LIBRARY CELEBRATES NJ MAKERS DAY

The Kenilworth Public Library recently celebrated NJ Makers Day. This open house event for children and adults included hands-on stations and live demonstrations celebrating the many aspects of maker culture.

NJ Makers Day is a statewide event that celebrates, promotes, and in many cases may introduce maker culture,

as well as the values associated with making, tinkering and STEM-based learning. Participating locations included public and academic libraries, schools, museums, commercial makerspaces, and AC Moore stores, as well as sponsorship from such organizations as LibraryLinkNJ, littleBits Electronics, and ManufactureNJ.

(above) Children had an opportunity to create note cards and write letters to members of the military branches.

(above) Visitors had an opportunity to learn about 3D printing with Library director Michael Maziekien.

(above) Visitors to the library had an opportunity to learn how to spin wool into yarn using a spinning wheel.

(above) Children had an opportunity to learn how to create and design buttons with the library's button maker.

MEMO FROM THE MAYOR

Spring is here! But at the time of this writing we have a little snow to melt first! While we had a mid-March storm that brought icy sleet and snow it was far less than the 24" that was expected. Kudos to the DPW and Police for doing a good job as always. This was a difficult storm to plow as because it iced very quickly, hampering efforts to get snow moved off the roadways, a special thank you to the residents who complied with the snow ordinance and got their vehicle off the roadways and to the many that checked on their neighbors during the event.

I've noticed there is still a little confusion as to when each side of town is supposed to put out recycling. I understand that the DPW schedule on-line reflects the old schedule and we will be updating this as soon as possible. We did not update as we were unsure if the system would be workable, but I believe to alleviate this issue we need to get it out as quickly as possible. So to review for the month of April and May we are still alternating each week north side and south side. April 4 and 18 will be north side pickup and April 11 and 25 will be south side pick up. May 2, 16 and 30 will be north side pickup and May 9 and 23 will be south side pick up. Remember, if you are a town resident Kenilworth does offer the option to drop off at the DPW yard until 3 pm, please check to make sure someone is available at the yard. Again Kenilworthians, thank you for being patient and understanding through this. And thank you for getting the word out to some who didn't get the reverse 911 phone messages or weren't on social media pages in our effort to get everyone the information.

Kenilworth utilizes the Swift 911 system to get information via landline phone or to cell phones if you wish. Sign up is free and is located on our Kenilworth Borough website. Our goal is to get everyone signed up and we will have information and a sign-up center at the Senior Center as well as the Library so we can help those who might be confused as to how to do it. In times of crisis, the ability to get information quickly and accurately is imperative. This system allows the authorities to reach as many people as possible.

We have some big things happening. Here are some important dates and events:

April 18: While tax day is on the 15th because of the weekend, the final day for taxes will be on the 18th so all you procrastinators get a couple of extra days to give Uncle Sam his share.

April 19: North side Bulk pick up commences.

April 22: The Kenilworth Historical Society is hosting "An Elegant Victorian Tea with a Contemporary Flair" at Kenilworth Gospel Chapel - 557 Newark Ave., Kenilworth. An elegant Victorian Tea complete with tea sandwiches, scones, desserts and a gift auction. Featured program by renowned "Victorian Lady Lisa" will show the fascination transition of Victorian era attire into modern "Steampunk" fashion. Saturday, April 22 at noon, tickets are \$30.

April 26: South side Bulk pick up commences.

As always visit our website at www.kenilworthborough.org for more details about these events and more.

Thank you to everyone out there for being a part of Kenilworth, every little bit counts; from helpful suggestions for making our town better and safer to the everyday citizens checking on your neighbors. Let's not forget our municipal employees giving extra effort to our residents. Remember we are all in this together.

Please stay safe Kenilworth!

God Bless you all and God Bless America

Mayor Anthony DuLuca

DR. JAMES PUMARADA FINISHES FIRST HALF MARATHON

Dr. James Pumarada, a longtime Kenilworth resident and owner of Complete Physical Rehabilitation, a Union County based Physical Therapy clinic, finished his very first half marathon on March 20, 2017, participating in the United Airlines NYC Half Marathon in New York. For Dr. James, the decision to participate in such a high profile event as a first timer was very simple.

"It's really about showing my kids the value of physical activity and physical fitness," states Dr. James, who has 3 children all attending St. Theresa's School in Kenilworth. "As a physical therapist, I always try to impart to them that exercise is important, but I thought that I participating in this race would really provide the best message."

Having no previous marathon experience and having entered the race via lottery, the training process proved to be equally challenging and rewarding.

"I was so shocked that I actually won that lottery, and I'm really glad I treat runners all the time, or things would've been much harder," he jokes. "Specializing in treating professional and semi-professional runners really did make creating a training regimen that much easier, especially for a first timer like myself." Overall, he was very pleased with the experience.

"It was very rewarding. I kept myself in great shape through training, I got through my first race ever, and my kids got to see what you can accomplish when you put your mind to something. It was all win-win for me."

SCOUTING ALUMNI FELLOWSHIP DINNER

Remember that fellow Scouter you knew from all those Boy Scout, Cub Scout, Venture Crew, Sea Scout Crew, Sabattis, Philmont or Summit camping trips or from all those Order of the Arrow, service and Eagle projects or from working on planning and running all those Scouting events but with whom you lost touch over the years? There is a great likelihood that they will be attending this Alumni event sponsored by Patriots' Path Council.

If you want to recapture all those great memories from "back in the day when...," you need to be at the Garden Restaurant on Wednesday, April 19 from 7:00pm to 9:00pm by registering online

at: ppbsa.doubleknot.com/event/2045647 before Monday, April 17.

Program will include presentations on 2017 Alumni events, such as the Alumni National Jamboree and an Alumni trip, recognition of Veteran Scouters and Silver Beaver Award recipients and a Collector's Patch sale. There is no charge for this Fellowship Dinner, yet there will be door prizes, a drawing for a free spot on the May 20 Alumni trip to Philadelphia and a great Patriots' Path Council Alumni Shoulder Patch for all attendees.

For more information, please register online or contact Mary Lynne Capen at 973-765-9222 x241 or marylynnecapen@scouting.org.

Mr. Brian Luciani, Principal of David Brearley Middle/High School visited Mrs. Diane Westbrook's seventh grade World History class to participate in a project focusing on decision making and compromise.

The student's project is called "Mr. Luciani's Invitation to Dinner." A cooperative activity, the students had to come up with a restaurant they could all agree on. If and only if they came to the same conclusion would Mr. Luciani foot the bill for their dinner. The students learned that everyone's opinion is important, and that decision making and compromise in order to reach a goal or solve a problem is challenging.

Mr. Luciani addressed the classes and pointed out that he as Principal must make decisions every day for the good of our school. He must listen to all involved and make an educated decision on important issues. The students asked him questions about his job as part of the project. Both Mr. Luciani and the Middle School students enjoyed engaging and sharing time as part of the annual project.

4TH GRADER WITH A BIG HEART

Rachel Infante a 4th grader at St. Theresa School in Kenilworth. She recently donated 8 inches of her hair to the Pantene Beautiful Lengths for cancer patients.

Gracie Figuerido, owner of Bella Gente Hair Salon here in Kenilworth had the honors of cutting the 9 year old's hair.

Rachel said she was a little bit nervous and she needs to get use to her new hairdo but she would do it again because it was for a good cause.

Rachel is known as a kind, considerate and generous young lady. When she was 4-years-old, Rachel ran a lemonade stand in the summer to raise money for St. Jude's hospital.

About 1849 farmer George Gage (1805-1892) and family lived in the farmhouse on Cross St. By 1860 James L. Benedict (1814-1892) owned the farm. About 1878 Charles Frost (b. 1845), his wife Catherine (b. 1848), and family, arrived from NY. Charles was a gardener and became a wholesale florist of regional repute. When the New Orange Industrial Association purchased farms in the 1890s in Union and Cranford to

Research suggests that the old Frost farmhouse at 22 Cross St. is the second oldest dwelling still standing in Kenilworth. The building, based on maps and census records, dates to the 1840s. The oldest home standing is the former Shallcross house on Springfield Rd. that dates to the

create New Orange, he declined to sell.

Fred Frost, a son (b. 1875), owned the farm until 1943 when he sold it to Adolf Roessle (1899-1979) and his wife, Marie (1901-1992). They were assisted by their son, Rudy, now 85 years old, who explained that the family renovated the property, demolished some structures, and added new. One was a flower shop which became a thriving retail business known as the Kenilworth Greenhouses and Flower Shop. In the 1960s a rear portion of the property was sold to help create the Brearley Regional HS campus. Until that time the farm's shape had not changed in 120 years. In 1988 the Roessles retired and sold the property and farmhouse to a local developer who demolished the greenhouses, flower shop, and barn, but not the farmhouse. The future of this landmark structure, although in a state of decline, remains uncertain.

A MESSAGE FOR COMMERCIAL REAL ESTATE BROKERS, LANDLORDS, FRANCHISORS AND PROFESSIONALS WHOSE CLIENTS NEED A CERTAINTY OF FUNDING.

White Rose Funding is a direct and indirect lender that can provide funding for:

- Tenants in need of capital for a build-out, equipment or machinery;
- Franchisee and other Start-Ups in need of acquisition funding or working capital; and
- An established business that has sudden and temporary cash needs.

We provide flexible financing on fair terms that rewards the forwarder by offering:

- Financial remuneration to the forwarder; and
- A tailored solution for your client.

For example, a Landlord or Commercial Real Estate Broker is showing property to a prospective tenant, the location is ideal, but the build-out cost is likely beyond the tenant's initial budget. The Landlord seeks personal guarantees sensing there could be financial issues down the road. White Rose Funding could provide a term loan for the build-out, fixtures and equipment, and a working capital loan that will ring-fence the rent guarantee.

There is no cost to your client unless we provide the financing.

If the client does not enjoy prime credit status, we have relationships with preferred SBA Lenders that can make the process fast and efficient.

When you need access to an alternate lending source for your business needs, please consider White Rose Funding.

'VICTORIAN TEA WITH A CONTEMPORARY FLAIR'

Nationally acclaimed speaker, author and television personality Lisa Griffiths (aka "Victoriana Lady Lisa") will address attendees at an afternoon "Victorian Tea With a Contemporary Flair" to be presented by the Kenilworth Historical Society on Saturday, April 22, 2017. During the program, Victoriana Lady Lisa, host of the award-winning syndicated television series "All Things Victorian" and author of the publication "International Steampunk Fashions," will display and discuss selections from her extensive 19th-/early 20th-century wardrobe and show the fascinating transition of such Victorian era attire and accessories into modern-day "steampunk" fashion.

The Tea will begin at noon at the Kenilworth Gospel Chapel hall, 557 Newark Avenue, Kenilworth, where the ambience of a Victorian tearoom, creatively and tastefully accented with fragments of contemporary Steampunk culture, is being created for the event. An array of assorted teas, tea sandwiches, scones and desserts will be provided in addition to a gift auction and door prizes. Admission is \$30. Advance

reservations (by April 12) are requested, as seating is limited. For reservations/tickets, please call 908-709-0434, 908-709-0391 or visit Especially Yours Florist at 13 North 20th Street, Kenilworth.

Proceeds from the April 22 Tea and Gift Auction will benefit the Kenilworth Historical Society's Oswald J. Nitschke House (c. 1880) "living history" museum and cultural arts center by helping defray the cost of an elevator that makes all levels of the recently restored and furnished site fully accessible to everyone.

Lisa Griffiths (aka "Victoriana Lady Lisa"), is a Massachusetts-based historian, author and lecturer who specializes in the Victorian and Edwardian eras. She has traveled extensively with her extraordinary museum-caliber collection of 19th-/early 20th-century attire (c. 1840-1919). With genuine passion, charm and style, she offers audiences an enlightening glimpse of what life was like during the time period portrayed by her antique wardrobe collection, which she began more than 30 years ago. Griffiths, who additionally is well versed in steampunk fashion, recently authored "International Steampunk

Fashions," published by Schiffer Publishing Ltd.

As a popular television personality, Griffiths (famously known as "Victoriana Lady Lisa") hosts "All Things Victorian," a four-time award-winning syndicated television series that explores various Victorian-related topics. In 2011, she also made a cameo appearance, dressed in period mourning attire, on the highly rated reality show "Oddities," which was filmed in Manhattan. Most recently, Griffiths launched a wholesale business in which she produces and markets her own unique nut snack, called "That Nutty Redhead Praline Gourmet Nuts," based on her great-great-grandmother's Victorian recipe.

DISTRACTED DRIVING CAMPAIGN TO BE CARRIED OUT LOCALLY FROM APRIL 1 – APRIL 21, 2017

Borough of Kenilworth - Law enforcement officers from the Kenilworth Police Department will be cracking down on distracted drivers during April as part of New Jersey's UDrive. UText. UPay.enforcement campaign.

Beginning April 1 and running through April 21, the high visibility law enforcement initiative will target motorists who engage in dangerous distracted driving behaviors such as talking on handheld cell phones and sending text messages while driving.

"Distracted driving is a serious issue on our roadways," said Gary Poedubicky, Acting Director of the New Jersey Division of Highway Traffic Safety. "The National Highway Traffic Safety Administration reports that in 2014 alone, 3,179 people were killed in distracted driving crashes and an estimated 431,000 people were

injured in motor vehicle crashes involving a distracted driver."

Despite the fact that using a hand held cell phone or texting while driving is illegal in New Jersey, the practice appears to be widespread. In a recent survey conducted by the FDU PublicMind Poll for the Division of Highway Traffic Safety, 67% of respondents said they "very often" see people driving and talking on a hand held cell phone. 42% of respondents said they "very often" see driver's texting.

The campaign is being carried out during the month of April, which the National Safety Council has designated as Distracted Driving Awareness Month. The New Jersey campaign is modeled after similar successful high visibility enforcement programs such as Click It or Ticket and Drive Sober or Get Pulled Over.
