders worked tirelessly this year to raise funds to purchase a Buddy Bench for the school's playground.

## LEADERSHIP COUNCIL GIVES DR. SEUSS A HAPPY BIRTHDAY

The Crusader Athletic Leadership Council participated in the Clark School District “Read Across America Day” at the Preschool. The “Cat and the Hat,” Lori Menzo, Preschool staff member, made a surprise visit to the classrooms and the C.A.L.C. members read multiple children’s books.

It was fun watching the high school student athletes as they interacted with the young children. Both the children and the students enjoyed the experience and learned a lot while

doing it! Dr. Seuss’s birthday kicks off a month of reading across the nation to raise awareness about the importance of children’s literacy.

Special guest readers visited the Preschool classrooms throughout March. Research shows that early literacy plays a key role in the enabling of learning experiences that are linked with academic achievement, reduced grade retention higher graduating rates and enhances productivity in adult life. Hats’ off to READING!

## CHAMBER'S EVENT HELD FOR EDUCATORS AND STUDENTS

The Workforce Education Committee of the Gateway Regional Chamber of Commerce recently hosted the 19th Annual Business & Education Partnership Breakfast. The event drew 100 businesses, educators and students from throughout Union County.

The chamber's Workforce Education Committee comprises representatives from the business community, education, community organizations and the military. The committee develops relationships between chamber businesses and education institutions in Union County that will foster a well-qualified future work force and supports the training and development of employees. The annual breakfast is its signature event and this year had the theme of building the Career Blueprint.

"The message we want to communicate to the educators and students who attended is that to be successful in defining a career, the most important thing is to have good life skills," said Jim Coyle, chamber president. "More than anything life skills will enable them to go where they want to go."

Coyle hosted a panel discussion that featured Veronica Sanchez-Rico, nurse coordinator at Trinitas Regional Medical Center; Rob Leslie, owner of Computer Solutions Unlimited; and Filipe Agostinho, owner of Filipe Custom Woodwork, Inc.

Sanchez-Rico told the audience she decided to go into nursing later in life, earning her nursing degree after having three children and starting her career in retail. She said both education and life skills are essential for a successful career.

"No matter what anyone ever does to you, they can never take away your education and life skills," she said. "Always try to be the best at what you do and never stay stagnant." Leslie told the audience he learned his trade while serving in the Marines and that continual learning is the key to his success as a business owner.

"I don't spend all day working," he said. "I spend all day trying to learn. The nighttime I spend studying. Before my head hits the pillow, I try to learn one new thing. At the end of the week I've learned seven new things. At the end of the month I've learned 30 new things."

Agostinho shared how he opened his first woodworking business at the age of 18 while growing up in Portugal and later emigrated to the United States, where he learned English on the job and by watching cartoons.

When he and the other panelists were asked by a high school counselor whether higher education is worth the cost when considering how many college graduates have difficulty finding work in their chosen field, Agostinho told the story of an intern he trained who now earns more than \$100,000 per year as a woodworking designer.

"There are a lot of professions where you can make good money without a college education," he said. "If you go to college, also get work experience, even through unpaid internships."

All three panelists agreed that the three life skills most important to a successful career are trust, dependability and likability.

The Gateway Regional Chamber of Commerce has over 1,200 members and comprises 12 regional and local chambers including Clark, Linden, and Kenilworth. To learn more visit [gatewaychamber.com](http://gatewaychamber.com).

**heart is where the home IS...**

Saying goodbye to the place where you've lived and created memories can be very stressful. My own relocation to New Jersey has helped me to personally relate to my clients, and become the agent I am today. I can assist in relieving a lot of the anxiety that most homeowners and buyers experience.

The Mayor and Council together with Clark Recreation recently acknowledged the support and generosity of Clark's own ShopRite, which is managed by Dominic Romeo.

Ralph Bernardo, Clark Recreation Director stated "Dominic exemplifies the meaning of giving back to the community. The generosity and support of him and his store every year has been so much appreciated as the donations have allowed us to do so much for our youth, seniors and township as a whole. If you need anything – all you have to do is ask Dominic, and his staff immediately goes into help mode. He has never questioned quantities, all he asks is what do you need? How many? And When you need? He is an asset to the Township."

**A MESSAGE FOR COMMERCIAL REAL ESTATE BROKERS, LANDLORDS, FRANCHISORS AND PROFESSIONALS WHOSE CLIENTS NEED A CERTAINTY OF FUNDING.**

White Rose Funding is a direct and indirect lender that can provide funding for:

- Tenants in need of capital for a build-out, equipment or machinery;
- Franchisee and other Start-Ups in need of acquisition funding or working capital; and
- An established business that has sudden and temporary cash needs.

We provide flexible financing on fair terms that rewards the forwarder by offering:

- Financial remuneration to the forwarder; and
- A tailored solution for your client.

For example, a Landlord or Commercial Real Estate Broker is showing property to a prospective tenant, the location is ideal, but the build-out cost is likely beyond the tenant's initial budget. The Landlord seeks personal guarantees sensing there could be financial issues down the road. White Rose Funding could provide a term loan for the build-out, fixtures and equipment, and a working capital loan that will ring-fence the rent guarantee.

**There is no cost to your client unless we provide the financing.**

If the client does not enjoy prime credit status, we have relationships with preferred SBA Lenders that can make the process fast and efficient.

**When you need access to an alternate lending source for your business needs, please consider White Rose Funding.**

## ALJ STUDENT ARTWORK FEATURED AT KEAN

The artwork of two Arthur L. Johnson high school students, Morgana Haub and Emily Dumansky, is currently being featured as part of the I Learn America exhibit at Kean University. According to the I Learn America Initiative, "These novice and accomplished creators seek to foster community conversations that raise public awareness, breakdown stereotypes, and celebrate diversity."

Students watched the I Learn America documentary in their Holocaust and Genocide Studies class taught by Mr. Franklin Stebbins. The documentary follows students attending the International School in Brooklyn as they not only adjust to school but also adjust to life in America. After watching the film, students were encouraged to create a series of images that allowed them to discuss their experiences of identity, inclusion, and diversity.

"Looking at the value of art and the process of its creation is a terrific way to allow students to showcase thoughts and ideas that words simply may not do justice. Looking at historical examples of artwork from the Holocaust to allowing students to create their own images was

a unique way to not only promote discussion, but also reflection on historical and current events," stated Stebbins.

Their work will be on display at the Human Rights Institute Gallery at Kean University until May 12th.

## DAISY TROOP 41248 SKATES THE NIGHT AWAY

## MICHAEL D. ROJEK ATTAINS EAGLE SCOUT RANK

June Ann Rojek, sister Haleigh, the late Michael J. Rojek along with Boy Scout Troop 523 have announced the recent achieved rank of Eagle Scout to Michael D. Rojek.

Eagle Scout is the highest rank attainable in the Boy Scouting program. Requirements include earning at least 21 merit badges, demonstrating ideals of service, leadership including organizing and leading an extensive service project. Fewer than 5 percent of the Boy Scouts nationwide make it to this commendable rank.

Michael is a resident of Clack, he is a 2016 graduate of Saint Joseph High School in Metuchen, he played both varsity Soccer and Lacrosse. He is now a freshman at Seton Hall University majoring in Psychology with a minor in communication. He is also working as an intern at the Seton Hall Radio Station 89.5. Michael's community service project involved refurbishing the landscaping, building new benches and painting the Flag area at school 22 located in Woodbridge Township.

During Michael's scouting career he completed 79 nights of camping, hiked over 85 miles, canoeing 75 miles, and completed 160 service hours. Michael was an Assistant Senior Patrol Leader and a Jr. Assistant Scout Master. Michael completed a backpacking trek at Philmont Scout Ranch in New Mexico, attended the Florida Sea

Base Sailing expedition and the Northern Tier Wilderness Canoeing and camping through Canada.

Michael's focus and his discipline in achieving the Eagle Scout rank speaks of his character, good citizenship and prowess as a young man. Congratulation Michael!

(above l-r) Michael Rojek and Mayor John McCormac (Woodbridge Township).

## SCOUTING ALUMNI FELLOWSHIP DINNER

Remember that fellow Scouter you knew from all those Boy Scout, Cub Scout, Venture Crew, Sea Scout Crew, Sabattis, Philmont or Summit camping trips or from all those Order of the Arrow, service and Eagle projects or from working on planning and running all those Scouting events but with whom you lost touch over the years? There is a great likelihood that they will be attending this Alumni event sponsored by Patriots' Path Council.

If you want to recapture all those great memories from "back in the day when....," you need to be at the Garden Restaurant on Wednesday, April 19 from 7:00pm to 9:00pm by registering online at:

ppbsa.doubleknot.com/event/2045647 before Monday, April 17.

Program will include presentations on 2017 Alumni events, such as the Alumni National Jamboree and an Alumni trip, recognition of Veteran Scouters and Silver Beaver Award recipients and a Collector's Patch sale. There is no charge for this Fellowship Dinner, yet there will be door prizes, a drawing for a free spot on the May 20 Alumni trip to Philadelphia and a great Patriots' Path Council Alumni Shoulder Patch for all attendees.

For more information, please register online or contact Mary Lynne Capen at 973-765-9222 x241 or marylynnecapen@scouting.org.

## CLARK BOY SCOUT TROOP 145

Clark Boy Scout Troop 145, under the leadership of Ted McKeown, spent the weekend of January 27-29, camping at the Joseph A Citta Scout Camp, located in Barnegate NJ. Younger scouts got to work on their cooking eagle merit badge while the older scouts got to enjoy some

relaxation with their friends. A boil off competition was held. This taught the scouts how to look for items in the wilderness that would help enable them to build a fire as well as to cook a meal. The boyscout bond grows with each camping trip.

## ENTREPRENEURSHIP 101 WORKSHOP PREPARES YOU FOR SMALL BUSINESS OWNERSHIP

It's the American dream – having your own business, being your own boss, setting your own hours....But before you take the plunge (or before you get in too deep in a business that you just started), you need to do some serious self-reflection and homework.

That's why UCEDC, a statewide economic development corporation, is offering an intensive six-week workshop for start-up businesses (those in the idea/planning phase or in operation less than a year). The next session of Entrepreneurship 101 is scheduled for Thursday evenings (6:00 – 9:00 pm), May 4 – June 8, 2017 at UCEDC's headquarters in Cranford, NJ.

"The small business failure rate is staggering," warns Erich Peter, UCEDC's Director of Training. "But you'll be more likely to succeed if you consider every challenge ahead of you and make sure you have what it takes to meet them."

Participants will be guided through a real-world assessment of their business idea and market feasibility as well as their own ability to handle the demands of business ownership. The steps to opening a business in New Jersey, choosing a legal structure, developing a business plan and establishing cost, revenue and cash flow projections will be addressed in a variety of interactive exercises.

"Being a business owner is hard work and this workshop is equally demanding," says Peter. "But we're going to work with you both in and outside of the classroom to make sure that the class material is relevant to your specific needs. And, we stick with our graduates for 12 months, providing free mentoring and counseling services."

Entrepreneurship 101 is a component of UCEDC's Entrepreneurial Training Initiative, an ongoing small business training effort, offered in partnership with the New Jersey Economic Development Authority.

Registration is now open for Entrepreneurship 101. Complete information can be found on the UCEDC website at [www.ucedc.com](http://www.ucedc.com) or by calling 908-527-1166.

## CLARK RESIDENT BECOMES CASA VOLUNTEER

Union County Superior Court Judge James Hely has administered oaths to 16 community members — among them Lisa LaGreca of Clark — who stepped up to volunteer as extra eyes and ears for Family Court judges on cases involving Union County's abused, neglected or abandoned children now placed in foster care.

The new child advocates completed 30 hours in a new, flexible training option that comprises fewer in-person sessions than the traditional session, but incorporates an online learning component for scheduling flexibility. After the new advocates took their oath and received a commemorative CASA pin and certificate, they gathered with staff and board members for a celebratory luncheon, during which they were

matched to their new case.

Volunteers with varied backgrounds make successful advocates and this class is no exception: Advocates range in age from 21 to 81; are parents and non-parents; recent retirees and students; and careers include business professionals, a teacher, nurse, attorney and professor; as well as homemakers. Languages spoken include Spanish, Chinese, Ukrainian and German. Most have no prior knowledge of the foster system, and at least two of the volunteers are immigrants.

CASA volunteers have court-ordered access to all parties in a child's life, including foster parents, doctors, caseworkers, therapists and teachers, and incorporate into court reports

findings from these contacts as well as time spent with the youth. Volunteers advocate both in the community and court to ensure their youth's needs are met and their time in care is as short as possible. There are 600 Union County children currently in foster care and CASA of Union County serves approximately one-third; its mission is to provide an advocate for every foster child that needs one.

For details on future trainings, contact Courtney at 908-527-7045 or [cgreen@casaoofunioncounty.org](mailto:cgreen@casaoofunioncounty.org).

To inquire about other ways to support CASA of Union County, contact Executive Director Marla Higginbotham at 908-527-7041 or [marlah@casaoofunioncounty.org](mailto:marlah@casaoofunioncounty.org).

## CASA'S CHARITY 5K RUN/1M WALK IS MAY 7

*Join the race to reach all of Union County's foster youth*

Lace up your sneakers and take simple but crucial steps to change the life of an abused, neglected or abandoned Union County child placed in foster care: On Sunday, May 7, 2017, CASA of Union County will host its third annual Foster the Dream 5k Run and 1 Mile Walk at Oak Ridge Park in Clark to raise awareness of the need for community volunteers to serve as Court Appointed Special Advocates, and to raise funds for expanded recruitment and training efforts.

The race course is USATF-certified and trophies are given to the first-place female and male finishers, as well as runners in the following brackets: 10 and under, 11-19, 20-29, 30-39, 40-49, 50-59, and 60+. In addition, participants can try their luck at various raffles — tickets are \$5 — and enjoy such post-race sustenance such as fruit, bagels and water. Whether a serious runner, a speed-walker or simply looking to stroll with friends and family — this race for a reason promises fun for all, and helps vulnerable youth right in your own community!

Life in foster care and the road to it is no walk in the park, but your walk or run in the park can change that. Two-thirds of Union County foster youth still need a CASA volunteer, and your

participation brings CASA of Union County closer to remedying that by providing a committed advocate for every youth that needs one. Appointed to a case by a family judge, trained CASA volunteers serve foster youth by advocating in court and the community to ensure their needs are met and best interests remain priority. They are court-empowered to speak with the youth's teachers, doctors, therapists, foster parents, caseworker, attorney and more, and then report findings to the judge.

Race check-in and packet pick-up begins 7:30 am race day; the 1 mile walk starts at 9 am and the 5k at 9:30 am. Award presentation and raffles begin at 10:30 am. Performance race shirts are guaranteed to all paid registrants through April 25. Registration is \$25 to run and \$20 to walk; \$5 more after April 15. Children under 10 run or walk for free!

Ready? Set. Go register yourself, your family and your friends at [www.fosterthedream.org](http://www.fosterthedream.org), taking the first steps toward changing the life of an abused, neglected or abandoned child from Union County! Contact Jen Mutch, race chair and CASA board president, at (917) 453-5415 or [jcdowntown@hotmail.com](mailto:jcdowntown@hotmail.com) with questions.

## 2017 CAREER DAY AT ARTHUR L. JOHNSON HIGH SCHOOL

On Friday, March 10, Arthur L. Johnson's Guidance Department hosted Career Day. More than 50 professionals hosted tables in the gymnasium while students in grades nine through twelve were able to ask questions and gather information. Among the participants were representatives from the fields of pharmacy, electrical engineering, chemistry, public safety, cosmetology, physical therapy, hospitality, and media. The event also included many ALJ alumni who were delighted to share their career pathways at their former school.

Students came equipped with a list of

attendants and recommended questions to ask. Those 16 and older were especially encouraged to inquire about summer internship and/or job opportunities as a number of the organizations represented are local. Many of the participants brought props and giveaways for students. Tables were grouped together by industry: STEM (Science, Technology, Engineering, Math), Law/Public Safety, Health/Human Services, Business, Trades/Personal Services, and Creative/Media. ALJ offers an internship program for seniors and several contacts were made for this program through the Career Fair.

## THIRD ANNUAL COLONIAL JOB FAIR

Fifth graders at Valley Road School in Clark took a trip back to seventeenth and eighteenth century colonial America in order to learn about colonial history. Students of Nicole Reagan, Bryan Lowe, and Kelly Williamson first learned about over a dozen different types of careers that would have existed in pre-revolutionary America. Fifth graders researched jobs such as silversmith, brickmaker, apothecary, and wigmaker among others. They discovered the vital roles they each played in colonial society as well as the qualifications or responsibilities that each required.

The students then went on to participate in a simulation of a job fair where they had to convince others to join them in their specific lines of work. They came to school sporting colonial

era outfits and showcasing various items that would have been relevant to their job. The Clark community joined in on the fun when members of the students' families attended the event and pretended to be searching for a job. "Having the students embody a colonial American and their profession really made the project come to life," Kelly Williamson said of the activity. The entire event culminated with a dancing of the Virginia Reel taught and orchestrated by music teacher Patricia Sauer.
