COMMUNITY HELPS 5TH GRADERS CELEBRATE MATH DAY

The 5th grade students at Deerfield School in Mountainside were treated to a morning in school where they were shown that “Math Matters” in everyday life. Parents and grandparents presented to the Deerfield 5th graders how mathematics is utilized in their workplace.

There were presenters from all walks of life and students had the opportunity to visit multiple interactive presentations throughout the morning. Students created budgets, counted push-ups, and wrote up a check for a pizzeria to name a few of the activities.

It was an amazing learning experience for the entire 5th grade! Thank you to all the professionals who participated including: Kim Maselli, Physical Therapist demonstrated how to measure range of motion; Kathi Sottosanti, Personal Trainer demonstrated how to use numbers to count timing in classes & lifting; Jeannie Hyman, Accountant; Mrs. Staricco, Owner of Zoku Hair Salon; Dante Gioia, VP of Finance & Operations at Steve Madden; Meryl Proctor, Owner of Ashimoto Essential Beauty; Carolyn Klimas, Human Resources; Mike McCarthy, Insurance: demonstration used a not so typical product line where Professional athletes' salaries are insured against disabilities; John Sclafani, Organist, Choir Director; Anthony Falso, Asphalt paving foreman: measure to figure out materials; payroll; Mrs. Gupta, Engineer; Carolyn Grassi, Cashier/Business Owner; Mr. Villanueva, Software Project Management; Mr. Diskin, School principal.

**A MESSAGE FOR COMMERCIAL
REAL ESTATE BROKERS,
LANDLORDS, FRANCHISORS AND
PROFESSIONALS WHOSE CLIENTS
NEED A CERTAINTY OF FUNDING.**

White Rose Funding is a direct and indirect lender that can provide funding for:

- Tenants in need of capital for a build-out, equipment or machinery;
- Franchisee and other Start-Ups in need of acquisition funding or working capital; and
- An established business that has sudden and temporary cash needs.

We provide flexible financing on fair terms that rewards the forwarder by offering:

- Financial remuneration to the forwarder; and
- A tailored solution for your client.

For example, a Landlord or Commercial Real Estate Broker is showing property to a prospective tenant, the location is ideal, but the build-out cost is likely beyond the tenant's initial budget. The Landlord seeks personal guarantees sensing there could be financial issues down the road. White Rose Funding could provide a term loan for the build-out, fixtures and equipment, and a working capital loan that will ring-fence the rent guarantee.

There is no cost to your client unless we provide the financing.

If the client does not enjoy prime credit status, we have relationships with preferred SBA Lenders that can make the process fast and efficient.

When you need access to an alternate lending source for your business needs, please consider White Rose Funding.

GREATER WESTFIELD AREA CHAMBER HOSTED TRINITAS HEALTH AND WELLNESS EXPO

The Greater Westfield Area Chamber of Commerce hosted the Trinitas Regional Medical Center Health and Wellness Expo at Snuffy's Pantagis in Scotch Plains in February. The inaugural Expo greeted nearly 700 attendees with swag bags, a robust schedule of events, free health screenings and a blood drive.

"We are delighted to bring this event to life with our named sponsor Trinitas Regional Medical Center. More importantly, we are ecstatic at the enthusiasm of the community toward this event," said Gene Jannotti, Executive Director of the GWACC.

The keynote speaker was Dr. Ben Michaelis, a Manhattan clinical psychologist, author, and

frequent mental health expert on The Today Show, Fox News, and MSNBC as well as numerous national publications. Dr. Michaelis presented The 5 Habits for Creating a Healthy Mind to a ballroom filled with participants. He stayed after his presentation and spent time with both vendors and attendees.

The mission of the Greater Westfield Area Chamber of Commerce is to promote business opportunities, economic development and community growth. For more information about the chamber and other upcoming business networking and community events, please contact Heather Bryant at 908-233-3021 or heather@gwaccnj.com.

GWACC WISH LIST PROGRAM TAKES OFF

The Greater Westfield Area of Commerce (GWACC) made its first Wish List Program "match" on March 1st. This new program pairs a member business and a nonprofit organization with the purpose of fulfilling a wish requested by the nonprofit.

In March, Community Access Unlimited (CAU), a nonprofit based in Elizabeth, received their wish--a laptop donated by Mario G. Cesario of Cesar-Kai Academy/The Max Challenge in Cranford.

Community Access Unlimited provides comprehensive support services to approximately 8,000 New Jersey residents with developmental disabilities, youth aging out of foster care, and people with affordable housing needs. Their mission is to give the people they work with (referred to as 'members') the opportunity to live independently and to lead normal and productive lives as citizens integrated into the community. Supported housing units are located in four of the five towns served by the GWACC. CAU requested a laptop to provide technical assistance to staff members working in the community alongside the people they support. The new laptop will allow the staff to immediately access

each member's information, connect members to community resources, thus providing the most comprehensive care.

Mario Cesario said, "I remember starting my first business six years ago. If it wasn't for an extremely supportive community, my journey could have been very different. Having the opportunity to support a local nonprofit organization that does great work is just the right thing to do, and I'm honored to pay it forward and make doing their job easier. We should all support local businesses and nonprofit organizations on a regular basis."

Stephanie Branna, Chairwoman of the GWACC Nonprofit Committee said, "This new initiative was developed to bring awareness to all of our members. We are looking for the next business to step up and grant the wish for our second nonprofit organization, Boys & Girls Clubs of Union County."

For more information about the Wish List program, please contact Stephanie Branna at stephanie@brannaagency.com.

The GWACC serves five communities in Union County: Westfield, Garwood, Mountainside, Scotch Plains and Fanwood.

(above l-r) Chris Devine, GWACC Board; Stephanie Branna, Chairman of Non-Profit Committee; Cara Pavia, Community Access Unlimited; Mario Cesario, Cesar-Kai Academy; Gene Jannotti, GWACC Executive Director.

"Saturday Musical Getaways:

Folk Songs of World War I"

Saturday, May 6 at 2:00 PM

With Adam Miller. One of the premier autoharpists in the world, Adam Miller has distinguished himself as a master of non-fiction storytelling and as one of the great interpreters of American folksongs. A performer who enlightens as well as entertains, he points out fascinating connections between events in history and the songs that survived them, emphasizing the importance of history as a story well told. His family concerts are as enjoyable for children as they are for parents, grandparents, and great-grandparents. In a return engagement at the Library, his concert is about the 70 million military personnel who participated in the First World War (1914-1918) - "The War to End All Wars" and the songs they sung. Many of the songs from this conflict have become part of the English-language oral tradition.

SWAP OR SELL SPACES AVAILABLE FOR SPRING CLEANING SWAP MEET

The Mountainside Restoration Committee, Inc. is seeking participants to secure space for Swapping or Selling their unwanted Spring Cleaning clean-out items or any other items which might interest the crowd. These items might include crafts, merchandise, jewelry, baked goods, clothing, music, collectibles, household items, videos, toys, etc.

The Mountainside Spring Cleaning Sale and Swap Meet will take place on Saturday, April 29, 2017 from 9 am - 2 pm and will be held on the grounds of the Deacon Andrew Hetfield House at Constitution Plaza in Mountainside. In the event of rain, the event will take place, next door, in the Mountainside Fire House garage. After the nominal space fee, individuals or groups keep the profit from their Swap/Sell table. Individuals, groups or organizations wishing to secure table space should pick up a form at the Mountainside Borough Hall, Public Library, or download online at www.mountainsidehistory.org; or call (908)789-9420. Registrations for spaces are due no later than April 25.

While the Sale and Swap meet takes place, the Mountainside Historic Committee will conduct their infamous Chicken Plop Bingo where anyone can take a chance at winning – if the chicken “selects” your number on the grid, you win! There will be several games of Chicken Plop Bingo taking place from 9am – 2pm during the April 29th event.

The Deacon Andrew Hetfield House and Levi Cory House are located at Constitution Plaza adjacent to the Mountainside Library. Constitution Plaza is the first right off Birch Hill Road which is off New Providence Road near the Mountainside Volunteer Fire House. The Mountainside Restoration Committee is a committee of volunteers governed by the Borough of Mountainside whose purpose is to restore and maintain the Deacon Andrew Hetfield House and the Levi Cory House and collect and save historic information and items from destruction. For information or to donate funds, please call (908)789-9420; or, go to: www.mountainsidehistory.org.

It's the American dream – having your own business, being your own boss, setting your own hours....But before you take the plunge (or before you get in too deep in a business that you just started), you need to do some serious self-reflection and homework.

That's why UCEDC, a statewide economic development corporation, is offering an intensive six-week workshop for start-up businesses (those in the idea/planning phase or in operation less than a year). The next session of Entrepreneurship 101 is scheduled for Thursday evenings (6:00 – 9:00 pm), May 4 – June 8, 2017 at UCEDC's headquarters in Cranford, NJ.

"The small business failure rate is staggering," warns Erich Peter, UCEDC's Director of Training. "But you'll be more likely to succeed if you consider every challenge ahead of you and make sure you have what it takes to meet them."

Participants will be guided through a real-world assessment of their business idea and market feasibility as well as their own ability to handle the demands of business ownership. The

steps to opening a business in New Jersey, choosing a legal structure, developing a business plan and establishing cost, revenue and cash flow projections will be addressed in a variety of interactive exercises.

"Being a business owner is hard work and this workshop is equally demanding," says Peter. "But we're going to work with you both in and outside of the classroom to make sure that the class material is relevant to your specific needs. And, we stick with our graduates for 12 months, providing free mentoring and counseling services."

Entrepreneurship 101 is a component of UCEDC's Entrepreneurial Training Initiative, an ongoing small business training effort, offered in partnership with the New Jersey Economic Development Authority.

Registration is now open for Entrepreneurship 101. Complete information can be found on the UCEDC website at www.ucedc.com or by calling 908-527-1166.
