CUB SCOUT PACK 182 HOLDS ANNUAL PINEWOOD DERBY

On Saturday February 4, 2017, Warren Cub Scout Pack 182 held their annual Pinewood Derby, at Warren Middle School; an event where Cub Scouts design a maximum 5 oz. car from a 7"x 1.75" x 1.25" block of pine wood, following a specific set of rules. The cars then compete on a five lane wooden track, with each car running 5 heats for their best race times to determine the winners. Awards were given for the fastest, as well as voting in several People's Choice categories.

40 Scouts and their families participated in the event. Many adult volunteers organized everything from setting up the track, running the races, hosting the concessions stand, decorations and contributing donations for the Concessions stand and Superbowl cake auction, and cleaning up afterward. 10 Siblings were also allowed to enter and race in their own division. A great time was had by all, and the field of cars entered was diverse and beautiful in their designs.

Cub Scout Pack 182 in Warren Township serves the local community and surrounding towns. To join Cub Scouts or find out more about Pack 182 visit our Facebook page: facebook.com/Pack182WarrenNJ/ our website warrenpack182.org or by contacting us at membership@warrenpack182.org.

DANIEL LEE NAMED TOP YOUNG SCIENTIST

Watchung Hills Regional High School (WHRHS) Senior Daniel Lee of Watchung has been named one of the top 300 young scientists in the 76th annual Regeneron Science Talent Search (STS).

WHRHS is one of 183 high schools

across the U.S. and one of five comprehensive high schools in New Jersey to have a student selected for this honor. Lee will be awarded \$2,000, and WHRHS will receive \$2,000 to support excellence in science, math, and/or engineering education.

Lee, who has been a center on the WHRHS Varsity Ice Hockey team for four years, is one of the captains of the team. He is also President of the school's Math League and founder of the school's Neuroscience Club.

WHRHS Principal George Alexis congratulated Lee for his achievements. "Daniel

is an exceptional young man," Alexis said. "His commitment to scientific inquiry demonstrates the kind of authentic learning we aspire to as a school community. He brings the same type of commitment and enthusiasm to the ice hockey team and to local environmental initiatives. We're very proud of him."

Lee said he is committed to environmental awareness and clean water issues. "I have been a member of the Borough of Watchung Green Team for the past two years, where I help to organize environmental events for the town, including the weekly Farmers Market and the Annual Green Fair," he said.

Lee said he is now working on possibly having his paper published in a scientific research publication. He said he is leaning toward pursuing studies in material science and applied physics while in college.

Lee thanked his teachers at WHRHS who supported his exploration of scientific research and Physics. "I would like to thank Dr. Sophia Gershman for playing an instrumental role in developing my interest in science and providing invaluable guidance and support during my internship at PPPL," Lee said. "Dr. Gershman was my teacher for the previously-offered Experimental Research and Design course at Watchung Hills, a unique course which allowed students to learn research techniques and explore scientific subjects they were passionate about. I would also like to thank Mr. Brian Brown, my AP Physics teacher, for being an excellent educator and for encouraging me to pursue my interest in Physics."

Lee is the son of Howard and Sophia Lee and brother of Jacqueline Lee.

2ND GRADE PRESENTS "PAJAMA PARTY!"

The second grade classes presented "Pajama Party!" a musical by Cristi Cary Miller and Jay Michael Ferguson in February. The plot of the play asks, 'How much sleeping will REALLY

happen when they all get together for a slumber party?' Both students and parents/family members watched and listened as the second graders sang and danced their way to Dreamland.

HOW MICROVAS WORKS FOR DIABETIC PATIENTS

by Jyotsna Thapar, DPM

Imagine having an open sore on the bottom of your foot an inch in diameter that doesn't heal. You can't walk for the pain, you worry about infection and gangrene setting in, and you face the very real possibility that the foot might need to be amputated. Would you be willing to try a non-invasive treatment called MicroVas therapy to see if it would help?

A large percentage of people with long-term diabetes eventually end up with complications like non-healing diabetic wounds in their feet. As a podiatry practice in New Jersey, we've seen our share of them. We also see many diabetic patients with peripheral neuropathy—nerve damage in legs and feet that results in numbness and burning or sharp, stabbing pains.

We are so pleased to be able to offer MicroVas treatments in our office to give hope to patients who deal with these conditions. Coming in for 3 treatments per week, 45 minutes at a time, can make a world of difference to your foot health.

Over time, high sugar levels impair your nerve function and lead to poor circulation in your extremities. The principle of this therapy is to use electrical stimulation to increase circulation and stimulate nerve regeneration. Your body does not produce new nerves, so the only way to regain function is for existing ones to rebuild and become healthy again.

The technology involves the device that sends out the electrical waves, several leads that transmit them, and pads that disperse the energy over their entire surface for even application to your tissues. These are placed opposite each other on your thighs, calves, ankles and feet, so the electrical stimulation reaches all the way through your tissue, not just at the surface.

This stimulation encourages your muscles to contract, which increases blood flow in your arteries and veins. More blood means more nutrients and oxygen delivered for healthy cell repair and growth. The increased circulation also helps nerves that have atrophied because of diabetes, allowing them to regenerate and grow again. The results are increased wound healing and the return of function to your peripheral nerves.

We invite you to call Ankle and Foot Specialist of New Jersey in South Plainfield and set up an appointment to discuss whether this might be the answer for your diabetic foot problems. You can reach us at our South Plainfield location by calling 908-222-8980 or in Warren at 732-356-FOOT (3668).

ALIGNMENT ASSIGNMENT

Pronation is the motion that helps feet absorb and disperse shock when walking or running. The elongating and flattening of the arches allow the feet to roll inward and overcome the shock. Over time, either excessive or insufficient pronation can negatively affect shock absorption, potentially resulting in problems with joints, bones, and tendons of the feet and the lower legs. A podiatrist can determine if there is a pronation problem. Subject to its cause and severity, the podiatrist will recommend appropriate measures to alleviate the issue. In many cases, a custom orthotic will be prescribed in order to correct poor pronation. If there is a more serious underlying condition, surgery may be necessary.

Causes of pronation can vary. It may develop early on in a person's development. Often, pronation occurs as a result of strain on the foot. Excessive weight on the arch of the foot may weaken the tissue, resulting in pronation. Elderly people may also suffer from weakened muscles and tissues in the foot causing the arch to collapse. If pronation is left untreated, serious problems can arise. Now is a good time to schedule an appointment for footcare of the family. ANKLE & FOOT SPECIALIST OF NJ, LLC, located at 65 Mountain Blvd. Ext., Suite 107, Warren, where we practice conservative podiatry as the frontline defense against feet that cause you to suffer pain. Phone: 732-356-FOOT (3668). I am a member of the American College of Foot and Ankle Surgeons.

CHELSEA RESIDENT HELPED GLORIA ESTEFAN GO PLATINUM

(above) Jim Hayes

With humble beginnings as a wedding band, the Miami Sound Machine had already been well known in the Miami area in the late 70's and early 80's. In 1977 with the addition of a young vocalist named Gloria Maria Fajardo Garcia, later known as Gloria Estefan, they became a phenomenon of the Latin music scene.

But it wasn't until Discos CBS, a subsidiary of CBS International, put out the album *Primitive Love* on Epic Records in 1985 that the band crossed over into mainstream mega-success. And Jim Hayes, president of Discos CBS, was at the helm.

"Gloria was in my office three or four times a week," he remembers from his apartment at The Chelsea at Warren assisted living residence in Warren, NJ. "She didn't think we were spending enough money on promoting the group, and she was right."

The rest is history, of course, and Jim has the

platinum album to prove it.

"I really wanted that job," he says, recalling the six years he spent in Miami. He had been a veteran of the publishing industry, working for several book companies, one of which was acquired by CBS.

He jumped at the chance to become President and General Manager of Discos CBS, wanting a job with more excitement and a change of scenery. That was in 1985, just as the Miami Sound Machine emerged into the main stream. Hayes was in the driver's seat. "Gloria and my daughter Carrie became friends," he says.

Today, Hayes, 83, is surrounded by dozens of photo albums, photos of his 6 children, 19 grandchildren and 4 great grandchildren, and technology that keeps him connected via internet, phone and TV.

"This is my life," he says.

UNIQUE CREATURES INVADE LIBRARY 4/29TH

Critters and crawlies are coming to Watchung Library! The Friends of Watchung Library is sponsoring an interactive animal program presented by Unique Creatures NJ, on Saturday, April 29 at 11 am at the library (12 Stirling Rd.) This hands-on experience is suitable for all ages.

Unique Creatures will bring an assortment of exotic and cuddly animals, and will educate as well as entertain. All of the animals are accustomed to being held and touched, and the program presents an unusual opportunity to get to know and learn about reptiles, amphibians, and mammals. Unique Creatures has been featured on television appearances, including *The Tonight Show* and *The Steve Harvey Show*.

Registration is required using the events calendar at SCLSNJ.ORG or call the library at 908-561-0117. Please include the number of adults as well as children, as space is limited. Parents must accompany children and stay with them throughout the program.

The month of April is also a great time to make a friend at the library, by becoming a Friend of the Library. Throughout the month of April, the

Friends of the Watchung Library are conducting a membership drive. Anyone who appreciates the library is invited to become a member. The Friends is rolling out a new open membership fee policy — a donation of any amount qualifies for membership. New and re-newing members will receive a thank you gift of a crossover featherweight tote bag (while supplies last). Members can sign up online at www.friendsofwatchunglibrary.org or in person at the Watchung Library. Totes for members can be picked up at the library.

WARREN CUB SCOUT PACK 182 HOLDS ANNUAL BLUE & GOLD DINNER

Warren Cub Scout Pack 182 held their Annual Blue & Gold Dinner on Tuesday February 28, 2017 at Warren Middle School in Warren. The dinner is a Cub Scout tradition celebrating the pack's anniversary, thanking pack leaders and other adults who have helped the pack, and to inspire the leaders, Scouts, and parents. The event brings families together for an evening of fun and cheer.

The Pack was pleased to host special guests, Warren Mayor Carolann Garafola, Linda Pregenzer from their sponsoring organization The

Rotary Club and Officer Brandon Sebastian from the Warren Police Department who gave some opening remarks to get the evening started. The main focus of the event was the Arrow of Light Ceremony and Bridging of Webelo Arrow of Light recipients from Cub Scouts to Boy Scouts. The Arrow of Light is the highest award in Cub Scouts.

The Arrow of Light with its seven rays streaming from it represent the seven virtues of life: WISDOM, COURAGE, SELF-CONTROL, JUSTICE, FAITH, HOPE, LOVE.. By doing your best to live by these seven virtues, you will find a happier and more fulfilling life. Pack 182 was proud to present this honor to twelve Webelo Scouts and to celebrate their hard work proving they are ready for the new challenges that Boy Scouts will offer them going forward. Several Boy Scouts from Warren Boy Scout Troop 228 were in attendance to welcome their new peers.

Scouts and their families enjoyed dinner and a slide presentation of photographs of the boys participating in activities throughout their years in Cub Scouts. Scouts in all Dens also received awards they have achieved. Everyone also enjoyed entertainment from Mad Science. The evening was a great success.

Cub Scout Pack 182 in Warren Township serves the local community and surrounding towns. To join Cub Scouts or find out more about Pack 182 visit our Facebook page: facebook.com/Pack182WarrenNJ/ our website warrenpack182.org or by contacting us at membership@warrenpack182.org .

"Tailored Financing for Today's Small Business"

www.whiterosefunding.com

844.WRFUNDS / 844.973.8637

A MESSAGE FOR COMMERCIAL REAL ESTATE BROKERS, LANDLORDS, FRANCHISORS AND PROFESSIONALS WHOSE CLIENTS NEED A CERTAINTY OF FUNDING.

White Rose Funding is a direct and indirect lender that can provide funding for:

- Tenants in need of capital for a build-out, equipment or machinery;
- Franchisee and other Start-Ups in need of acquisition funding or working capital; and
- An established business that has sudden and temporary cash needs.

We provide flexible financing on fair terms that rewards the forwarder by offering:

- Financial remuneration to the forwarder; and
- A tailored solution for your client.

For example, a Landlord or Commercial Real Estate Broker is showing property to a prospective tenant, the location is ideal, but the build-out cost is likely beyond the tenant's initial budget. The Landlord seeks personal guarantees sensing there could be financial issues down the road. White Rose Funding could provide a term loan for the build-out, fixtures and equipment, and a working capital loan that will ring-fence the rent guarantee.

There is no cost to your client unless we provide the financing.

If the client does not enjoy prime credit status, we have relationships with preferred SBA Lenders that can make the process fast and efficient.

When you need access to an alternate lending source for your business needs, please consider White Rose Funding.

PASTEL SOCIETY OF NJ EXHIBIT AT WATCHUNG ARTS CENTER

The Heinz W. Otto Gallery at the Watchung Arts Center will host the Pastel Society of New Jersey's 12th Annual Members' Exhibition during the month of April. The show will be on display from April 4th through April 30th. An opening reception will be held on April 9, from 1 to 4 PM, at which time awards will be presented to the winners. The reception and the exhibition are free and open to the public.

The Pastel Society of New Jersey was founded in 2005 and currently has about 150 members in New Jersey and beyond. The 12th Annual Members' Exhibition provides and opportunity for all of its members, both amateur and professional, a chance to exhibit their paintings. All paintings are done in soft pastel and encompass a wide variety of subject and theme from traditional landscape, portrait, and still life to experimental and abstract.

The Watchung Arts Center, located at 18 Stirling Road in Watchung on the Watchung Circle, is a multi-disciplinary arts facility serving Watchung, the surrounding communities and the Tri-State Area. To obtain more information about upcoming performances, classes and workshops, and monthly art exhibitions, please visit WatchungArts.org or call 908-753-0190.

ASSEMBLYWOMAN MUNOZ VISITS BAYBERRY

Second graders at Bayberry School have been studying the levels of government and how laws are created. They have had several local and state level officials visit the students to talk about their roles in the government. On March 1, 2017 Assemblywoman Nancy F. Munoz visited the second grade classes. She spent time explaining the process of creating a bill and having it passed as a law. Students listened attentively as Assemblywoman Munoz used examples they could relate to such as wearing their helmets while riding their bike or scooter. The second graders thoroughly enjoyed her visit and learned a lot about New Jersey's government.

(left) On Friday, March 10, 2017 Mayor Pote of Watchung visited the second grade classes at Bayberry School. Students listened attentively as Mayor Pote read them a story that was a favorite of his daughter, Jen. The students then had the opportunity to ask the mayor questions, such as what it is like to be the Mayor? How do you become the mayor? What are your favorite things about being the mayor? The mayor answered all of their questions and was able to explain with examples that they could relate to. The students enjoyed the visit from the mayor and learned a lot about our local government.

MAYOR POTE VISITS BAYBERRY SCHOOL

BAYBERRY SCHOOL FUNDRAISER

This year, the second grade students at Bayberry School collected new pajamas and new books to support the Pajama Program and their mission. Our students collected 52 pajamas and 89 books. We celebrated the generous donations

of our community by inviting a special guest to join us for buddy reading. Our hope is that this contribution will make a difference in the life of a child. We'd like to thank the community for their support in our Service Learning Project.
